Dear Norman:-

Mr. Moffat, Principal of the college, is on tour in the Rajahmundry area. He left the enclosed letter with me to be forwarded. You will note its incorrect address, due to his recent arrival in this country, and lack of familiarity with official designations.

Since I had first discussed the grant with you, I am asked to request you informally to help us by waiving the requirement that all plans must be approved by the PWD before construction is started. In this case, as you know, not only the PWD, but Army engineers have been consulted, though informally, at every stage. But, unless we have permission in writing from you, Mr Lobo says that we shall have endless difficulty in collecting the grant.

I enclose a copy of the Order. You will note that the items may be grouped as follows:

- A... Cricket fields and sports grounds.. Items 1,2,3,4,8.
- B... Water supply and sanitation Items 6,10.
- 6... Festival Unit..... Items 7,9.

It would be such a great help if we could have an order stating that savings in any one of these 3 groups could be used within the group. In that way items 1,2, 3,4, and 8 could be lumped together and much more economically completed; 6 and 10 also, as well as 7 and 9. Is this possible?

Thank you so very much,

10/102

I would agree to her request with her various connections. Back will get better value for the money unhampered by rules. 17/2/46

Through The Director of Public Instruction,

Sir,

Ref: G.O.Ms.No.215, Edn. dated 31-1-1946.

The Y.M.C.A. College of Physical Education requests Government to reconsider condition laid down in paragraph 2 regarding disbursement of the grant and revise it to the effect that the procedure laid down in the Grant-in-Aid Code for payment of building and equipment grants need not be followed and that it is sufficient if the vouchers of expenditure are checked. The reason for asking this request is that some of the items of ~~work~~ improvement listed in the G.O. have already been started under the supervision of Major H.F. Prynne, Chartered Architect and they are ~~being~~ executed by Messrs. McKenzies Limited, Engineers and Contractors.

With regard to condition laid down in paragraph 4, I beg to state that the use of all facilities available in this College will be allowed to all the schools and colleges in the City of Madras, subject to the control of the Principal.

I have the honour to be,
Sir,
Your most obedient servant,

Principal.

So sorry. This should
have gone in my letter
