6. I am enclosing herewith for favour of reference a copy of the Resolution No.3 dated 25-9-45 of the Madras Provincial Board on the subject.

Copy of the Resolution No.3 dated 25-9-1945 of the Madras Provincial Board for Anglo-Indian and European Education.

3 (1) Letter No.3650/32-45 dated 4th August 1945 from the Secretary Simla requesting the nomination of a representative of the Board to give evidence before the Commission set up by the Inter Provincial Board to survey Anglo-Indian and European Education with a view to its Post-War Reconstruction.

The Board was of opinion that as the Commission was interviewing individually 2 to 8 members of the Provincial Board, it was not necessary to meet the Board as a whole.

(2) As the dates of some of the interviews clashed with the High and Middle School Examinations, the Secretary was instructed to ask that these dates be changed to more suitable ones suggested by her.

(3) That the Travelling Allowance to be paid to these heads of institutions outside Madras who would be asked to give evidence and that Government be approached for extra funds if the amount could not be met from the budget allotment.
