- (ii) To bring each Cadet to an educational standard so that, should he elect not to follow the sea, his education on board will stand him in good stead, whatever profession he desires to follow. (See paragraphs 11 and 12 below.)
- (iii) To give all Cadets a training to fit them to take their place as Officers, and to face with fortitude and endurance the hardships inseparable from life at sea; such an end to be attained by the actual life on board the Ship, by manual work, by strict discipline and
