P.R. No. 57/45 dated 26-12-1945. 194
Sir,

Budget Estimate-Tanjore Municipality-
1946-47-Submitted.

I submit herewith in duplicate the revised estimate for 1945-46 and the budget estimate for 1946-47 relating to the Elementary Education together with the prescribed summary and statement.

2. Credit has been taken in the budget for a net realisation of Rs. 9,170/- from education tax, a grant of Rs. 11,620 from Government under section 37 of the Elementary Education Act, and Rs. 8,370/- under the proviso to the same section. The contribution from the council's general revenues will be Rs. 25,570.

3. Provision has been made for the payment of the dearness allowance at maximum rates.

4. Provision has also been made for the employment of secondary grade teachers for schools and for the payment of a duty

allowance to headmasters and headmistresses as sanctioned by the Director of Public Instruction in his No.D.Dis.4242-45 dated 12-12-1945.

54. The Council has decided to introduce compulsion for boys alone to begin with. On 31-3-1945 there were 987 boys of school age remaining unprovided for, and a provision of Rs.15,000. has tentatively provided for the possible employment of 25 higher grade teachers, house rent and contingencies. The subject will be separately taken up with the Director of Public Instruction.

65. The Council has expressed its deep concern for the extension of the element of compulsion to girls as well, and to provide midday meals for all children. But as its financial condition does not permit its embarking on these schemes, it has decided to apply to Government for a grant of Rs.65,000-Rs.25,000/- for the introduction of compulsory education for girls and Rs.40,000/- for the provision of midday meals. Credit has not been taken in the budget for this grant, however, and I shall address the Government separately in the matter.

Forwarded.

and the recommendation of the committee thereon constituted in

The Revised estimate for 1945-46 and the Budget Estimate for
1946-47 as prepared by the Commissioner, the Commissioner's
note and the recommendations of the Budget Committee constituted
in C.A. No. 655 dated 29-11-1945 are approved subject to the
following modifications:-

1. One upper division clerk be sanctioned to the Municipal

11. While approving the scheme proposed by the
Commissioner for the introduction of compulsory elementary
education for all boys within municipal limits and while
sanctioning the expenditure proposed by him, the council

strongly feels firmly that the introduction of compulsion
for girls also cannot be postponed still further and
secondly that in view of the fact that the children
in Municipal Schools are drawn almost entirely from the
poorest classes, the provision of a midday meal is an
utter necessity, and the council therefore requests that
the Government may be pleased to sanction a special

among girls and

(2) Rs. 40,000/- for the provision of mid-day meals.

Notes of
Extract of L.A. Department *from their file* Notes regarding Budget Estimate -
1946-7 - Tanjore Municipal Council. - *General funds* ⑧ 15

5(ii) Elementary Education: 1945-6 (R.E.) Rs.21,000
1946-7 (B.E.) 25,570

The contribution from the General to the Elementary Education Account approved in the council's Elementary Education budget for 1945-6 is Rs.22,500/- (the contribution for 1942-43). The provision made in the R.E. for 1945-6 may therefore be raised from Rs.21,000/- to Rs.22,500/- while that in the B.E. for 1946-7 may be reduced from 25,570/- to 22,500/- the amount approved for 1942-43. Then the Elementary Education account is expected to close with a deficit of Rs.1565/- at the end of 1946-7. The General account cannot afford to contribute to the Elementary Education fund more than the standard contribution of Rs.22,500/-. The deficit in the E.E. Account may be met from the balance which may be left in the Arrear toll compensation for 1946-7 after wiping off the deficit in the General account ordinary at the end of that year. The E. & P.H. department will no doubt consider the question of avoiding a deficit examining the council's Ele. Education budget for 1946-7.

The R.E. for 1945-46 and the B.E. for 1946-47 of the E.E. fund of the Tel. di, Tanjore, call for the following remarks

2. R.E. for 1945-46(i) The credit taken for contribution from general funds is Rs. 21,000 against Rs. 22,500 in the sanctioned budget. The C. may be asked to raise the extra of Rs. 1,500 contribution to Rs. 22,500. R.A. have agreed to this.

(ii) The provision made under the head "Expenditure - Ordinary" is in excess of that in the sanctioned budget. As the increase is mainly due to the payment of dearness allowance at enhanced rates, the provision made for excess expenditure may be approved.

3. B.E. for 1946-47(i) The credit taken for contribution from general funds is Rs. 25,570 against Rs. 22,500, the usual contribution. In their note on the gl. fund budget of the Tel. di, the R.A. Deptt have stated that the contribution should be reduced to Rs. 22,500. This may be agreed to.

(ii) The provision made under the head "Staff - Salaries and allowances - Masters" is Rs. 47,400 against Rs. 36,000 in the R.E. for 1945-46. The provision has been increased as the C. proposes to introduce the scheme of compulsory education for boys. The provision made may be allowed to stand. The provision made under other heads is in excess of that in the R.E. The enhanced provision is to meet the additional expenditure involved in the introduction of the scheme of compulsory education.

(iii) Para 6 of the Commissioner's letter on Subsidies from Provincial funds are not paid towards the cost of supplying midday meals to school children. It is usual to sanction subsidy from Provincial funds towards the cost of introduction of the scheme of compulsory education. It may be considered when the Commr. addresses the matter.

(iv) Revised with reference to the suggestion in para (i) above, the B.E. for 1946-47 is expected to close.
