President.

Medical Practitioner and reported readiness to join duty on 26-2-39 but Rural Medical Practitioner unlawfully kept him out and the matter was under active consideration till my order was referred to in para 1 of the G.O. were issued on 31-10-39. The long delay is due to the Rural Medical Practitioner not furnishing proper reply to the explanations demanded of him and further enquiries to be made to ascertain the actual truth in the matter. Very soon after this proceedings of mine, the Rural Medical Practitioner, probably with a view to achieve his own object, reported that the post of the ward boy may be abolished and his recommendation was finally accepted and the post itself was abolished. It will thus be seen that I was not keen on retaining or helping the ward-boy and the proceedings of the Ex-Officio President containing a suggestion for the transfer of the ward boy were followed by a quick succession of events, finally leading to the abolition of the post and ousting the individual which I ungrudgingly carried out.
