Copy of application dated the 21st April 1945, from P.S.H. Shaikat Ali, S.S.L.C. Class, Now at Podur, Ilayangudi, (Ramanad Distt. South India), to the Hon'ble Member for Education to the Government of India, Viceroy's Executive Council, New Delhi.

I beg to state that I am the son of P.S.Hamid Rowther, Leather Merchant, Pinnara in Burma. My father left India in the year 1937 leaving the family here. Soon after his reaching Burma due to indisposition my mother was driven to the necessity of going to Burma for his help leaving three sisters with me who are aged 12, 10 and 7 respectively.

2. I was getting a periodical monthly remittance of Rs.50/- from them both for the maintenance of my family and for my education vide No.1. Now since Burma was occupied by the aggressive forces, I am cut off from getting my communication from them.

②

3. I have appeared for the S.S.L.C. Public Examination 1945 and I learnt from the "Hindu" dated, 24th March 1945 that the orphans may apply to the Government for financial help. I have a very great ambition to prosecute my studies in the University. It is the intense desire of my father to send me to college at any costs which can be understood from his letter dated, 18th January 1940 from Myittha, for which an extract (vide No.2) is enclosed herewith. Further I have to look to the maintenance of my sisters too.

4. Now I am receiving a monthly Government allowance of Rs.25/- which is practically insufficient to meet even my education expenses.

Under these circumstances may I request you to be good enough to consider my application favourably and permit me to fulfil my father's ambition i.e. joining the College, and help my poor sisters to pull on

comfortably in their parents temporary absence. Being
Musalmans I beg to state that they were forbidden
from leaving home to take out their livelihood.
Awaiting your early reply and thanking
you in anticipation.

P.S.H. Shaukat Ali, in his statement before the Special
Revenue Inspector on 17-9-45, has stated that his father was
getting an income of Rs. 200/- per mensem from his business. But
the Special Deputy Tahsildar reports that there is no evidence
in support. The petitioner and his father have no income from
properties in India.

I have already reported in my L.Dis. 9914/45 dated 2-11-45
that the petitioner was getting a monthly remittance of Rs. 50/-
per mensem from his father for his study as well as for the
maintenance of his family consisting of 4 members. Enquiry shows
that he was not given any advances for schooling under the Go-

the maintenance charges of his family within the amount.
