Ref.No.51578-5-A dated 17th November 1945.

Sir,

Subject:- Clothing - ordinary - free supply to the
Gardeners and sweepers of the King Institute,
Guindy - sanction - requested.

Reference:- G.O.No.Mis.834 Finance dated 21st
September 1923.

In G.O.No.164, Finance, dated 23rd February 1920, the
Government have sanctioned the free supply of ordinary clothing
annually, to certain classes of menials, including one sweeper,
employed in the King Institute, Guindy, on the following scale:-

Khaki shorts	2)
Khaki shirts of the jumper type with	)
short sleeves	2) per head.
Khaki turban	1)

But in their order under reference, they declined to
sanction the supply of free clothing to the Gardeners and
p.t.o.

and Sweepers ^{men} employed in the Institute.

The Director, King Institute, Guindy, states that a considerable change has taken place in the Institute, since 1923, and that the Gardeners and Sweepers (enumerated below) employed in the Institute at present are not in a position to provide themselves with proper clothing on account of the prevailing high cost of cloths and consequently attend to their duties almost in rags. With a view to maintain a uniform standard of dress among the various classes of menials, he requests that they may also be supplied with free ordinary clothing, on the scale mentioned above.

It is therefore requested that the Government will be pleased to sanction the supply of ordinary clothing to the Gardeners and Sweepers of the King Institute, Guindy, as proposed above.

It is also requested that the supply of ordinary clothing to the one sweeper made hitherto as per G.O.No. 164 Finance dated 23rd February 1920 may also be regularised.

List of menials.

Head Gardener	..	1) Designated as such for the sake of
Head Sweeper	..	1) administrative convenience.
Sweepers	..	6

Your obedient servant,

B. Thirabba

In the circumstances explained, there is no objection to the supply of ordinary clothing being sanctioned to each of the 2 Gardeners and six sweepers as per scale prescribed in G.O.No.164 Mis., dated 23rd February 1920, the period of wear being one year.

The supply of ordinary clothing to one sweeper made hitherto as per G.O.under reference may also be regularized.

The Deputy Secretary to Government,
Education and Public Health Department, Madras.

Ref:-Your Telephonic Message dated 12-12-1945,
regarding supply of ordinary clothing to the gardeners and
sweepers of the King Institute, Guindy.

Only one sweeper is being supplied with ordinary
clothing as per G.O. No. 164, Finance, dated 23-2-1920. In view
of the fact that Government declined to sanction the free
supply of ordinary clothing to similar classes of menials

of the

of the Institute in G.O.No.Mis.834, Finance, dated 21st September 1923, the Superintendent of Stationery, Madras considers the supply of clothing made to the above sweeper after 21-9-1923, the date of the later G.O., to be irregular and requires regularisation. Hence the request.

MR.13/12.

The refusal to supply clothing as specified in the order in (a) in respect of the sweeper mentioned therein - vide also the footnote to the G.O. at (b). Hence the contention of the S of S at A' above is not correct. He may be informed accordingly.

Clothing - Ordinary - Supply to Gardeners and
Sweepers of the King Institute, Guindy.

Please see the letter from the S.G. on pp.1-2 c.f. He
requests that sanction may be accorded -

(1) for the supply of ordinary clothing to one Head Gardener
1 Head Sweeper and 6 sweepers and

(2) that the supply of ordinary clothing to one sweeper
made hitherto as per G.O.164, Fin. d/ 23-2-1920 may be regu-
larised. The Supdt. of Staty., supports both the proposals of
the S.G. but he mentions 2 gardeners and 6 sweepers in lieu of
1 head gardener, 1 head sweeper and 6 sweepers. Presumably one
of the gardeners has been designated as the head sweeper for
administrative convenience.

2. Proposal (1). Attention is invited to G.O.834, Fin.
dated 21-9-23 in which the Govt. declined to sanction free
supply of clothing to 3 gardeners and 3 sweepers in the King
Institute, Guindy who were paid from contingencies on the
ground that the sanction accorded in G.O.164, Fin. dated the
23rd Feby. 1929 was as a special case and should not be taken
as a precedent. Attention is in this connection invited to the
minutes on pp.8-13 of 'G'. It is for consideration whether in
the circumstances stated in para 2 of the Surgeon-General's
letter, the supply may be sanctioned temporarily for two years
till the price of cloth becomes normal.

Proposal (2). In G.O.No.164, Fin. d/ 23-2-1920, sanction
was accorded for the supply of clothing to one sweeper, in the
vaccine section of the King Institute subsequently in G.O.

G.O. No.834, Fin. d/ 21-9-1923, the Government declined to sanction the supply of free clothing to similar class of menials. The S.G. states that in view of the latter orders, the Supdt. of Stationery considers the supply of clothing made to the sweeper after 21-9-1923 to be irregular and he has therefore requested that his action in having supplied clothing may be regularised. As the latter G.O. does not cancel the previous order, there is no need to regularise the supply made to the sweeper. Supdt. of Stationery may be informed accordingly. For orders.

Y above: The proposal of E.P.H. may be agreed to

2. Z on p. 1 above: Supply of clothing to menials is to be restricted at present to those attending on officers and those who in the performance of their duties come into contact with members

of the public. cf. X on p. 1 N.F. of G.O. No. 1771 P.W. d/ 21.6.44. The proposal to supply clothing to sweepers and gardeners in the King Institute, Guindy does not satisfy the above criterion. Finance may therefore advise against the proposal.

the argument that the menials cannot provide themselves with proper clothing on account of the prevailing high cost of clothes is one which will apply to all Depots of the Govt. & if accepted, will throw a large liability on the Govt. The case of the King Institute is in no way special. Further, the position of the menials has presumably improved by the removal of dearness allowance which has nearly doubled their emoluments.
