PR may I also bring to your (PTO)

Excellency's notice the fact that the Madras Olympic Association used to get a grant of Rs 500/- annually through the Education Department from the Madras Government, for the past several years. For reasons beyond our knowledge, this grant was suspended for the last two years. Curtailment of this grant has been a great blow to the Association. It would be a great help to the Madras Olympic Association, of which Your Excellency is the Patron, if this grant is restored to the Association and it is continued from the year 1946.

Dear Sir Thomas Austin,

The Madras Olympic Association is faced with the task of raising Rs. 5,000/- to send a team of not less than 60 athletes to represent Madras, Travancore and Cochin at the forthcoming All-India Olympic Games to be held in Bangalore from February 5th to 10th, 1946. The enclosed statement will show that the response to our appeal has been encouraging and some money has been raised but we are finding it extremely difficult to raise the balance.

The ~~Madras~~ World Olympic Games, started by the late Baron de Coubertin in 1896 will once again be resumed in London in 1948. Preparations are being made to stage the World Olympics at the Wembley Stadium. India holds the world championship in Hockey, but in Athletics India is making very slow progress. What is done now in India in athletics will be determined what her athletes would do in 1948 in London.

The Indian Olympic Association with the co-operation of the Provincial Olympic Associations hold the All-India Olympic Games once in two years and this year these Games will be held in Bangalore. We understand on good authority that the Indian Olympic Association and the various Provincial Olympic Associations get annual Government Grants. Without Government support it is difficult to organise and conduct the Provincial or All-India Olympic Games.

4 May I bring to your notice that the annual grant of Rs. 500/- which the Madras Association was receiving for several years was withheld in 1943 and 1944. This has been a serious blow to the Association financially. Madras has excellent talents in Athletics, and promising young men must be given the training and the opportunity of participation in big athletic meets. Madras will then make a contribution to the Olympic Games enjoyed by nations all over the world. Here is a chance for the Madras Government to support a good cause. I appeal to you to restore our lost grant and continue it from 1946.

Many thanks for your letter dated 5th March 1946, stating that the Govt. have decided to give a grant of Rs 500/- in the current year towards expenses incurred by our Assn. in sending athletes to represent Madras at the All-India Olympic Games held in Bangalore in February. We trust that this grant will be available to our Assn. every year.

The All-India Olympic Games will next be held at Lucknow in 1948. India's chosen athletes to represent India at the World Olympic Games to be held at the Wembley Stadium in London, will be chosen at this meet. The Madras Olympic Assn. will do all that is possible to put Madras on the All-India map. Finance is our big problem. We understand in good authority that provinces like Punjab, Bengal and Bombay get annual ~~xxxxxx~~ grants from Rs 2000/- to Rs 3000/-. The entire expenses of training travel ~~etc.~~ of the Patiala Team is borne by the Patiala State. Madras has excellent material in athletics but the material requires good nurture. With the new stadium coming in Madras, it is quite possible to make athletics more popular.

Kindly convey to Sir Arthur Hope, the Ex-Governor of Madras and the Patron of our Assn. our very sincere

24
thanks and in deep appreciation of H.E.'s interest
in sports and our Assn. particularly.

Govt. grant to our Association needs to be
continued annually and also enhanced. We will
sincerely appreciate your help.

From the Convener, Finance Committee, Madras Olympic Association, dated 27-12-1945.

D.O. from the P.S.G. No.5316/45-1 dated 2-1-1946.

Please see para 2 of the note on p.3 n.f. of G.O.No.

(H) 1532 Edn., dated 10-11-1943, in which an account of the grants paid to the Madras Olympic Association is given. It will be seen that the Government have not guaranteed any recurring grant to the Association as the statement in the letter on p.2. c.f. that 'the Association used to get a grant of Rs.500/- annually' would imply. The applications for grant were considered as and when received. The last occasion on which a grant was sanctioned was in 1942-43 - G.O.No.581 Edn., dated 9-4-42.

(J) A Subsequent applications were refused for the reasons recorded on pp.3-8 n.f. of G.O.No.1532 Edn., dated 10-11-43 and pp.1-4 n.f. of G.O.No.1050 Edn., dated 13-7-45, the gist of which was that the opening balance, ordinary subscriptions, donations, membership fees, etc., were sufficient to pay the expenses.

The Convener of the Finance Committee has not stated in the letter on p.2 c.f. for what purpose the grant is required and what is the Association's present financial position. Perhaps he may be asked to furnish detailed information on the above points, on receipt of which the question of grant may be considered.

Please see the rules in Hb 1-2 above. The proposal of 20th H. to sanction a grant of Rs 500/- to the Madras Olympic Association may be accepted in

this dept., if the accounts of the current year show a deficit as a result of the expenditure incurred by the Association in Feb. 1946 on sending a team to Bangalore in connection with the All-India Olympic Games held at that place. The statement of accounts for the year ended 31-3-46 showed a closing balance of Rs. 196-6-0, not known what the receipts & expenditure in the current year are in order to see whether assistance by the Govt. is needed. General is in this connection minutes of A m.p.1 above & the minutes on p.3 n.f. of G.O. 1050 Edn of 13-7-45 in which the application for a grant last year was negatived.

p11, p6cf

p17cf

It seems desirable to ask the Assoc. to send this information as soon as the accounts up to 31.3.46 are ready, & to tell them that the request for a grant will then be considered.

If the grant is to be sanctioned, it may perhaps be disbursed in the beginning of next year. The expenditure will have to be met from savings.

The proposal in this file is to sanction a grant of Rs. 500/- to the Madras Olympic Association in 1945-46 towards the expenditure incurred by it on sending a team of athletes for the All India Olympic games held in Bangalore in February '46.

p14cf

The D.P.I. has recommended the proposal and this Dept. has supported it. The Finance Dept. however, consider that the question of sanctioning the grant may be considered after obtaining from the Association the statement of its receipts and expenditure for 1945-46. That Department also suggests that after if the grant is to be sanctioned, it may be disbursed in the beginning of 1946-47, the expenditure being met from

The Madras Olympic Association depends on the generosity of the public. A grant of Rs 500 may be given in the current year towards the expenses incurred in sending athletes to the All-India Olympic games at Bangalore last month. The expenditure is estimated at Rs 500/- P 6 to P 15. The contribution comes to Rs 1400/- only - P 16 to P 15. D. P. J. recommends payment of grant this year P 16 to P 15. It is a worthy object to which Govt can legitimately contribute.

Grant - Madras Olympic Association- Request for enhancement- Continuance as a recurring grant

From the Secretary, Madras Olympic Association dated 5-3-46

18-19 of

In G.O. No 484 Edn dated 6-3-46, a grant of Rs 500 was sanctioned to the Madras Olympic Association for 1945-6 towards the expenses incurred in sending athletes to the All-India Olympic games at Bangalore. The Secretary of the Association now requests that it may be continued annually and that it may be enhanced.

11-29

2. For an account of the grants paid to the Association till 1942-43 please see para 2 of the note on page 3 n.f of G. O. No 1532 Edn dated 10-11-43. It will be seen that the Govt have not guaranteed any recurring grant to the Association and that applications for grant are considered as they are received.

P.T.O

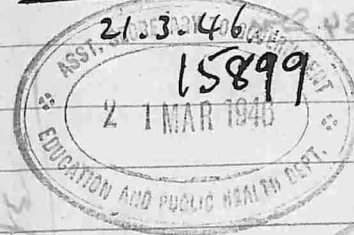

The question whether a grant should be made or not is decided with reference to the financial position of the Association. In recent years the requests of the Association for the payment of grant were refused as the opening balance, ordinary subscriptions, donations membership fees etc were sufficient to ~~meet~~ meet the expenses. The Association may apply to the Govt through the D.P.I. every year setting out clearly the necessity for the grant and the particular special activities for which increased grant is required in any particular year. If the D.P.I. is satisfied that help is necessary and he recommends the application, the proposal may be treated as a part-scheme every year as is being done in the case of grants to the Boys scouts' and Girls Guides Associations. A similar procedure was adopted in respect of this association previously. It seems unnecessary for the Govt to undertake to give a recurring grant irrespective of the financial position of the Association

The remarks of the ~~Finance~~ Finance Department may be invited u.o. 15268

Finance may agree with views of E.P.H. on p. 2 above. 21.3.46 19.3.46 21.3.46 E.P.H.

In no. 15268 EB-1

The case relates to the request of the Madras Olympic Association that an annual recurring grant may be paid to the Association and that the amount of grant paid to the Association in the past viz Rs 500 may also be enhanced. It is considered that there is no case for the Govt to undertake the payment of a recurring grant irrespective of the financial position of the Association and that ~~the Association~~ it may be required to apply for the grant required every year as suggested at A on p. 2 ante. Finance have agreed to the course suggested by this Dept.
