Budget Estimate for 1946--1947. Commissioner's Note.

C. Elementary Education Account.

The income and expenditure under this account are almost stationary. There is no scope of increasing the income. The annual contribution from General account has been increased from Rs-4652/- to Rs.13110/- and in spite of it, it is not possible to balance the account. The increase of the contribution has already affected the general account. The only possible retrenchment that could be effected in the expenditure side is by acquiring school buildings, which question will take some years. The other possible retrenchments are (i) amalgamation of the Fakir Takka and Ismailkhanpet schools, (ii) Amalgamation of the Georgepet and Gowthamapet schools and (iii) abolition of the secondary grade Headmaster's post in the Old. Mdn.Boys' school. These proposals are supported by the facts that the Fakir Takka and Georgepet schools have become uneconomic while the old Mdn.Boys' school has not improved to deserve the name of a Higher Elementary school, in spite of the council's warning to the staff. In this connection the council's attention is drawn to Council Resolution No.115 dated 26-7-45 in which the council resolved to convert the Old. Mdn.Boys' Higher Elementary school into a Lower Elementary school if the strength of the school as a whole and especially that of the ~~Bi~~ VI Standard did not increase by the end of September 1945. No improvement ~~are-approg~~ is evident. If the above retrenchments are approved there will be an annual saving of Rs.17000/-. The rate of Education tax may be increased by 1 per cent per half year from 1-4-46. This will bring in an additional income of Rs.4800/- and it may be possible to balance the budget.

Proceedings of the Finance Committee dated 18--12--1945.

The note of the Commissioner on the Budget of this council for 1946-47 was read. The budget may be approved with the following modifications.

"Out of the grant sanctioned in G.O.No.1048, Rs.3000/- may be allotted in 45-46 under capital A.General.IV.Preventive medicine for purchase of 25 hand drawn nightsoil carts. The provision under Malaria in 45-46 may be reduced to Rs.500/-. The rates of lighting and Education taxes need not be increased. The Fakir Takka and Ismailkhanpet schools need not be amalgamated. As there is no possibility of either increasing the income or retrenching the expenditure under elementary education funds the Government may be requested to pay as grant the entire Dearness allowance paid to teachers.

Extract of the notes of the L.A. Department from their file
re: B.E. - 1946-47 - General funds ÷ Ml. Cl., Tirupattur.

Transfer to other accounts - Elementary Education Account.

The contribution agreed to in 1942-43 was Rs.4,560. In the
E.E. budget for 1945-46, a contribution of Rs.13,110 was approved. The
R.E. for 1945-46 of the E.E. account closes with a deficit of Rs.4,010
after making provision for the investment of a sum of Rs.6,900 in the
current year in ~~xhx~~ national savings certificates. Asa d.a. grant of
Rs.3,565 was received for E.E. staff the Council will have to refund
Rs.2,890 to Government. The contribution approved in 1945-46 may there-
fore be allowed to stand. The E.E. budget for 1946-47 as framed by it
closes with a deficit of Rs.10,430 afterprovading for the investment and
after taking credit for a contribution of Rs.13,110 from the general
account. If the investment is not allowed the deficit will be only
// Rs.6,420 after providing for the refund of Government grant of Rs.2,890 in
the current year. The ✓ contribution in 1946-47 may be reduced to the
usual amount viz. Rs.4,560 and the deficit in the E.E. budget will them
be Rs.14,970. The Council may be asked to wipe off the deficit from the
arrear toll contribution next year.

// In view of its present unsatisfactory financial position, the
Council may be told that it should not invest Rs.6,000.

* * *

Revised with reference to paras 2-4 on p.1. ante, the R.E.
of the Tirupattur Ml. Cl. for 1945-46 under the General account - Ordy.
closes with a deficit of Rs.3,233, even after adjustment of the entire
arrear toll compensation of Rs.18,419 to the account. The Cl. has
provided for a capital expenditure of Rs.3,210 in the R.E. ~~xhxexxke~~

* *

This may well be deldeted from the R.E. and included in the B.E. for
1946-47. The deficit will then be reduced to ~~Rsxxxx~~ Rs.113 which the
Cl ~~xxx~~ can easily avoid by reducing expenditure.
The year 1946-47 may be taken to open with a nil balance.
It will close with a balance of Rs.5,214 after providing for all itmms

of capital expenditure, including the items referred to above. The Capital expendiute on conservancy improvements in that year will be Rs.5500. Out of the arrear toll compensation of Rs.18,419 that may be sanctioned next year, there will be a balance of Rs.3,449 after meeting the deficit of Rs.14,970 in the Ely. Education account. The Council may be allowed to utilise the sum of Rs.3,449 for the capital conservancy expenditure. The closing balance will then be Rs.8,663.

In paragraph 3 of the above order the Government have advised
Council to delete the provision of Rs. 6900/- made under "expendi-
ture capital-Investment made".

p3 e/7 (S)

2. This sum of Rs. 6900/- is made up of the loan of Rs. 5000/-
sanctioned in G.O. No. 1476 Education dated 2-11-43 for the purchase
of Elementary School buildings and of Rs. 1900/- realised by the sale
of an Elementary school building. The above amount is reserved for
the purchase of buildings, the question of the purchase of which is
under correspondence with the Revenue Department. It cannot, there-
fore be utilised for ordinary expenditure and has to be kept distinct
in the capital account. As the keeping of this amount in the Sub.
Treasury with the balance in the other accounts is likely to lead to
unauthorised diversions and as it was found that the completion of
the negoiations in regard to the purchase of buildings may take some
time it was proposed to invest this amount in short term securities.
Even if this item is deleted as advised by Government, the amount
will remain as closing balance in the capital account and it will
not help to wipe off the deficit in the ordinary account.

3. Under the circumstances I request that the Government may
be pleased to waive the recovery ordered in paragraph 3(ii) of the
G.O. referred to above.

B.E – 1946-47 – E.E. fund – M.d, ~~Tirupattur~~

C.No. 318C-1/46 pp1-2 c.f. From the D.P.I., R.O.P. No. 62-B-3/45-46, d/ 9.1.46.

The R.E. for 1945-46 and the B.E. for 1946-47 of the E.E. fund of the M.d, Tirupattur, call for the following remarks.

2. R.E. for 1945-46. (i) The d. proposes to invest a sum of Rs 6,900 in National Savings certificates. In view of the unsatisfactory financial position of the E.E. fund, the d. may be informed that no investment should be made from the E.E fund.

p9 c.f. vide extract of Chandr at (a)

(ii) The provision made under the head "Expenditure – Gidy" is in excess of that in the sanctioned budget. As the increase is mainly due to the payment of dearness allowance at enhanced rates, the provision made for excess expenditure may be approved.

p9 c.f. p12 e.f. of (c)

(iii) Revised with reference to the suggestion above, the R.E. is expected to close with a ~~deficit~~ surplus of Rs. 2,890. The d was granted a subsidy of Rs. 3,565 towards the payment of dearness allowance on the assumption that the E.E. fund would work at a deficit. As the R.E. is since seen to close with a balance of Rs 2,890, the d may be asked to refund this sum to Govt.

p9 c.f. pp15-16 e.f. of (c)

3. B.E. for 1946-47. (i) The credit taken for contribution from general funds is Rs. 13,110 against Rs 4,560 in the budget for 1942-43. In their note on the general fund budget of the d., the L.A. deptt have stated that the contribution should be restricted to Rs. 4,560 and that the deficit can be met by adjustment from the arrear toll compensation grant likely to be sanctioned to the d next year. The suggestion of L.A. may be agreed to.

(ii) Revised with reference to the suggestions above, the B.E. is expected to close with a deficit of Rs. 14,970. This can be avoided by adjusting a like amount from the arrear toll compensation grant likely to be sanctioned to the d next year as suggested by L.A.

In connection with the R.E. for 1945-46 of the E.E. fund of the Ml. Cl., Tirupattur, proposed to invest a sum of Rs. 6,900 in National Savings Certificates. In view of the unsatisfactory financial position of the E.E. fund, the Cl. was informed that no amount should be invested from its E.E. fund. Consequently the R.E. was expected to close with a balance of Rs. 2,890. As the Cl was paid a subsidy of Rs. 3,565 in 1945-46 towards the payment of d.a., ~~the Cl~~ it was asked to refund a sum of Rs. 2890 to Govt.

MEMORANDUM PRESENTED TO MR. DANIEL THOMAS B.A.B.L., HON'BLE MINISTER FOR LOCAL ADMINISTRATION DEPARTMENT MADRAS, BY THE MUNICIPAL COUNCIL, TIRUPATUR, N.A. ON THE 30TH AUGUST, 1946.

(15)

As we understand that, as one who has efficiently administered Municipal Council long, you are in favour of increasing the powers of the Councils. We suggest some specific orders to increase the funds and powers of the Councils may kindly be passed.

(1) As the modern idea is that the state should take responsibility for Elementary Education we request that the Government may be pleased to increase the contribution towards Elementary Education account to 100% of the expenditure incurred by the Council.

E.P.H. (4)

This may be given to B2 section for necessary action.

E&P. H (C-1)

The following subsidies are paid from Provincial funds to Ml. Cls to meet the cost of ely. education.

1) Govt grant under section 37 of the E. E. Act;

2) Govt grant under the proviso to section 37 of the E. E. Act.

Besides, Govt are paying

subsidies to ml. cls towards the cost of dearness allowance to the E.E. staff to the extent this expenditure cannot be met from their own funds. Arrears of toll compensation are being paid to local bodies in four annual instalments, beginning with the year 1945-46. Any balance of this grant after meeting the deficit in the general fund account will be available to wipe off the deficit in the E.F. fund.

It is understood from L.A. that in connection with the ~~pr~~ amendment of the M.D.M. Act, Govt have under consideration certain proposals to augment the resources of ml. cls.

In connection with the Part II scheme proposals for 1947-48, the Finance dept have stated that such proposals should be restricted as the funds available will not be sufficient to finance a large number of schemes.

Ⓒ

It may not be possible for Govt to enhance the subsidies paid to local bodies for ely. education.

As far as the Tirupattur Ml. Cl. is concerned the anticipated expenditure in the E.E. fund for

p16 of Ⓕ 1946-47 is Rs. 42,790. Against this, the Cl is expected to get

ibid (i) Govt contribution under section 37 of the E E Act Rs. 3,300

ibid (ii) Govt contribution under the proviso to secn. 37 of the Act. Rs 10,850.

The Cl. has also been permitted to adjust a sum of

para 4(ii) on p15 of Ⓕ Rs. 14,970 from the arrear toll compensation grant.

p16 of ibid The budget of the E.F. fund for 1946-47 is expected to balance itself. There ~~seems to be~~ is no need for increasing the subsidy from Provincial funds as far as this year is concerned. It will not be advisable also to increase

8 ~~the~~ subsidies paid towards the cost of ely education in any one particular municipality.

No action is called for on this current.

The papers may be filed with G.O. 487 Edn., d/ 6-3-46. (F)

expected to close with a balance of Rs 421 after providing for all the additional expenditure. The A.T.C. sanctioned to the council in the current year is Rs 18419. Of this a sum of Rs 14,970 has already been ordered to be adjusted towards the deficit under the El. Edn. acct and the balance for conservancy improvements. The council is being asked separately to report how it proposes to find money for the payment of arrears of d.a. to rul. staff. Please see the remarks on pp. 1-2 above.

The E.E. Fund of the M.C. has closed for 1945-46 with a deficit of Rs. 7581/- consequently the B.E. for 1946-7 also is expected to close with a deficit. If the M. Cl. had transferred the sum of Rs. 13,110/- from its General Fund Account, not only the

deficit could have been avoided, but also a surplus of Rs. 1000 roundly could have been refunded to the Govt. The Council may therefore be asked to state first why the full contribution of Rs. 13,110/ was not transferred from the General Account to the E.E. Fund Account as directed by the Govt.

20.12.46

As regards the B.E. for 1946-7, it does not seem necessary to take into account the sum of Rs. 6900 required for capital expenditure as the amount is proposed to be met from the loan and sale proceeds of a building which are kept separately. The E.E. Fund will then close with a deficit of Rs. 3631/- only. It would therefore seem sufficient if an advance subsidy of Rs. 2400 roughly equal to 2/3 of the anticipated deficit is sanctioned now.

Portion marked 'M' of Finance note above. The General fund account has also closed with a deficit of Rs 3386 at the end of 1945-46. Apparently, it was for this reason the Cl. was unable to make ~~over~~ the full contribution of Rs 13,110 ordered in G.O. 407 Edn. d/19.3.45. It is observed from the note of the R.A. deptt on the General fund budget of the Cl. that a subsidy from the Provincial fund ~~budget~~ is proposed to be paid to wipe off the deficit in the Gl. fund at the end of 1945-46. If the Cl. had adjusted the full contribution of Rs 13,110, it would have increased the subsidy to be paid from the Prov. funds.
