2. Your letters Roc.No.1266-B/44 d/ 14-12-45 and 7-1-1946

I was awaiting orders of the Government on my previous proposal to let the supply of mid-day meals on contract basis - please see my letter Roc.No.26693/E1/45 dated 18-11-45. Now that the Government have declined to approve the proposal in their order quoted above, I am making arrangements to constitute local committees and start the supply as expeditiously as possible. I hope to start the regular supply on or before 1-2-46 at the latest for 2500 pupils in the district for which a recurring subsidy of Rs 5470/- at Rs 0-1-9 per pupil per day, for 20 days in February 1946 may kindly be sanctioned to start with.

p.t.o.

In the absence of full details from the various centres, I am not able to furnish the information in respect of the items in statement No. I called for by you. I am therefore giving information only regarding the total probable expenditure in February 1946 for which subsidy may be kindly recommended.

I submit herewith a statement showing the subsidy payable to ten District Boards for incidental charges in connection with the supply of midday meals, as required by Government. The variations between the figures in columns 4 and 5 are mainly due to the fact of the actual supply of meals and made to a considerably smaller number of pupils, than the number fixed for the centres concerned.

Sir,

During 1945-46 the Coimbatore District Board incurred an expenditure of Rs. 163-2-0 as advertisement charges, and claims are now made for the payment of subsidy from Provincial funds to cover the same.

2. Of the expenditure of Rs. 163-2-0 referred to above, Rs. 81-12-0 relates to the invitation of tenders for the supply of furniture etc. to the schools in the compulsory area. The President, District Board has reported that tenders had to be called for by

P.T.O.

advertisement as required by rule 203 A-7(1)(c) of the Local Boards Manual. This expenditure may therefore be admitted for purposes of payment of subsidy.

3. The balance of Rs. 81-6-0 out of the expenditure of Rs. 163-2-0 referred to in para 1 above relates to the invitation of applications from candidates for appointment as teachers. The Board did not levy any fee from the applicants, as required by clause (e) under item XIV in the annexure to G.O. No.1149-Education dated 24.6.1940, with a view to receive a large number of applications. As there is paucity of teachers, the omission to levy a fee from the applicants may be condoned and this expenditure also may be admitted for payment of a subsidy.

p37(x)

4. If the above recommendations are accepted by Government, the District Board will have to be paid a further subsidy of Rs. 163/- in all.

2/ In this connection I bring to the notice of the Government that although the actual expenditure incurred on the supply of midday meals during 1945-46 was Rs.1832/- Government have admitted only Rs.1645/- vide Government memorandum No.28934-B2-1 Edn., dated 16-7-46. Presumably Government have allowed only the expenditure calculated on the total number of pupils fed, i.e., 24,262 at the rate addmissible. The difference between the amount claimed and that admitted (viz) Rs.187/- is due to the fact that the whole stock of food-stuffs purchased has not been utilised during penultimate fortnight of the year in which the purchases were made. This was however utilised in the second fortnight of March, 1946.

3/ I therefore request that the Government may be pleased to allow me to claim the above sum of Rs.187/- along with the cost of articles purchased for the II fortnight of March,46 which was actually paid in 1946-47.
