Subject: Subsidy - Government contribution under Section 37 of the Elementary Education Act - Tax realised in 1944-45.- Municipal Council, Vellore - Balance - Payment.

Reference: Government endorsement No.56514 A/45-1, Ean., dated 21st December 1945.

In respect of education tax on buildings, the Commission has calculated contribution at 1 1/3 % on the annual value of properties (i.e.) on the demand instead of on the realisations made in the year at the above rate. He has also excluded collections under arrears in calculating the contribution due. Education tax on vacant sites and other lands realised in the year amounted to Rs. 591-2-3. In view of the fact that education tax on agricultural lands was increased from 1 1/4 % to 3 1/4 % in 1944-45, the Council is eligible for equivalent contribution at the previous rate of 1 1/4 % only with reference to the orders in Government Memorandum No. 49352. A/45-1, Edn., dated 2nd November 1945. The balance of contribution still due to the Council works up to Rs. 194/- only (vide statement enclosed).

Education and Public Health Department,
