REFERENCE:

2/ The Board invites the attention of the Government to their order No.Mis.2179(E & P.H.) dated 22-12-45 in which they have sanctioned the scheme of training demobilised soldiers as Higher Elementary Grade Teachers. The minimum educational qualification required for admission into the course is Form III or E.S.L.C. of VIII Standard. The Director of Public Instruction is not prepared to accept the Indian Army I. Class certificate as equivalent to the E.S.L.C. because it is not taken in the vernacular. He is prepared, however, to consider the question of either allowing ex-service men to appear for the E.S.L.C. Examination as private candidates irrespective of their general educational attainments before or after joining the Army or to admit into the Higher Elementary Grade Training class the holders of Indian Army I class certificate after their fitness has been examined by a panel of Examiners. He states that these concessions contemplate modifications in E.S.L.C. and T.S.L.C. schemes, requiring the sanction of Government. The Board requests that Government may be pleased to accord their sanction to the proposals.

Ref: Government Memo No.2937-C/46-2-E.P.H. dated
24th Jan. 1946.

The proposal contained in paragraph 2 of the Board's refer-
ence Y.203/45-48 dated 17-1-1946 was agreed to by me, subject to
the sanction of government, at the end of a series of conferences
held between my Headquarters Officers, the Commissioner, Post-War
Reconstruction, the S.R.I.O., Madras, the C.C.I.O., Madras, and the
Chief Education Officer, Southern Command, as a further concession
to demobilized soldiers. I have, therefore, the honour to request
that Government may be pleased to sanction the request of the board.

These concessions contemplate modifications in (1) the
E.S.I.O. scheme approved in G.O.No.1583 Edn., dated 20-8-1940 and
(2) the T.S.I.O. Scheme. Under the E.S.I.O. scheme, the public
examination at the end of the VIII standard is ordinarily taken
by a candidate after he has studied in standards VI to VIII of a
recognized Higher Elementary school and put in the prescribed
attendance. The proposals under reference will exempt demobilized

demobilized soldiers from such attendance at schools. These soldiers could straightaway appear for the E.S.L.C. examination irrespective of their previous general educational attainments. Again under the T.S.L.C. scheme for admission into the Higher Elementary Grade training class, a candidate should have passed the VIII standard public examination. In the case of demobilized soldiers, it is, however, proposed to admit into the Higher Elementary Grade training class the holders of the Indian Army First Class Certificates after they put in a refresher course and after their fitness is examined by a panel of examiners (a District Educational Officer, an Headmaster of a Government training school and an Army Educational Officer). At a later conference held with the Chief Education Officer, Southern Command, it has also been proposed to open preparatory classes for demobilized soldiers to educate them upto the VIIIth standard with a view to subsequently train them as teachers of the Higher Elementary grade - vide my letter R.O.C.No.3969 W/45 dated 25th January 1946.
