In Memo no 46730 P-1 Dtd 8.1.45
the S.G.P. was asked to submit an estimate of
the number of Candidates to be selected by the
H.P.S.C. for the posts of Electrical and Mechanical
Engineers, Supt., Deputy Supts and Asst Supts
in the Govt. Press by direct recruitment for the
period ending with the first week of February 1947.
The S.G.P. in reply to the above memo reports
that the number of Candidates required for this
period either by direct recruitment or by transfer
is nil.

p3 CF

2 It is submitted in this connection
that there are two posts of Asst. Supts, tempo-
rarily vacant now in the Press, one on account
of Mr. Halge's permanent transfer to the D.P. Govt.
and another on account of Mr. Heppner's absence
from the Press on other duty. It is likely that
one more post of Asst. Supt. is likely to fall
vacant due to the expiry of the period of employ-
ment of Sri Appadurai Pillai in January 1946.
One of these three vacancies is ^{to be filled by one Srivastava} ~~to be filled by one Srivastava~~
~~the change in the appointment in June 1945~~
dtd 9.3.45 ^{who is with training for the Govt. Press} ~~may be shown against the vacancy.~~

As has stated in a file
that Mr. Heppner may
not come back.

When will this
transfer be over?
pp 10-11 C.P.K.
Will he have to
go before M.R.C.
again?

Thus there are two vacancies of the posts of Asst.
Supts in the Press. Attention is in this connec-
tion invited to the notes of D.M. 16 and the
S.G.P.'s remarks on p 7 of Go no 1654 Dtd 6.11.44.

2 19/10/45

3 Now that the year is over
it may be possible to get qualified Candidates
for these posts. As we have already recommended
that a provision towards the salary of these
two posts of Asst Supts should be made in the
Budget estimates of the Govt. Press for the year 1946.

Y/s.
19/10/45

it is for orders whether the S.G.P. may be asked to state specifically why the H.P.S. should not be asked to make a selection for these posts more.

It is probable that the S.G.P. may not agree as his assistants & himself will forego the spe. pay, if these posts are filled up. The S.G.P. need not be consulted again.

This is apt for consideration 19/10/45

We have recently amended the rules to provide for a new scale & a higher starting may also be given according to qual. I think the M.S.C. may be asked advised in the fol statement for 2 Asst Supli. (or 3 if Srinivasan, the chairman is to be one of them)

With reference to the Deputy Secretary's inaugural remarks on 1st a/c it is submitted that Mr. H. R. Srinivasan the Changeaman appointed in Govt 372 B dt. of 9.3.44 need not go to the Commission again for appointment as the Asst Supli in the Govt Press. The S.G.P. should ~~not~~ obtain the concurrence of the H.P.S. under Regulation 18(h) of the Madras Service Commission Regulations. He finds the Changeaman suitable for that post. His regards the ~~service~~ of ~~vacancy~~ of the Changeaman, the S.G.P. may be consulted. The draft ~~order~~ below is for approval.

No specific point has been raised in Srinivasan's training. Please see Govt 372 B dt. of 9.3.44.

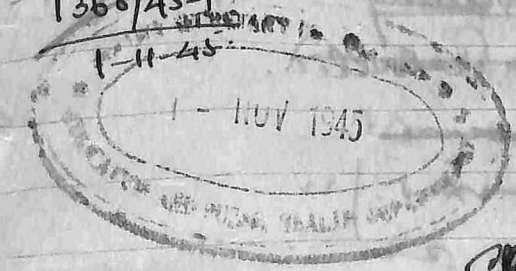

The S.G.P. should not be asked about Srinivasan so that the Comm may be addressed. I think we may ask for 3 as Srinivasan's fitness is not yet decided.

It is seen from p 17 of the pamphlet at @ that two posts of Asst Supli in the Govt Press have been reserved for the Govt Service Candidates and that the preliminary selection for these posts has to be made by the Federal Public Service Commission to whom the application from the Govt Service Candidates should reach before 1.12.45. In that case there will be only one vacancy of Asst Supli in the Govt Press about which the H.P.S. may have to be addressed to make a selection in case the Changeaman in Govt 372 B dt. of 9.3.44 is found to be suitable for the post of Asst Supli.  case recently.

Edn. & P.H. (F) Department.
 11/11/45 E.P.H.

The facts of the case are as briefly as follows:
 In 1943, the Public Service Commission invited appli-
 cations for filling up a post of Asst. Supt. Government
 Press. The Commission then reported as the result of the
 interview of the several applicants, that one of the appli-
 cants, Sri M.R. Srinivasan got the highest number of marks at the
 competitive examination, and that it is known to Mr. Lepper per-
 sonally and that in Mr. Lepper's opinion, he was good enough
 for appointment as Asst. Supt. Govt. Press if he was given
 adequate training under him in the Government Press. Com-
 mission also observed that no better candidate was likely
 to be forthcoming on the terms announced and that after

giving Sri M.R. Srinivasan the necessary training, the S.G.P.
 was satisfied as to his suitability, ^{his} actual appointment could
 be made ^{after obtaining} that the Commission's concurrence under Regulation
 18(b) of the Madras Public Service Commission Regulation.
 Mr. Lepper who was consulted in the matter recommended that
 Sri M.R. Srinivasan might be specially trained in the Press
 under one of the gazetted officers and that when a vacancy
 occurred, he might be capable of taking up the post of Asst.
 Supt. For this purpose, he requested that a temporary appoint-
 ment of chargehand may be created for Sri M.R. Srinivasan with
 a stipend attached to it for giving the necessary training.
 The Government approved the proposal of the S.G.P. that
 Sri M.R. Srinivasan might be appointed as temporary chargehand
 in the Press. on a stipend of Rs.70/- per mensem for receiving
 the necessary training with a view to equip him for the post
 of Asst. S.G.P.

The S.G.P. now reports that Sri M.R. Srinivasan may be
 considered fit to take up the post of Assistant S.G.P. in
 the Press. With reference to the suggestion of the Public
 Service Commission it is ^{proposed to} address the Commission
 to obtain their concurrence with reference to 18(b) of the
 M.P.S.C. Regulation.

The file may be circulated to A-2 ~~and~~
 The proposal to address the M.P.S.C.
 as in the draft may be accepted.

There are now 3 vacancies in the Press - two
 permanent ones, in the place of Hages &
 Appadurai Pillai (who has been re-employed
 after retirement in one of the 3 vacancies) and another
 (temporary) one in Mr. Lepper's absence. The two
 permanent ones will go to Mr. Lepper's returned ones
 if they are available. (Use M and 3 anti)
