R.C.No.178-M/46 dated 21st February 1946.

Sir,

Presidency College, Madras--purchase of a petrological
Microscope - Permission requested.

I have the honour to state that upto 1941, the number of students requiring the use of Petrological Microscope in the Geology Department of the Presidency College never exceeded 14 and there were 12 good instruments then. At present the number of students is 28 and it is likely that it will go up to 35 in 1946-47. Of the 12 instruments 4 are under repair, and thus there are only 8 instruments in good working order. No instruments were purchased during the war time as they were not available. According to the present strength at least 24 good instruments are required for the college. With reference to G.O. No.1508-Education dated 25.9.1945, orders have been placed for the supply of six microscopes in 1946-47. This will hardly meet the demand. It is now reported that one microscope is available with Messrs. Adair Dutt & Co., Madras. They promise to sell it to the college at the old price of Rs. 2,100/- though its price has now gone up by 20%. In the circumstances I request that

Government may be pleased to sanction an expenditure not exceeding Rs. 2,100/- (Rupees two thousand and one hundred) for the purchase of the microscope in the current year. The expenditure will be met from the appropriation placed at my disposal in 1945-46 under "Laboratory charges".

I request the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,
