SUBJECT.

Examination - Public - VIII Standard - Pro Forma - Account -
Submission of -

R.C.No.85-E/45

Station, M a d r a s, Dated the 14th December 1945.
From (Name) Dr. S.R.U.Savoor, M.A., D.Sc., I.E.S.,
(Designation) Commissioner for Government Examinations.

To

The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST. GEORGE.

Sir,

With reference to the last paragraph of G.O.No.MS.1584,
Education and Public Health, dated 13th October 1941, I have the
honour to enclose a statement showing the "Receipts" and "Charges"
in connection with the VIII Standard Public Examination held in
April 1945 (fourth year of the examination).

2. Government in their Memorandum No.6269-C-2 Education and
Public Health, dated 28th April 1944 approved the proposal of the
director of Public Instruction, Madras, to introduce English as an
optional subject for the VIII Standard Public Examination in
addition to the three compulsory subjects, viz., (1) First Language,
(2) Elementary Mathematics and (3) History and Geography including
Civics.

3. 6,965 candidates were registered for the four subjects including
English (Optional) and they remitted only the usual examination fees
of Rs.1-8-0 with reference to paragraph 2 of G.O.No.1535 Education,
dated 18th October 1944. 1,147 candidates were registered for
English (Optional) only, and they remitted only Annas eight as
examination fees for that subject with reference to the same
Government Order.

The increase in expenditure is mainly due to the following
reasons:-

- (1) remuneration for the additional subject, viz., English (Optional)
without corresponding increase in the revenue (Examination
fees),
- (2) the increase in the rates of railway fare from 1½ to 1¾,
- and (3) increase in the cost of paper and printing and other
contingent charges due to abnormal conditions.

I have the honour to be,
Sir,
Your most obedient servant,

m.a./17-12.

for COMMISSIONER.

The papers quoted above have
been called for from the Recorder. Their receipt

Examinations - VIII Standard Public Examination - Enhancement of fees and Remuneration to Examiners. (5)

C.No.7-E/46

Station, M a d r a s, Dated the 14 February 1946.

From (Name) Dr. S. R. U. Savor, M.A., D.Sc., I.E.S.,
(Designation) Commissioner for Government Examinations,

To
The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST. GEORGE.

Sir,

Reference:- Government Memorandum No.57458-B/45-2, dated 22nd January 1946.

With reference to G.O.No.1583 Edn, dated 20th August 1940, the VIII Standard Public Examination at the end of the course in Higher Elementary Schools is being held from 1942 onwards in the following subjects:-

- (1) First Language
- (2) Elementary Mathematics
- (3) History and Geography including Civics.

An examination fee of Rs.1-8-0 per candidate is levied. The scale of remuneration to examiners sanctioned by Government in the above order is as follows:-

- | | | |
|--|----|---------|
| (i) For setting a question paper. | .. | Rs.10/- |
| (ii) For translating a question paper. | .. | Rs.5/- |
| (iii) For valuing each answer paper. | .. | As.2/- |

From the examination of 1945, English was added as an optional subject for the VIII Standard Public Examination - vide Government Memorandum No.6269-C-2, Education and Public Health, dated 28th April 1944. A fee of annas eight was levied for those who brought up English only for the examination and that the examination fee of Rs.1-8-0 per candidate was continued whether the candidate offers English as an additional subject or not - vide G.O.No.1535 Education, dated 18th October 1944.

2. The Training School Leaving Certificate and the VIII Standard Public Examination Board recommended in 1943 that the remuneration for valuing each answer paper be raised to annas three, as the sanctioned rate of annas two per paper is too low for a two hour paper. The Board in 1944 again recommended that any remuneration less than four annas for valuing each script should be considered not commensurate with the labour involved. For a third time again, the board, at its meeting held early in January 1946, has recommended that the remuneration for valuing each answer paper be raised from annas two to four annas.

3. I agree with the Board that the present rate of remuneration to examiners is too low and deserves to be increased, as it is essential to remunerate the examiners adequately in consideration of the responsible work done by them in marking the several hundreds of answer papers. The payment of remuneration to examiners is an essential feature of any examination and the actual task of marking several hundreds of examination scripts is a very responsible job and the psychological condition of an examiner who is inadequately paid for performing such work will be very different from the condition of a person who is inadequately paid. At present an examiner has to value about 400 papers in order to get a remuneration of

of about Rs.45/-, which is ^avery meagre sum. He has not merely to value the answers, but to tabulate them, work out the average, and write a report on the performance of candidates. On account of the meagre amount some teachers have declined to take up this work. For this kind of responsible and confidential job, reliable and suitable persons are required and they must be adequately remunerated. I, therefore, strongly recommend the request for enhancement in the remuneration.

4. With reference to Government Memorandum No.57458 ^{B/E} Education and Public Health, dated 22nd January 1946, suggesting the question of raising the fees for the examination so that it will cover the charges and also leave a margin for further increase of expenditure, I recommend the following increase in the rates of examination fees and remuneration to Examiners:-

(1) A fee of Rs.2/- to be paid by each candidate applying for the examination, whether for the three subjects or four subjects including English (Optional).

(2) A fee of Re.0-8-0 (annas eight) only to be paid by each candidate applying for English (Optional) only. *(No change)*

(3) The rates of remuneration to Examiners:-

- (a) For setting a question paper. .. Rs.20/-
 (b) For translating a question paper into each of the South Indian Languages.) Rs.5/-
 (No change).)
 (c) For valuing each answer paper. .. Re.0-3-0

5. Taking into consideration the number of pupil candidates who appeared for the VIII Standard Public Examination held in April-1945 and the number of private candidates who had applied for the examination 1946 and calculating the revenue by way of examination fees at Rs.2/- per candidate, who appeared for three or four subjects including English, and at Re.0-8-0 for each candidate, who appeared for English (Optional) only, and working the remuneration to Examiners at the enhanced rates suggested above, the receipts and charges will be as shown below:-

Receipts.	Charges - Remuneration at three annas per paper and setting fee at Rs.20/-.	Surplus.
Rs. 52,436	Rs. 46,560	Rs. 5,876

6. I recommend that the enhanced rates of remuneration to examiners suggested above, may be given effect to from the examination of 1946 while the higher rate of fees demanded from candidates may be given effect to from the examination of 1947 as the fees at the original rate (Rs.1-8-0) has been already paid by the candidates for the examination of 1946. This may leave a deficit of about Rs.7,100/- for the 1946 examination, but in view of the fact that this examination has yielded a profit of Rs.26,108/- for the years 1942 to 1944 and as the ~~income~~ of all the examinations under the control of the Commissioner for Government Examinations, Madras, put together leave a good surplus, the deficit for 1946 examination may be overlooked.

I have the honour to be,
 Sir,
 Your most obedient servant,

P. K. Ch...
 for COMMISSIONER. 14/2/46

501 H-1-39 No 57458 - From the C. & P. Dept. letter No. 85. E/45 d. 14.12.45

Subject

Examinations - The Standard Public Examination - Proforma account

The C. & P. Dept. has submitted the proforma account in

p 30 respect of the VIII standard Public examination held in April

p 3 (B) 1945 with reference to para 2 of G.O. No. 584 E d. 13.12.1945

in the proforma account of the examination held in 1945

H-1-20 (B) 1943 & 1944) the proforma account of the examination

p 34 in 1945 shows a loss to Govt. of Rs 344-11-9. This loss

cannot be attributed to the number of candidates registered

p 34 for the examination, since that number (27400) is higher

para 2 of H-1 (1) than the number of candidates registered in the year 1944 (24969)

p 18 (B) when there was a surplus of over Rs 71000. The reasons

Rs 1-8-0 to Rs 2/- from the examination of 1947 as the fees for the examination of 1946 have already been paid by the candidates. They may be agreed to.

2. The C.G.E. proposed to raise the rates of remuneration to Examiners as shown below:-

Description of work	Existing rate	Proposed rate
(1)	(2)	(3)

- | | | |
|-------------------------------------|---------|---------|
| (1) For setting a question paper — | 10 Rs. | 20 Rs. |
| (2) For valuing each answer paper — | 2 Annas | 3 Annas |

Item (1) above:— No reason has been adduced for doubling the rate of remuneration for setting a question paper.

Even for the S.S.L.C. public examination, the revised rate of remuneration for setting a question paper for Part I. is only Rs 15/-. ~~the 8th standard public examination cannot be said to be equal to~~ ~~the S.S.L.C. public examination, there is no case for increasing~~ ~~the rate of remuneration. The proposed rate is not acceptable as proposed~~ ~~It is for cause duration whether the rate may be enhanced to Rs 15.~~

Item (2) above:— The C.G.E. has made out a case for the increase in the rate of remuneration of valuing an answer paper from Annas two to Annas three (vide para 2 & 3 on pp 7-8 of).

The proposal may be accepted.

The C.G.E. proposed to give effect to the increase in remuneration from the examination of 1946 for the reasons stated in para 6 of his letter on p 8 of. The argument that a deficit may be incurred for the examination of 1946 in view of the surplus of previous year is not sound. The increase in rate of remuneration may be given effect to with effect from the examination of 1947 along with the increase in the rate of examination fee.

3. The file may be sent to Finance for acceptance of the proposals or revision thereof.

10843 Sept
10843 Sept

5 Finance (Exp A)

Please see the previous Finance note on p 3 above, the memo. to the Comm^y of Govt. Examinations on p 5, and his reply on pp 7-8 of. and the note of E.P.H. on pp 3-4 above.

The proposals of E.P.H. at A, C & D on p 4 above may be agreed to in Finance.

2. B on p 4 above. The existing rate of remuneration for setting question papers for the S.S.L.C. examination is Rs 15/- while that for the ES.L.C. is Rs 10/-. As it is stated that the latter examination cannot be said to be equal to the former, there seems to be no case for increasing the remuneration in the present case to Rs 15/- as proposed by E.P.H. Moreover, if this is allowed it may give rise to request for similar increase in respect of S.S.L.C. Examination also. This Dept. may, therefore, advise against the proposal of E.P.H. at B above.

10843 Sept
6.3.46

[G.O./rs. no. 533 Edn dated 11-3-46]

11/21

Please see the previous financial report
on page above, the amount to the common effort
last financial year was \$7,000.00
which is \$7,000.00 of the total of \$10,000.00
on page above.
The proposed \$10,000.00 at A, C & D
on page above may be applied to the financial
B on page above. The existing rate of
contribution for setting question papers
for the 2-1-1 examination is \$15.00
but for the 2-1-1 is \$10.00. As it is stated
that the latter examination cannot be set
to be equal to the former, there seems to be
no case for increasing the contribution
in the present case to \$15.00 as proposed
by 2-1-1. Moreover, if this is allowed
it may give rise to request for similar
increase in respect of 2-1-1 examination
too. Also, this will mean, therefore, when
at the proposal of 2-1-1 at B above.
