At present I am supplied with 32 copies of the
Official Tablet diaries and calenders for 1946 for the use of
the Gazetted officers working in my department. The supply
is not adequate as there are now 39 officers working in my
department. No copies are left for distribution among the
remaining seven officers.

I, therefore, request that Government may be
pleased to sanction the supply of 39 copies of the Diaries
and calenders from hereafter and also to sanction additional
supply of 7 copies of the Diaries and calenders for 1946 by the
Superintendent, Government Press.
