Enclosures:

R.O. No. 1129-W/44

dated 23rd February 1946.

Subject:- Holy Angels Convent School, Mambalam -
Construction of temporary sheds in the St.
Raphael's School at Mylapore for their
location.

In their order No. Ms. 1852 Education dated 9-12-44, the Government permitted the return of the Holy Angel Convent School, Mambalam from Palmanor to Madras and sanctioned the payment of one half of the actual cost of constructing two temporary sheds in the St. Raphael's School at Mylapore where the Holy Angel School was proposed to be located, subject to a maximum grant of Rs. 4,250/-. It was originally proposed to construct two temporary sheds at an estimated cost of Rs. 8,500/-. But now actually four sheds have been constructed and the correspondent states that this was necessitated by the increase in the number of children and consequent need for extension to the existing Refractory and bathing rooms.

2. A sum of Rs. 8,686/- was spent by the management for the construction of all the four sheds and the Executive Engineer, Presidency Division, Chopaluk has stated that the valuation of the buildings based on the P.W.D. Schedule works out to Rs. 8,932/-. He has valued the cost of constructing of two sheds as originally sanctioned by Government at Rs. 7381/- only. The management will be eligible only for a half grant of Rs. 3691/-. The Inspector of European Schools, however recommends that the maximum half grant sanctioned by Government, viz., Rs. 4,250/- may be paid to the correspondent in view of the peculiar difficulties under which the two extra minor sheds had to be constructed. (one half of the actual cost of the 4 sheds is Rs. 8686/2 i.e. Rs. 4343/-).

3. In the circumstances, I support the recommendation of the Inspector of European Schools and request that the Government may be pleased to sanction as a special case, the payment of a grant of Rs. 4,250/- towards the construction of four sheds.

4. Early orders are requested as the official year is drawing to a close.
