pp13-14 infra

I beg to submit for the orders of Government the revised estimate for 1945-46 and the budget estimate for 1946-47 of the Elementary Education fund account of this council in duplicate as finally approved by the council together with the prescribed statistical enclosures. Details in regard to each item of expenditure are furnished in the budget. No provision is made in the budget for repairs to rent free buildings.

p14 infra

A sum of Rs. 2000/- for the construction of a building for the Mohamadan school and Rs. 3000/- towards one half of the anticipated expenditure on the construction of a building for the Hindu Girls' school, at Nagore are provided. Both the schools are now located in rented buildings. Sites were already purchased for the construction of buildings for the two schools. Buildings are essential for the two schools. Plans and estimates are being prepared and the works can be taken up in 1946-47.

The provision made in the budget in regard to the staff, equipment, accommodation etc., is based on the actual requirements of each school and with reference to the recommendations of the Inspecting officers.

P.T.O

Marked variations between the actuals of 1944-45, revised estimate for 45-46 and budget estimate for 46-47 are explained in full in the budget.

The budget estimate for 1946-47 is expected to close with a deficit of Rs. 20,750/- . As the deficit is mainly due to the payment of dearness allowance to the staff at Government rates, the council has requested Government to pay the amount of the deficit as a free grant. Copies of my note to the council and of the council's resolution on the budget are enclosed.

The Deputy Inspector of Municipal councils and Local Boards has made the following suggestions. The provisions made in the budget to carry out the suggestions are noted against each item.

(21) To enhance the rate of education tax to make the Elementary Education account self-supporting:

The tax may be raised by half per cent per annum. Credit has been taken for a sum of Rs.3150/-

x x x

Revised estimate for 45-46

The budget estimate for 45-46 was expected to ~~sax~~ open with a plus balance of Rs.1210/- and to close with a deficit of Rs.7880/-. But the revised estimate actually opens with a plus balance of Rs.2960 and is expected to close with a deficit of Rs.1360/-. This is mainly due to the receipt of grant of Rs.9930/- from Government towards the payment of dearness allowance to the staff.

Budget estimate for 46-47.

The budget estimate for 46-47 is expected to close with a deficit of Rs.15870/-. Credit has been taken for a sum of Rs.3360/- for the increase of rate of Education tax on properties by ½% per annum and the reduction in the limit of the annual rental value of properties exempted from tax from 18 to 12. Credit has been taken for a sum of Rs.11970/- as contribution from General fund account-ordinary.

The council has decided to consider the following subjects during the consideration of the budget.

(1) M.C.R.302/18-6-45: Appointment of a full timed prevocational instructress to the Hindu Girls' school, Negapatam.

(2) M.C.R.863/30-10-45. Appointment of an additional conductress to the Gosha school, Negapatam.

(3) M.C. R.859/30-10-45: Increase of wages to sweepers of schools from Rs.3 to Rs.5/-

Provision has been made for item No.1 above in the budget.

The Sub-Assistant Inspectress of schools has recommended the appointment of an additional Secondary grade mistress for the Hindu Girls' school, Negapatam and for additional accomodation to the school. Provision has been made for the conversion of the post of 2 higher grade female teachers ~~post posts~~ into secondary grade posts, one for the Velippalayam Girls' school and ~~fox~~ one for the Hindu Girls' school, Negapatam.

A sum of Rs.4000/- has been provided under Capital for the construction of a building for the Mohamadan school building at Negapatam.

The Elementary Education account-ordinary is expected to close with a deficit of Rs.15870 in spite of the increase in taxation and a grant of Rs.9930 received from Government towards meeting the expenditure on Dearness allowance for 45-46. The amount of Dearness allowance to the teachers and other educational staff in 1945-46 and 1946-47 is as follows:-

1945-46	Rs.21,460
1946-47	Rs.20,720
	Rs. 42,180

Against this a grant of Rs.9930 alone has been received. As the deficit in the account is solely due to the payment of dearness allowance and as it is not possible to find any sources of revenue to avoid the deficit Government may be requested to pay the amount as a free grant to the Council.

~~Receipts~~ The revised estimate as prepared by the Commissioner is approved.

Budget estimate for 1946-47.

The budget estimate for 1946-47 as prepared by the commissioner is approved subject to the following modifications:-

The council is not willing to increase the rate of education tax by 1/2 % per annum and to reduce the limit of the annual rental value of properties exempt from taxation from Rs.18/- to Rs.12/-. The increased revenue taken on that account, viz. Rs.3350/- will be deleted.

Under Capital account the provision made for the construction of the Mohamadan school building will be reduced from Rs.4000/- to Rs.2000/- and a provision of Rs.3000/- will be made to meet half the cost of construction of the Hindu Girls school building at Nagore.

The provision made for the following items by the commissioner is approved.

Conversion of the post of one higher grade female teachers into Secondary grade post for the Velippalayam Girls' school and the conversion of the post of the part time prevocational instructress into a full timed one.

Additional provision will be made for the creation of an additional post of a Secondary grade teacher for the Negapatam Girls' school and a sum of Rs. 520/- will be provided.

The council could not provide for the appointment of an additional conductress for the Gosha ~~Girls~~' school, Negapatam and the increase of wages to sweepers of schools owing to want of funds. Revised with reference to the above modifications, the account is expected to close with a deficit of Rs. 20750/-. As the deficit is solely due to the payment of dearness allowance to the staff, the council requests the Government to pay the amount of the deficit as a free grant to the council.

1944-5 (Actuals)	Rs. 11970/-
1945-6 (R.E)	11970/-
1946-7 (B.E)	11970/-

7(ii) Elementary Education Account: The provision made for a contribution of Rs.11970/- in the R.E. for 1945-6 as well as in the B.E. for 1946-7 is the same as that approved for 1942-43 which is considered as the standard amount. With these contributions the elementary education account is expected to close with a deficit of Rs.1360/- at the end of 1945-6 and Rs.20750/- at the end of 1946-7. In view of the unsatisfactory financial position under the General Account-Ordinary the council cannot afford to make any additional contribution to the Elementary Education Account over and above the standard contribution.

A grant may be necessary to this council in 1945-6 and 1946-7 towards the payment of dearness allowance to the staff paid from the Ele. Edn. Account to the extent of the deficit in that Account. This point will doubtless be considered by the E.& P.H. Dept. while examining the council's elementary education budget for 1946-7.

According to the report recd separately the cl has already drawn the entire arrear toll compensation grant of Rs17,335 sanctioned in the current year. If this is taken into a/c, the deficit in 45-46 [illegible] Rs 8812

3. The B.E. for 1946-7 under the General Account-Ordy. will start with a nil balance, if as proposed a grant is given now to wipe off the deficit for the current year. It will close with a deficit of Rs. 40,865/- even after cutting down the Capital expenditure from general funds to the absolute minimum of Rs.1000/- The council may be permitted to adjust towards this deficit the entire arrear toll compensation of Rs.17,335/- that may be sanctioned next year. The deficit will then be reduced to Rs.23,530/- It will be necessary to sanction a grant of this amount, seeing that the payment of dearness allowance next year will cost the Council Rs.59,150/- The Commr. may be asked to report in July next the income derived from the levy of stamp duty and entertainment tax and the actual balance on 1-4-46, so that the actual grant found necessary may be sanctioned.

* * *

5. General: Based on the B.E. for 1946-7, the annual ordy. receipts under the General account fall short of the expenditure by Rs. 39,865/- The arrear toll compensation will not cover this deficit.

pp27-28 of (F)

para 3(i) p27 of (F)

Governmnt have deleted/the provision of Rs.5,000/- made in the budget ~~estimate~~ for the construction of buildings for the Muslim Boys' School, Negapatam, and for the Hindu girls school, at Nagore. The council points out that the construction of the 2 buildings are quite essential and also very urgent. The two schools are now located in rented buildings. The present rented building in which the Muslim boys school at Negapatam is located has no suitable garden and the accommodation is also defective. The present owner of the building also presses the council to vacate the building. There is no other suitable building in the locality to which the school can be shifted. The council had some years back purchased a building and the superstructure of that building was sold for Rs.2270/- The sum of Rs.5,000/- provided in the budget is comprised of this sum of Rs.2270/- and the sum of Rs.2730/- transferred from the Elementary education fund - ordinary. It will therefore be seen that the proposal of the council is to construct the building utilising the sale proceeds of the superstructure which is already under capital account.

It is not what to keep this amount separately under capital a/c

The council is paying a rent of Rs.16/- per mensem for the building in which the Hindu girls school, Nagore is now located. The proposal for the construction of a building is pending from a long time and a site was already acquired and is ready to be built upon. The materials in the Infectious diseases hospital building at Nagore which are without any use can be utilised for the constrction of the building. The government have recently proposed to take over the management of the three fishermen schools at Pattanachery, Nambiar Nagar, and Samanthankuppam. The council has also requested Government to take over the Arianattu street, School, also for the purpose. If the schools are taken over by the Fisheris Department there will be savings to the

to the council. The council therefore requsts Government to reconsider their orders and to allow the provision of Rs.5,000/- to stand.

C. No. 7014 C-1/46 From the D.P.I., R.O.P. No. 71-B3/45-46, d/2.2.46 (30)

p1e.f The R.E. for 1945-46 and the B.E. for 1946-47 of the E.E. fund of the M. cl., Negapatam, call for the following remarks.

p1e.f 2. The suggestions of the D.P.I. in paras 3 to 6 of his endorsement are correct. Necessary alterations may be made in the budget

3. R.E. for 1945-46. (i) The R.E. for 1945-46

p14e.f is expected to close with a balance of Rs 901.11

(ii) The provision made under the head

p14e.f "Expenditure - Ordy" is in excess of that in the sanctioned

p38c.f of (L) budget. As the increase is mainly due to the payment of dearness allowance at enhanced rates, the provision made for excess expenditure may be approved.

~~4. B.E. for 1946-47 (i) The credit taken~~

p13e.f ~~for contribution from general funds (Rs 11,970) is the~~

cf para 3 (iii) on p12 f of (L) ~~same as the usual contribution [illegible]~~

~~(ii) In view of the unsatisfactory financial position of the E.E. fund, the provision made for a lump of~~

p14e.f ~~Rs 5,000 under the head "Expenditure - Capital - Lands and Buildings" may be deleted.~~

~~(iii) Revised with reference to the suggestions~~ above, the B.E. for 1946-47 is expected to close with a

p14e.f deficit of Rs 15,765.

(iv) In their note on the gl. fund budget of

extract at (K) the cl. the L.A. depts have stated that the general fund account is expected to close with a deficit even if the entire arrear toll compensation grant likely to be sanctioned to the cl. next year is adjusted to that fund, and that the contribution cannot be increased beyond the usual amount.

p2 n f of (L) There is no scope for increasing the rate of edn. tax levied in the mty. A subsidy will have to be sanctioned from Prov. funds to cover this deficit. This question may be further examined after the actual balance in the E.E. fund on 1.4.46 is known.

Note. The E.E. fund budget of the M. cl. Negapatam, for 1946-47 is expected to close with a deficit of Rs. 15,765 which has to be wiped off by the grant of a subsidy from Provincial funds. If the present proposal of the cl is approved, the deficit will be further increased to Rs 20,765. As there seems to be ~~no~~ no other way of avoiding the deficit, the proposal of the cl. may be negatived.
