Officer was not consulted either for the abolition of the post or for the transfer of the woman teacher.

FLYING SECTION
U. T. C.

TELEGRAMS: "MADFLY". MADRAS.

POST BOX 286.

Dated, 23rd January 1942

To all U. T. C. Cadets, Madras and Trichinopoly.

Dear Sir,

As you are aware it is intended that the training of the Flying Section of the University Training Corps, shall begin at an early date. It has been brought to our notice that difficulty is experienced by many cadets who are interested in the possibility of joining the Indian Air Force as Pilot Officers, in providing the Rs. 100/- deposit which was required. It has therefore been decided that the condition of this deposit of Rs. 100/- shall be waived. It is however still essential that the written consent of the parent or guardian shall be obtained and submitted to the Assistant Secretary of the Flying Club (Post Box 286, Madras) in every case.

2. There are still a few vacancies for the First Course during which it is hoped to train 25 pilots; applications together with the written consent of the parent should be submitted AT ONCE to the Adjutant, by those cadets who now wish to join the Flying Section.

3. Further it is hoped that a Second Course will begin immediately after the Examinations held in March and early April are concluded. If sufficient suitable applicants are selected—and some 50 are required—a vacation course will be held concluding at the end of June and the selected cadets will be required to remain in camp at Meenambakkam during this period. It is hoped that short week-end leave may be arranged in certain cases and this course has been particularly devised in order to provide training for cadets from Trichinopoly.

4. Applications headed "Second Course" should be forwarded without delay to the Adjutant together with the written consent of the parent or guardian in each case.

5. We would again impress on cadets interested in the Indian Air Force that it is the intention of the promoters of the University Flying Section to train cadets in flying, and in the military aspects of flying, so that they shall be eminently suitable for final selection for entry into the Commissioned ranks of the Indian Air Force as Pilots. Cadets undergoing flying training will not be called upon to pay subsistence charges whilst in camp. Other details may be had on enquiry of the Adjutant or direct from the Assistant Secretary, Madras Flying Club, Post Box 286, Madras.

Yours faithfully,

D. D. WARREN,
Government Representative,
Madras Flying Club.

R. J. DYSON,
President,
Madras Flying Club.

P. S.—To all students who are NOT members of the University Training Corps.

The U. T. C. Flying Section is open only to U. T. C. Cadets. Vacancies continually occur in the U. T. C. and students who are anxious to join the Indian Air Force through the U. T. C. Flying Section should apply to the Adjutant for admission into the Corps as soon as there is a vacancy.

4(b) Elementary Education Account:

1945-6 B.E.	1945-6 R.E.	1946-7 B.E.	Amount approved for 1942-43.
Rs.	Rs.	Rs.	Rs.
8,462	6,650	11,650	7,090

The contribution provided in the R.E. for 1945-46 may be raised from Rs.6650/- to Rs.8462/- the amount approved in the E.E.Edn. budget of the council for 1945-6. In view of its unsatisfactory financial position under the General Account, the council cannot afford to contribute in 1946-47 more than the standard contribution (Rs.7090) The provision made in the B.E. for 1946-47 may therefore be reduced from Rs.11650/- to Rs.7090/- With the contributions proposed the Elementary Education Account for 1946-7 is expected to close with a deficit of Rs.2696/- after taking credit for Rs.490/- and 3690/- (in round sum) from the arrear toll compensation of Rs.10835/- sanctioned to the council in the current year with reference to G.O.No.1623/- Edn. dated 12-10-45. As the balance in the arrear toll compensation for 1945-6 and the whole arrear toll compensation amount likely to be sanctioned in the next year will be required by the council to wipe off the deficits in the General Account-Ordinary at the end of 1945-6 and 1946-7 the question of avoiding the deficit in 1946-7 by other means will have to be considered by Government. The E.& P.H. Dept. will doubtless consider this while passing orders on the Elementary Education budget of the council for 1946-47.

Sir,

Sub: Establishment-Villupuram Municipal Council-Arrear Dearness Allowance from 1-7-44 to 31-12-44 to all classes of employees-equivalent contribution from General Fund to Elementary Education Funds over and above the approved Budget-Sanction solicited.

...

In G.O. No.Ps.1552 L.A., dated 19-9-46., Government have permitted the payment of arrear dearness allowance to all classes of municipal employees from 1-7-44 to 31-12-44 from municipal funds., subject to the condition that the expenditure on the payment of arrear dearness allowance to the staff other than the conservancy menials should not be taken into account for purposes of grants for wiping off the deficit either under the General Account or the Elementary Education Fund Account. The particulars of the amounts required for payment of arrear dearness allowance to municipal staff other than conservancy menials are as noted hereunder.

1. staff Debitable to General Account	..	Rs.3540/-
2. staff Debitable to Elementary Education ~~Fund~~ Acct.	..	Rs.2229/- 2220/-
TOTAL	..	Rs.5760/-

(N)

In view of the orders contained in Government Memorandum No.58483 C-1/46-1 Education dated 9-10-46 the amount of Rs.2220/- required for payment of arrear dearness allowance to the Elementary Education Staff cannot be met from Elementary Education Funds as the Elementary Education Fund accounts for the current year works at a deficit. But in view of the fact that funds are available under General Account due to increased receipts secured during the year, the Council in its resolution No.868 dated 31-10-46(copy enclosed) has resolved that the amount required for payment of Dearness Allowance to Elementary Education Staff be met by an equivalent contribution from General Funds. This expenditure will not be taken into account for purposes of grants for wiping off the deficit.

p 3 infra

In the circumstances, I request, that the Government may be pleased to accord sanction for increasing the contribution from General Funds to Elementary.

4. B.E. for 1946-47 (i) The credit taken for contribution from general funds is Rs 11,650 against Rs 7,090, the actual contribution. In their note on the general fund budget of the cl., the L.A. dept have stated that the general funds of the cl. cannot contribute more than Rs 7,090 in 1946-47.

5. The cl. was paid a subsidy of Rs. 490 in the current year towards the payment of dearness allowance. If this amount is recovered on the ground that the R.E. for 1945-46 is expected to close with a surplus, the anticipated deficit in 1946-47 will be increased from ~~Rs 2943~~ Rs 2,453 to Rs 2,943, ~~in~~ thus raising the subsidy payable next year. In the circumstances, the recovery of the grant paid already need not be ordered now; but this point may be considered while examining the question of sanctioning a subsidy next year. A subsidy of Rs. 490/- was sanctioned to the Villupuram Ml. cl. in G.O. 1623 Edn d. 12.10.45 to wipe off the ~~deficit~~ in its E.E. fund this year. With reference to the R.E. for the current year it is now found that the fund is expected to close with a balance of Rs. 1,942/-. The whole of the subsidy is therefore refundable to Govt.

1361/F.B
Para 3 (ii) infra above

2. In para 5 of their note above, E.P.H. have noted that the recovery of the subsidy paid this year need not be made now but may be considered while examining the question of subsidy next year, as a deficit is anticipated in 1946-7. It is noted that Finance have noted recently in another case that recovery of full amount of subsidy for the current year and for 1946-7 should be kept as two distinct propositions. ~~Finance may suggest that the question of recovery the subsidy paid this year may be considered when the actual closing balance is known on 31-3-46 is known after the accounts are audited.~~

The proposal of the Ml. cl. Villupuram is to pay the E.E. staff the arrears of dearness allowance and to meet the expenditure involved by additional contribution (Rs 2,220) from general funds.

2. The E.E. fund budget of the Ml. cl., Villupuram, revised with reference to the actual balance on 1.4.46, is expected to close with a deficit of Rs. 4,412. The question of covering this deficit by additional contribution from general funds or by the grant of a subsidy from Provincial funds, is under separate consideration. The file on the subject is now in L.A. If the ~~[illegible]~~ cl. is permitted to incur the expenditure referred to in para 1 above the deficit will be increased to Rs. 6632. If this amount (Rs 6632) cannot be met by additional contribution from general funds, the proposal of the cl. cannot be approved.

The increased income under the General Account should be utilised to wipe off the anticipated deficit under that acct. The Council's proposal to pay the arrears of D.A. to Ele. School teachers by increasing the contribution from the General Account is not acceptable as it amounts to claiming a grant for the payment of arrears of D.A. to the Ele. School teachers. It may be noted in this connection that the council applied for a grant towards payment of D.A. to municipal staff other than conservancy menials but this was refused in Memo No. 32793-2C-L A & 25/10/46.
