Orders were issued recently for the opening of 14 Board Elementary Schools newly in the compulsory area and joining reports are yet due from a few Schools. Due to the revision of School-age as per G.O. No. 1958 dated 23-11-1945 Headmasters are striving to bring fresh pupils under the compulsory scheme and consequently additional staff is being posted with the increase of strength. Thus the appointment of teachers is not yet completed. The statement showing the staff appointed and joined after the transmission of this report and the additional subsidy required towards their pay, Dearness Allowance, and contingencies will be submitted later.

Sub:- Elementary Education-compulsory - District Boards-introduction in selected villages-/ayment of subsidy.
Ref:- Your Rc.No. 2897-B/44. dated.11-12-1945.

==========

I herewith furnish the particulars of staff appointed for compulsory elementary education as detailed in the statements enclosed.

As regards the supply of midday meals, the Accountant General Madras was addressed in this office Rc. 4808/45. dated. 22-11-45 to authorise me to draw the advance of Rs.15420/- as sanctioned in Government memorandum No. 32083 Education and Public Health dated.1-9-1945. But the Accountant General informed in his letter 7.A. Edn. 1.-656. dated.14-12-45 that he has not yet received specific orders from Government sanctioning the advance for midday meals..

The Government have been addressed in this office Rc. 4808/45. dated.24-12-1945 to place the advance at the disposal of the district Board to pay to the several centres for their midday meals to get the scheme started. Orders of the Government are awaited in the matter. The question of supply of midday meals will be taken as and when the Accountant General is authorised to place the advance at the disposal of the District Board, unless the Government are pleased to authorise me to spend the amount from out of the District Board funds, in the first instance.

Ref:- from the DPI 2879 B/44 dt 1.3.46

ORDER:-- 561 Edn. dated 12.3.46

The Government sanction the payment in the current year to the District Boards mentioned in the annexure to these proceedings of the Subsidies specified against them towards the provision of additional school places in the villages where elementary education has been made compulsory under the orders of Government. The subsidies have been calculated with reference to the actual expenditure incurred by the Board in the current year. Pending decision on the question no subsidy has been allowed in respect of this expenditure.

2. The Accountant General is requested to place the amounts at the disposal of the District Boards at an early date. The Presidents should present the necessary bills at the Treasury for obtaining payment of the amounts or for getting them adjusted.

3. The expenditure will be debited to the appropriation under "37.Education - 1.Primary - Grants to local bodies for primary education - A.Local Bodies 1.Ordinary Areas - 1.Teaching" - Authorised in the Annual Estimate of Expenditure for 1945-46.

4. The Presidents of District Boards should report through the D.P.I. in April 1946 the actual expenditure incurred on the scheme of compulsory Elementary Education in 1945-46 with details under several heads such as, opening of schools; employment

Finance dept has suggested that the possibility of ordering an increase of rate be examined before a subsidy is sanctioned. Of the four Boards involved the rate of tax has been raised to the maximum in the case of Ramnad & East Godavari (14 and 15 pies respectively). There is no possibility of further increase. As regards the other two Boards the question whether the rate of Ed. Tax may not be raised for the whole ~~Dt~~ so as to cover the cost of the scheme of compulsory ed. has been raised in connection with the budget for 1946-47. In the circumstances no action is called for in regard to those Dts now.
