Ms

The Government sanction the payment in the current year to the District Boards mentioned in the annexure to these proceedings of the subsidies specified against them towards the provision of additional school places in the villages where elementary education has been made compulsory under the orders of Government. The subsidies (in respect of salaries & allowances of teachers) have been calculated with reference to the actual expenditure incurred by the Boards in the current year. The question whether the subsidy should be paid towards expenditure on the clerical staff employed in the Elementary Education Section for work relating to compulsory education is under consideration separately. Pending decision on the question no subsidy has been allowed in respect of this expenditure.

2. The Accountant General is requested to place the amounts at the disposal of the District Boards at an early date. The Presidents should present the necessary bills at the Treasury for obtaining payment of the amounts or for getting them adjusted.

3. The expenditure will be debited to the appropriation under "37.Education - 1.Primary - Grants to local bodies for primary education - A.Local Bodies 1.Ordinary Areas 1.Teaching" - Authorised in the Annual Estimate of Expenditure for 1945-46.

4. The Presidents of District Boards should report through the D.P.I. in April 1946 the actual expenditure incurred on the scheme of compulsory Elementary Education in 1945-46 with details under several heads such as, opening of schools; employment

of teachers; appointment of peons and conductresses; supply of books and slates to school children. The Director is requested to scrutinise the particulars furnished by the Presidents District Boards and to report to Government whether any further subsidy should be paid to the District Boards towards the cost of the scheme for 1945-46. or whether any portion of the outlay now paid should be recovered.

Note

Before more than a year has elapsed since the Finance Dept. suggested that the possibility of raising the rate of Edn. tax in the villages selected for compulsory edn. should be considered before a subsidy is paid, the case of the three Dt. Boards (Chittoor, North Arcot & South Arcot) have already been discussed

discussed when the first payment was made. In so far as Chittoor & South Arcot are concerned the decision was that no separate enhancement was necessary. As regards North Arcot the rate of edn. tax is proposed to be raised from 12 to 14 pies in the whole Dt. from fasli 1346 & the case of Trichy also be now considered. Here also the intention is to raise the rate of tax in the whole Dt. from 12 to 14 pies from 1.7.46. In the circumstances no action is called for now on the question of enhancement of tax in the villages selected for compulsory edn.
