Municipal Council, Saidapet.

prmp Submitted.

2) The amounts shown against "Collection charges" on the receipts side, both in the Revised Estimate for 1945-46 and Budget Estimate for 46-47, should be transferred to the expenditure side and shown against "Education tax - collection charges" under "Staff".

6095 *prmp*
3) The total expenditure under "ordinary" in the Revised Estimate for 45-46 is in excess of the sanctioned budget. Sanction of Government is necessary for the increased expenditure.

4) Budget Estimate for 1946-47.

prmp
The credit taken for Government grant under Section 37 of the Madras Elementary Education Act is liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1945-46.

5) The total receipts under "Ordinary" have been wrongly struck down. The correct total is Rs.31,110/-.

6) The accommodation provided for three boys' schools is quite inadequate and unsuitable. The Muslim Girls' School building is in a bad state of repair. The building housing the non-muslim girls' school is unsuitable for school purposes. The management has not taken any steps to rectify these defects although they were pointed out last year.

7) The girls' schools are in need of some additional equipment.

8) Leave salary and dearness allowance are paid.

Marked variations between the Budget Estimate for 1946-47 and the Revised Estimate for 1945-46 explained.

Education Tax.

A slight increase of about Rs.280/- is expected in the collections for 1946-47.

School Fees.

No change.

Contribution from General account.

A sum of Rs.6000/- is provided as contribution from General funds as was done in 1944-45. Since the General accounts and Elementary Education Accounts close with a minus closing balance of Rs.5802 and 6788 respectively credit has been taken from the arrear toll compensation payable in 1946-47 towards the minus closing balance ~~for~~ Rs.6522/- under General account and for Rs.6788/- under Elementary Education funds. Hence no more contribution from General funds is possible.

Masters.

Salaries and Allowances.

Provision of Rs.16325 as against Rs.15200/- in the Revised Estimate for 1945-46 is made in view of the additional provision for 5 additional Elementary Higher Grade teachers for the existing and the proposed schools.

Contingencies.

House rent.

The increased provision is due to the additional provision for two new schools to be opened during the year at Guindy and Tanepet.

Certified that the provision made in the Budget in regard to staff, equipment accommodation etc. is based on the actual requirements of each school with reference to the recommendations of the Inspecting Officers as far as funds permit.

Note: Dearness allowance and presidency allowance at the rates admissible to Government servants are provided both in the revised Budget and Budget Estimate to all subordinates.

5. Contribution from the General Account to the Elementary Education Account:

1945-46	1945-46	1946-47	Amount approved in
B.E.	R.E.	B.E.	1942-43.
Rs.	Rs.	Rs.	Rs.
4,400	12,000	6,000	4,500

The contribution of Rs.12,000 provided in the R.E. for 1945-46 may be reduced to Rs.4,400/- the amount approved in the Elementary Education budget of the council for 1945-46 and that provided in the B.E. for 1946-47 may be reduced from Rs.6,000/- to Rs.4,500/- With these reduced contributions the E.E.Acct. is expected to close with a deficit of Rs.6,888/- at the end of the current year and of Rs.9,100/- at the end of the next year. In G.O.No.1623 Edn. dated 12-10-45 the Council has been permitted to adjust Rs.4,001/- to the E.E.Acct. from the arrear toll compensation of Rs.20,586/- sanctioned in the current year. The above deficit of Rs.9100/- has been arrived at without taking credit for the sum of Rs.9215/- 4001/- referred to above but after taking credit for Rs.6700/- out of the arrear toll compensation of Rs.20586/- likely to be sanctioned to the council in 1946-47. But of the arrear toll compensation for 1945-46 there will be a balance of Rs.4873/- after meeting the deficit expected in the General Account at the end of the next year. If this sum of Rs.9215/- and the sum of Rs.6700/- already taken credit for by the council under the E.E.Acct. in the B.E. for 1946-7 are excluded there will be a balance of Rs.4671 in the arrear toll compensation for 1946-47. The council may be permitted to adjust the entire balance of Rs.4,873/- in the arrear toll compensation for 1945-6 towards the deficit in the E.E.Acct. at the end of the current year. Then the E.E.Acct. for 1946-47 will open with a deficit of Rs.2015/- and close with a deficit of Rs.4227/- The council can avoid the entire deficit anticipated at the end of the next year from the balance of arrear toll compensation (Rs.4671 referred to above).

14.(a) Closing balance: R.E. for 1945-6: The R.E. for 1945-6 as framed by the council closes with a balance of Rs.8318/- under the General Account Ordinary. If it is revised with reference to paras 4 and 5 above, the anticipated balance at the end of 1945-6 will be converted into a deficit of Rs.15,713/- against the prescribed minimum balance of Rs.8100 without taking into account the arrear toll compensation of Rs.20,586/- sanctioned to this council in the current year. The council may be permitted to adjust to the General Account Rs.15,713/- out of the arrear toll compensation of Rs.20,586 to wipe off the deficit. The balance of Rs.4,873/- may be adjusted towards the deficit anticipated in the Ele. Edn. Acct. 5 on p.2 ante.

(b) B.E. 1946-47: The B.E. for 1946-47 as revised with reference to the foregoing paras, closes with a deficit of Rs.9,215/- under the General Acct.Ord. against the prescribed minimum balance of Rs.9510/- without taking into account the arrear toll compensation of Rs.20586/- likely to be sanctioned to the council 1946-47. The council may be permitted to draw Rs.9,215/- out of the arrear toll compensation for 1946-47 to wipe off the deficit expected in the General Acct. at the end of the next year. If this sum of Rs.9,215/- and the sum of Rs.6,700/- already taken credit for by the council in the B.E. for 1946-47 out of the arrear toll compensation in the arrear toll compensation for 1946-47 which may be required to meet the remaining deficit in the E.E.Acct. at the end of 1946-47. The council may be directed to secure the prescribed minimum balance in the General Account by retrenchment in expenditure.

In the B.E. for 1946-47 the council has provided for a capital expenditure of Rs.7000/- (Rs.3000 under communications and Rs.4000/- under Preventive Medicine) from the arrear toll compensation likely to be sanctioned in the next year. As the entire arrear toll compensation for 1946-47 will be required to meet the deficits expected in the General and Ely.Edn. Accts. at the end of 1946-47 the council may be asked to delete the entire provision of Rs.7000/- made for capital expenditure.

Sum of Rs.9215 with required out of the arrear toll compensation for 1946-47 towards the deficit expected in the E.E.Acct. at the end of the next year.

Ref. No. 112-E-E/39.

Order—No. 960, Education, dated 2nd May 1939.

Two scales of pay, viz., Rs. 45-2-2-75 and Rs. 30-2-2-50 are now in force for pandits in secondary schools under district boards and municipal councils irrespective of whether they are employed in complete or in incomplete secondary schools. In exercise of the powers conferred by sub-section (3) of section 67 of the Madras Local Boards Act, 1920, and sub-section (3) of section 70 of the Madras District Municipalities Act, 1920, His Excellency the Governor now directs that the scale of pay for pandits employed in incomplete secondary schools, i.e., schools which do not have the VI Form, shall hereafter be the lower of the two scales of pay mentioned above, namely, Rs. 30-2-2-50. These orders will not adversely affect existing incumbents, who should be absorbed in vacant posts of pandits in complete high schools wherever possible.

(By order of His Excellency the Governor)

G. H. COOKE,
Secretary to Government.

To the Commissioner, through the Chairman of Municipal Council, Nellore.
Executive Authorities of other Municipal Councils through Chairmen.
Presidents of District Boards.
Director of Public Instruction.
Examiner of Local Fund Accounts.
Inspector of Municipal Councils and Local Boards.

The question of bringing Saidapet within the limits of the Madras Corporation is under consideration. If the amalgamation takes place by April next, the orders passed on the B.E. for 1946-47 will cease to be operative. As the date of amalgamation is not known, it is safer to pass orders both on the R.E. and on the B.E. of the council.

2. Revised with reference to paragraphs 2, 4, and 5 on pp. 1 and 2 ante, the R.E. for 1945-46 under the General Account-ordinary closes with a deficit of Rs. 15,713/- Out of the arrear toll compensation of Rs. 20,586 for the current year, a sum of Rs. 15,713/- may be adjusted against this deficit.

3. The R.E. under the E.E. Acct. also closes with a deficit of Rs. 6,888/- The balance available out of the arrear toll compensation grant viz., Rs. 4,873/- may be adjusted towards the deficit. E. & P.H. will have to find ways and means of wiping off the uncovered deficit in the account.

4. The B.E. for 1946-47 under the general account will start with a nil balance and close with a deficit of Rs. 9,215/- The council may be permitted to draw an equal amount from the arrear toll compensation for that year and meet the deficit. It should take steps to secure the minimum balance by retrenchment in expenditure. As the B.E. for 1946-7 under the E.E. Acct. closes with a deficit the balance of the arrear toll compensation viz., Rs. 4,671 may be utilised to meet that deficit.

B. E - 1946-47 - E. E. fund - U. cl, Saidapet.

C No. 6095C/46 From the D.P.T., R.O.P. No. 56B3/45-46, 4/25.1.46
The R.E. for 1945-46 and the B.E. for 1946-47 of the E.E. fund of the U. cl, Saidapet, call for the following remarks:

2. R.E. for 1945-46 (i) The credit taken for

Contribution from general funds is Rs 12,000 against Rs 4,400 in the sanctioned budget. In their note on the general fund budget of the cl, the L.A. dept have stated that the credit contribution should be reduced to Rs 4,400. The suggestion of L.A. may be accepted.

(ii) In G.O. 1623 Edw, 4/12.10.45, the cl was asked to adjust to its E.E. fund a sum of Rs. 4,000 from the arrears toll compensation grant sanctioned to it. The cl has not taken credit for any amount under this head and the R.E. is expected to close with a deficit of Rs. 6884.

In their note on the gl fund budget of the cl, the L.A. dept have stated that a sum of Rs. 4,873 will be available from the arrears toll compensation grant to meet a portion of the deficit referred to above. If the sum of Rs. 4,873 is adjusted, the deficit will be reduced to Rs. 2,011. The L.A. dept have stated that after adjusting the balance in the arrears toll compensation grant to the

general fund account, that account is expected to close with a nil balance; they have suggested that this dept may consider other ways of wiping off the remaining deficit in the E.E. fund. (It may be noted that there is no scope for raising the rate of edu. tax in the city). A subsidy of Rs. 2,011 may be paid to the cl in the current year. If, after the audited accounts of this year are available, it is found that there is an actual balance in the E.E. fund, the subsidy now proposed to be paid may be recovered to that extent. L.A. have stated that the deficit in 1946-47 can be met from the arrears toll compensation grant.

(iii) The provision made under the head

2 (1-5) H 713
 Expenditure - Ordinary "is in excess of that in the sanctioned budget. As the increase is mainly due to the payment of dearness allowance at enhanced rates, the provision made for excess expenditure may be approved."

300 B.E. for 1946-47 (i) The credit taken under the head "Govt. grant under the section 37 of the E.E. Act" may be reduced from Rs 5,460 to Rs 5,360 with reference to the credit taken for education tax and the provision made for refunds in the R.E.

(ii) The credit taken for contribution from G.F. funds is Rs. 6,000. In their note on the general fund budget of the cl, the L.A. deptt have stated that the contribution should be reduced to Rs 4,500. The actual contribution

(iii) Revised with reference to the suggestions above, the B.E. and deleting the credit taken for a sum of Rs 6,788 under the head "Amount adjusted from arrears toll compensation grant", the B.E. is expected to close with a deficit of Rs 9,122. The L.A. deptt have stated that this deficit can be met from the arrears toll compensation grant likely to be sanctioned to the cl. next year.
