Sir,

Sub:- Allowance to Sri G.F. Amalanathan, Assistant Superintendent, Government Press for supervising printing of electoral rolls and High Court printing work in private presses - sanction requested -

I have the honour to state that in connexion with the entrustment of the work of printing electoral rolls of the Madras Provincial Legislature and that of the High Court records to a large number of private presses situated in different parts of the city I have asked my Assistant Sri G.F. Amalanathan who is in charge of these departments and is well acquainted with the work to frequently visit the various presses in the city to force the work forward since the beginning of February 1946, to watch the progress in their execution and completion within the prescribed period and for publication in time of the preliminary and final rolls. He will have to continue to do this till the necessity for resorting to printing in private presses ceases. As this entails much travelling in his car and as he has to incur additional

additional cost by way of petrol, oil, maintenance, etc., it is but fair that he should be suitably compensated therefor as his travelling is in the interest of public service. I would recommend therefore that Government may be pleased to grant him from 1st February 1946 a car allowance of Rs 50/- per mensem until such time as printing in private presses ceases. In this connexion I have to state that a similar allowance was sanctioned in G.O. No. Ms. 1087, Edn., dated 12th May 1938. The increase over the previous rate now proposed is justified not only on account of the abnormal increase in the maintenance charges of a car but also due to the fact that his itinerary is spread throughout the city ~~and~~ also chasing after two works, unlike on the previous occasion.

C.No.11334.F/46. From the S.G.P., No.82.Mis. dated 22/2/46.

GOVERNMENT PRESS - Allowance to Sri G.F.Amalanathan, Assistant Superintendent for supervising printing of electoral rolls and High Court Printing work in private presses.

The Supt. Govt. Press recommends that Sri G.F.Amalanathan, Asst.-Supt. Govt. Press may be granted a car allowance of Rs.50/- per mensem for visiting a large number of private presses in the City in connection with the printing of electoral rolls of the Madras Provincial Legislature and that of the High Court Records from the beginning of Feb. 1946. As the Government Press does not give necessary out turn of printing records to the High Court, a portion of the work has been entrusted to the private presses in the City and the Asst. Supt. has to be in constant touch with the private presses in the city for getting the requisite printing materials in time.

In 1938, the Government sanctioned a car allowance of Rs.20/- per mensem and to the same Assistant Superintendent for visiting the private presses in connection with the printing of electoral rolls. But on this occasion, the Supt. recommends a car allowance of Rs.50/- on account of the abnormal increase in the maintenance charges of a car, but also due to the fact that he has to attend also to the High Court printing in private presses.

For orders whether the S.G.P.'s proposal may be supported in this Department. Public (Elections) and Finance may see for early remarks. *begn circulate*

Public (Elections) Dept.

The file has come to this Dept. because one of the reasons for recommending the grant of the car allowance of Rs 50/- to the Assistant Superintendent, Govt. Press, is that the work of printing the electoral rolls of the Provincial Legislature has been entrusted to private presses and that the Assistant S.G.P. has to visit the various presses in the city in order to expedite printing

of Electoral Rolls and the High Court Records in the private presses in the City. It is hoped that substantial improvement will be brought in the out-turn of work.

2. The S.G.P. should have obtained the sanction of the Govt. for the arrangement made by him for supervising the work of private presses by the Asst. Supt. of the Govt. Press.

and ensure publication on due dates. In his letters on pp. 39-42 c.f. in the ^{linked} top file, the S.G.P. undertook the printing of the electoral rolls of the constituencies mentioned in them and suggested the printing of the rolls of ~~all~~ ^{to be entrusted to} other constituencies ~~at~~ private presses. ~~from the S.G.P.~~ It has been ascertained by A.S. over the 'phone that the printing undertaken by the S.G.P. for the constituencies mentioned on pp. 39-42 c.f. includes the work ^{to be} entrusted by him to private presses in the City. The printing in English and Telugu ^{is} being done at Govt. Press and a ~~fair~~ ^{entirely} fair proportion of the Tamil roll ^{has been} being entrusted to 9 private presses. ~~Special~~ High rates have been offered to private presses to induce them to take up the printing of the electoral rolls and ~~for~~ these presses require constant and effective supervision so as to make them printing the rolls for publication on the dates prescribed. It is therefore necessary that an officer of the Government Press should constantly supervise the progress of the printing of the rolls at private presses. In the circumstances, this Dept. may support the proposal of the S.G.P.

The file may be passed on to Finance.

Fin (Exp. C.)

In the circumstances stated in Public (Election)'s note above, Finance may perhaps agree to the grant of a conveyance allowance of Rs. 50 p.m. to the Assistant Superintendent, Government Press from 1st February 1946 until such time as printing in private presses ceases. But the S.G.P. may be told that he should have obtained the sanction of Govt. for the arrangement made by him for supervising the work of private presses.

The conveyance allowance proposed will presumably be granted only for the period Mr Arinathan attends to

the printing of electoral rolls in private press. (i.e. from 1.2.46 to 30.4.46). In the order sanctioning the proposed conveyance allowance, this may be made clear.

yes; but the rate proposed seems too high. In 1938, an allowance at the rate of Rs 20 p.m. only was sanctioned towards the cost of petrol used by the Officer for his car for visiting private presses. Granting that some increase is necessary, an allowance at the rate of Rs 30 p.m. seems sufficient.

Finance agree to the payment of a conveyance allowance to Mr Arinathan Asst. Supr. Govt. Press for visiting private presses in the city in connection with the printing of Electoral rolls. High Cost records in private presses. In S.G.P. records a conveyance allowance of Rs 50 p.m. in view of A on 1-2-46. Public Election & this Dept. support the proposal of the S.G.P. For order sanction the allowance of Rs 50 p.m. to the Asst. Supr. may be pressed in circulation. The file may be circulated to A & A.

The Finance note at A and B may be passed.

A). The advance made by S.G.P. lets me hit the allowance is needed for 3 months, from 1.2.46 - to 30.4.46. The

work was entrusted to Mr. Malabon then
paid to 1.2.46, but he is asking for his allowance
and from that date

3) The allowance is not for Petil alone.

The office is not one of those expected to
maintain a car out of his own salary, and
the cost of oil, wear and tear, maintenance
charges etc. have to be taken into consideration.

If we are strict one a make tickets,
it will be very difficult to get the station
work and High court work done. I have had a
full discussion with the S.G.P. and am convinced
that Rs 50/- is the minimum allowance that
must be sanctioned. ~~The tickets~~

11.3.46

An allowance of Rs 50/- per month may be sanctioned
for 3 months from 1.2.46. These private
cars require constant attention to keep
them up to the mark.
