Letter from Sri Diwan Bahadur V. N. Viswanatha Rao, M.A.,
B.L., Collector of Tinnevely, W.4-572/45, dated 31st August
1945.

A. Abdul Kader Sahib now residing at Viravanallur is an
evacuee from Rangoon and is receiving allowance of Rs.30 per
mensem for the maintenance of his family consisting of himself,
wife and five children. He was a grocery merchant in Rangoon.
In January 1945 he applied for grant of financial assistance
for the education of his son A. Muhammad Hasan studying in the
Junior Intermediate class during 1944-45. He is reported to
earn Rs.10/- monthly by mat weaving. He has no other sources
of income. The Tahsildar reports that but for evacuation the
son would have been given the course of University studies
which he has now undertaken and that there has been deteriora-
tion in the financial status of the evacuee due to evacuatio-

grant of financial assistance to the refugee student as shown

The student would have to attend the College for a period of about 9 months only in a year. I am of opinion that a sum of Rs. 100/- would have been sufficient for one meal daily during the period of his attendance in the College and recommend that the Government of India may be addressed to sanction an allowance of Rs. 215/- to A. Mohammad Hsan for his University studies during 1944-45 disallowing the claim for the cost of Railway Season Ticket.

The petition of A. Abdul Kader Sahib and a copy of the remarks of the District Educational Officer, Tinnevely in his R.C. No. 74(8)45 dated 19th August 1945 are submitted herewith.

Ref. Govt. Memorandum No. 41597-B/45-1 Ean. dt. 24/9/45.

A copy of the report of the Tahsildar Ambasanudram in his B6.1061-45 dt. 27/4/45 and a copy of his report in his B6.1061-45 dt. 18/10/45 are enclosed.

It is reported that A. Abdul Khadar managed to meet the educational expenses of his son A. Muhammad Hasan during 1944-45 by raising a loan of Rs. 350/-. The student is now continuing his studies in the Senior Intermediate class in the same College in this year 1945-46.

The Principal of the College has since verified the books actually purchased by the student and reported that one book the History of Rome by Woodhouse has not been purchased and its value is Rs. 5/4/0 and that he possesses only a second hand copy of Bury's History of Greece which can be valued at Rs. 4/8/0 only while the cost of a new book viz. Rs. 9/- was furnished in the original list and has certified that all the books purchased are necessary. Hence a sum of Rs. 39/3/0 (Rs. 48/15/0 minus 9/12/0) only being the cost of books actually purchased has to be provided for books in the grant applied.

No application has been made for financial assistance in 1945-46 but the evacuee is under the impression that the allowance for 1944/45 will be continued for the subsequent year also without application. I am informing the applicant that a separate application should be submitted through the Principal of the College for any financial assistance for the academic year 1945-46 if required.
