Education and Public Health Department.

Sir,

Ref: My Endorsement R.C.2879-B/44 dated 6--3--1946.

In my reference quoted above, I recommended the payment of a non-recurring subsidy of Rs.8,561/- to the District Board, South Arcot. The President in his letter DL-6116/45 dated 27-2-46, - copy already submitted to Government - reports that an additional expenditure of Rs.7,800/- will be incurred before the end of March 1946. I therefore recommend that the non-recurring subsidy already recommended may be raised (by Rs.7,800/-) to Rs.16,361/- as detailed below pending final adjustment in 1946-47.

Please see the draft order on pages 1-3 above.

According to the orders in G.O. 1224 Edn., d/ 11-3-45, the non-recurring subsidies towards <sup>the</sup> cost of buildings and equipment are to be paid on the basis of vouchers after the expenditure has been incurred. While the North Arcot Dt. Board has incurred expenditure necessary to claim a subsidy of Rs 14,800, the other two Dt. Boards have not incurred expenditure equal to the subsidy proposed to be sanctioned but expect to incur the expenditure before the end of the current year.

As the grant of advance subsidy is not <sup>advisable</sup> permissible, the utmost concession that need be allowed is to give a subsidy equal to two-thirds of the anticipated expenditure instead of a subsidy equal to the full amount of such expenditure. For a precedent

where such subsidy was sanctioned, vide G.O. No. 1676 Edn., dated 22-10-45. According to the above suggestion, the subsidy

to be given to the Trichinopoly Dt. Board and South Arcot Dt. Board may be altered from Rs 5,000 and Rs 7,800 to Rs 3,330

and Rs 5,200 respectively. The subsidies will, of course, be subject to adjustment in 1946-7 with reference to the actual

expenditure incurred in the current year.

Subject to the modification suggested above the draft order

may be accepted.
