Education - Elementary - Introduction of compulsion - Provision of midday meals to poor pupils.

Ref: Your Rs.No.1266-B/44 dated 1-2-1946.

Mid-day meals committees have been formed in all the centres and office bearers also have been elected. Only in Ambasamudram and Nanguneri Mid-day meals are being provided to poor children from 1-2-46. In other places the committees have not begun to function as yet. According to the figures furnished by the Deputy Inspectors of the Various ranges, the total number of children to be fed comes to Rs.5636 which works out to Rs.12,967--5--0 at 0-1-9 per child per day.

As it is only in the initial stage and as all the committees have not commenced functioning it cannot be stated that the entire number of children will be fed. Hence a sum of Rs.6000/- will approximate be required for February 1946.

**

In continuation of my letter quoted above I have the
honour to submit herewith a statement showing the subsidy payable
to six District Boards for incidental charges in connection with
the supply of midday meals, as required by Government. The varia-
tions between the figures in columns (4) and (5) are mainly
due to the fact that the actual supply of meals was made to a
considerably smaller number of pupils, than the number fixed for
the centres concerned.

2. Particulars for the remaining 8 districts will be
submitted on receipt of details of meals supplied and the number
of days of supply from the Presidents concerned.

Sir,

Sub:- Education - Elementary - Tinnevely District - compulsory
areas - supply of midday meals to poor pupils - 1945-46 -
balance grant of Rs.212-9-0 - sanction requested.

The Government were pleased to sanction an advance grant of
Rs.12,000/- in G.O.No.584 dated 15-3-46 for the supply of midday meals
to poor children in the compulsory area in Tinnevely District for 45-46.

The amount actually spent as per bills adjusted is Rs.6580-9-0
during 45-46, whereas the Government in Memorandum No.36577-B-2-1 Edw.,
dated 5-7-46 have sanctioned a subsidy of Rs.6,368 - and ordered refund
of Rs.5,631/- This latter amount has been accordingly refunded to Pro-
vincial funds as reported in this office letter No.D.8.8533 dated 10-8-46.

19
Tinnevely District Board Office,
Dated the 3rd December 1946.

(11)

20

The expenditure of Rs.212-9-0 over and above the subsidy (Rs.6,580-9-0 minus Rs.6,368-0-0) has been incurred from District Board funds. This increased expenditure is on account of the incidental charges. As the scheme was only in the initial stage, it was not possible for the Chairmen of midday meals committees to restrict the expenditure under the item. Further the increase is only due to inflated prices of articles and wages and local conditions and scarcity and not due to want of economy.

I request therefore that Government may be pleased to sanction subsidy for the increased expenditure of Rs.212-9-0 under incidental charges incurred during 1945-46.

The maximum subsidy admissible to the Board has already been adjusted in Government Memorandum No.36577 B2-1 Edn., dated 25-7-1946. The Special Officer may therefore be informed that the District Board is not entitled to any further subsidy.

3. The actual expenditure on the supply of midday meals as reported by the President in his letter R.C.No.8533 D8/46, dated 19-6-1946, submitted to Government with Director's endorsement R.C.No.1266 B/44, dated 5-7-1946 was Rs.6582-3-8. It is now reported to be Rs.6580-9-0. The Audit Department may be instructed to scrutinise the accounts very carefully, as it appears that the accounts are not maintained properly and correctly.

The Government were pleased to sanction an advance grant of Rs.12,000/- in G.O.No.584 Edn dated 15-3-46 for the supply of midday meals to poor children in the nine compulsory area centres in Tinnevely District introduced in 1945-46.

only in 4 centres meals were actually supplied during 1945-46 and in the rest later. The total expenditure as per bills adjusted is Rs. 5580-9-0 whereas the Government in Memorandum No. 36577 B-2-1 Edn dated 25-7-46 sanctioned a subsidy of Rs. 6368/- and ordered the refund of Rs. 5652/-. Hence an excess amount of Rs. 212-9-0 has been spent from District Board funds. This increase is under incidental charges. The Government while sanctioning the subsidy have taken into account the figures furnished as cost of food stuff and fuel charges viz., 5053/- for cost of meal, and against a total expenditure of Rs. 1528-15-2 on the balance items have paid only Rs. 1,315/- calculated at 3 pies per pupil on the total number of children fixed for the respective centres under cost of meals against a sum of Rs. 5537-14-0 due calculated at 0-1-6 per pupil, a sum of Rs. 5053/- alone has been sanctioned. Thus it will be evident that the expenditure under this item has been limited. A detailed working sheet is enclosed.

No.D-3-8533-46 dated 3-12-46 to sanction the balance grant of Rs.212-9. The Government in reply in their Memorandum No.76989-B-2-1-Tdn dated 20-12-46 stated that the District Board is not entitled to any further subsidy.

In this connection, I have to state that while the Government sanctioned the supply of midday meals in Memorandum No. 32083-A-5-Edn dated 1-9-45, they stated that out of the sanctioned rate of Re.0-1-9, Re.0-1-6 represents cost of meal and the balance of 3 pies incidental charges. Detailed classification and other instructions were received only subsequently, communicated in G.O.No 924 Edn dated 2-2-46 and the like. Hence proper instructions had to be issued to the chairmen only later as to what items would come under meals and incidental charges.

As already stated, the increase is under incidental charges. This latter amount could not be restricted by the Chairmen of midday meals committees for reasons beyond their control, on account of inflated prices, increase in wages, scarcity and local conditions.

It is therefore requested that the Government may kindly be pleased to reconsider their orders and sanction the subsidy of Rs.212-9-0 or to condone the expenditure as a special case, as otherwise the same will have to be recovered from the Chairmen concerned who are doing an honorary work with a philanthropic spirit and that will kill the zeal in the public for service.
