Ref: G.O. No.2163 Education dated 20--12-1945.

I have the honour to state that the time allowed in the G.O. quoted above for the purchase and supply of books and slates to poor pupils and for claiming a subsidy therefor is very short and that most of the local bodies have not actually incurred any expenditure, though they have made the necessary arrangements for incurring the expenditure. Some local bodies have actually incurred a small expenditure and others report that the expenditure will be incurred before the close of the current financial year, immediately on receipt of supply from the dealers or contractors. I, therefore, recommend that subsidies be sanctioned to local bodies to cover the expenditure actually incurred and the probable amount required for payment during the current financial year, subject to the condition that the advance

advance is finally adjusted during 1946-47. On this basis the amount of subsidy recommended for payment to the several District Boards is shown in column 5 of the annexure to this letter.

2. Certificates of actual expenditure furnished by the President, District Boards Cuddapah, South Arcot and South Kanara are enclosed.

Sir,

Subject:- Elementary - Education- compulsory- Bellary District Board- New schools opened in the six compulsory areas- supply of - books and slates- Expenditure incurred- Reported - Sanction of subsidy- Requested.

Ref:-G.O. No.Mis. No. 2163, Education Dated. 20-12-45.

With reference to Government orders referred to above I have to state that an expenditure of Rs.2019-13-0 has so far been incurred by the District Board in respect of the supply of slates slate pencils and books as noted below. Sri. K.S.Karanth Puttur S.K. with whom an order was placed for supply of kanarese text books states that Sirigannada, Noothanapatamala and Hosagannada readers of 1st standard are out of stock and that he will supply them within a month. He has supplied only text books II, III & IV Readers (Sirigannada and Noothanpatamal) to the value of Rs.71-3-0 which has been paid to him. An order has been placed with the Proprietor Gousia Book Depot, Bellary for the supply of Urdu Text books for the use of compulsory Board Muslim Girls schools in the six compulsory areas. The supplier has informed that he will not be able to supply them within 28-3-46 as ordered and that he requires time till 15-4-46 for their supply. However the books that have not been supplied during the year under report will be supplied before the close of April next.

The amount shown below represent the actual cost of the supply of books and slates for the use of compulsory schools in compulsory areas. Owing to late receipt of indents from the Educational Inspecting Officers the supply could not be undertaken earlier. I therefore request that the Government be pleased to order the payment of subsidy to the extent of the expenditure incurred by the Board during the year as shown below.

4072 Medium size slates at Rs.3-12-0 per Dozen including delivery charges	Rs.1272- 8- 0.

Finance (Exp.-B)

The E.P.H. Dept. propose to sanction to the 14 Dt. Boards mentioned on page 2 CF. subsidies aggregating Rs 57,622 towards expenditure on the supply of books and slates to poor children attending elementary schools in areas where elementary education has been made compulsory. Under the ordersα governing the sanction of ~~subsidy,~~ these subsidies, they are to be paid with reference to the expenditure actually incurred by the Dt. Boards and no advance subsidies towards probable expenditure ~~are permissible~~ have been contemplated. Out of the total amount of subsidy, viz. Rs 57,622, a sum of Rs 3,690‡ alone represents expenditure actually incurred, while ~~as~~ a large ~~a~~ sum ~~as~~ Rs 53,932 ~~remains to be spent~~ represents anticipated expdr. In view of the fact that the orders were issued late in the year (on 20-12-45) the D.P.I. seems to consider that subsidies may be given to cover the probable amount which will be spent by the local bodies concerned. Though such advance payment is not contemplated in the G.O. at (C), Finance may agree, as a special case, to the sanction of subsidies† as recommended by the D.P.I. and E.P.H. Dept, subject to adjustment later. ~~and accept~~

put up in another file

The Government in their above memorandum have ordered to refund Rs. 5,000 sanctioned to this Board in G.O.No. 585 Edn., dated 15-3-46 towards the supply of books and slates to poor children in schools in Compulsory areas on the ground that no expenditure was incurred by the Board during 1945-46.

2. Orders have already been given to Rao Bahadur B.S.Tripurantaka Mudaliar on 21-3-46 for the supply of 6000 ~~good~~ slates. The supply was delayed for want of slates and non supply of wagons from Cudapah to Calicut. Today I have received a letter from him stating that 4560 slates are ready for delivery and the rest will be ready as soon as he gets the slates from Cudapah. He will have to be paid for them advance. Similarly atleast 6000 books have to be supplied soon as the schools are reopened after vacation. The cost of the supply of books and slates may come to more than Rs. 5,000. Hence the Government may be pleased to adjust that amount towards the ~~supply~~ Subs. to be sanctioned for 1946-47 for the supply of books and slates.
