LOCAL FUND AUDIT DEPARTMENT.

From: (Name) P. Mohan Rau, Esq., Examiner of Local Fund
Accounts, Kilpauk P.O., M A D R A S.

To: The Secretary to Government, Education & Public
Health Department, M A D R A S.

L.F.No. 5924 Dated: 12-11-45

Sir,
Sub:- Review of the replies to the Audit Reports on
the accounts of the Universities.

Under the existing procedure the replies to the
Audit Reports after approval by the Senate are forwarded
direct to Government and the same are recorded by Govern-
ment without an opportunity being given to the Examiner
of Local Fund Accounts to consider and offer his further
remarks on the explanations furnished by the Syndicate to
the several disputed objections. As it seems desirable
that the replies of the Syndicate should be scrutinised
by the Examiner with a view to see whether the objections
have been adequately answered or satisfactorily explained,
it is suggested that, if Government have no objection, the
Syndicate may be requested to submit replies to the Audit
Reports through the Examiner for review by Government.

I have the honour to be,
Sir,
Your most obedient servant,

P. Mohan Rau

Universities - Audit Reports - Replies of Syndicates - Submission to Govt. through the Examiner.

Under the existing provisions of the Madras, Annamalai and Andhra Universities Acts, the annual accounts of the respective Universities should be prepared and submitted to such examination and audit as the Govt., may direct. The accounts when audited, should be published by the Syndicate concerned, in the official gazette and copies thereof should, together with copies of the audit report, be submitted to Govt., who record them. The Examiner states that it is desirable that the replies of the Syndicates to the points raised in audit, should be scrutinised by him to see whether the objections have been adequately answered or satisfactorily explained and accordingly suggests that the Syndicates may be requested to submit replies to audit reports through him.

2. The Examiner's suggestion seems reasonable but it involves a change in the procedure prescribed by the respective Acts. It does not appear that mere executive orders would be sufficient. An amendment of the respective Acts may be undertaken only when a general amendment comes up for consideration and not in respect of this single item. The suggestion of the Examiner may be given effect to by the Govt. referring to him the copies of the accounts and of the audit reports and the replies to the audit reports submitted by the Syndicates, to the Government. The Examiner may be requested to state whether it will not be sufficient if this

any charges arising in respect of the provision of accommodation, messing, etc., and will receive allowances in respect thereof from the India Office (see paragraph 12).

8. Officers of Asiatic domicile attending the senior officers' course may apply for the grant, at its termination, of any study leave, combined, if so desired, with any other kind of leave which may be due to them. Applications together with the programme of the course of study which it is proposed to undertake should be submitted to the India Office in the case of officers in military employ, and to the High Commissioner for India, General Department, in the case of officers in civil employ, at least two months before the termination of the senior officers' course. If the course of study contemplated is approved, and the exigencies of the service permit, study leave combined with any other leave admissible will be granted. In no case will an officer be permitted to be absent from India for a period exceeding two years. At least three months before the termination of their leave, such officers should apply to the Under Secretary of State for India for free passages to India.

9. In the event of it being necessary to refuse the grant of study leave to an officer of Asiatic domicile after the termination of the course, he will be eligible for free passages during his service for the purpose of United Kingdom on one occasion during his service for the purpose of taking study leave. Similarly, an officer of Asiatic domicile who is precluded from attending the senior officers' course at Millbank by reason of his seniority, will be eligible for one free passage to the United Kingdom and back during his service, when proceeding on study leave. The concession of free passage will not be extended to officers' families. Officers of Asiatic domicile who, while attending the course, do not apply for study leave will not be eligible for another free passage when they take study leave subsequently.
