Total recurring and non-recurring subsidy recommended.			Rs. 13,143/-.

The small variations are due to incorrect calculations in pay and dearness allowance of certain teachers. The expenditure on the office staff should be debited to the elementary education fund of the District Board and it is therefore disallowed.

3. The President, District Board states that orders have been placed for the furniture for all schools which are newly opened and where there are additional hands provided and that the approximate expenditure would come to Rs. 9,100/-. He also reports in his letter dated 15-2-46 that it is expected that the supply will be completed and that the payments can be made before 31-3-46. Hence it is recommended that a sum of Rs. 9,100/- may be sanctioned under non-recurring item subject to adjustment in 1946-47.

Education - Elementary - Introduction of compulsion in certain areas - Malabar District Board - payment of subsidy - requested.
Your Rc.No.2879-B/44 dated 11-12-45 and 4-2-46.

In continuation of my reference E1-2271/45 dated 29-1-46 I am enclosing all particulars that are available so far with reference to your No.R.C.2879-B/44 dated 4-2-46, in the prescribed form. The total number of appointments so far made consequent on the introduction of compulsory education is 93 including those made in newly opened schools. Most of them will join duty in due course. I have already made fresh appointments in cases where those already appointed have not joined duty. But their joining reports have yet to be received. I, therefore, request again that I may be allowed to communicate to you the statement relating to the 32 teachers by the end of this month.

2. A new boys school at Vallur in the Panchayat Board area at Pattambi in Walluvanad Taluk will be opened on 18-2-46 with four teachers. Arrangements are being made to open the remaining schools also as recommended by the educational authorities. Orders have

Elementary - Education - Compulsion - Subsidy - 1945-46 - Adjustment - Further particulars furnished.
R.C.2879/B.44, dated 16--5--46 of Director of Public Instruction.

The figures furnished are the actual amounts spent and they are correct. When the new scales of pay for Elementary School teachers were introduced in 1935, the Malabar District Board was permitted to pay Higher Elementary grade teachers at Rs.15/-per mensem for the first 3 years of their service, the scale of pay sanctioned by Government being given effected to only after they complete 3 years of service. Hence new Higher Elementary grade probationers recruited in the Compulsory Schools were paid Rs.15/- as pay and 16/-as Dearness Allowance. This system has been discontinued with effect from 1--4--46. Therefore from 1--4--46 all Higher Elementary Grade teachers will be paid the minimum of Rs.20/-. But the figures of expenditure supplied relate to this period before 1--4--46. Hence the figures are correct and may kindly be accepted.
