 Secretary,

To - The Secretary to the Government of Madras,
 Education and Public Health Department,
 Fort St. George, M a d r a s.

Sir,

Sub:- SOLDIERS' FREE BOYS' HOSTEL AT VELLORE.
 Ref. your memo No. 35180-C/45-3 dated 10 Aug. 1945.

The question was considered at the 9th meeting of this Board held at Fort St. George on 4 Oct. 45. It was considered that the failure of the hostel scheme was due to the fact that so many of our soldiers are unmarried or have children too young for admission to the hostel. It was felt that were the concession extended to cover all the dependants of Ex-Servicemen and not children only, there would be no difficulty in obtaining the required number.

I am to ask that Government may please give consideration to this proposal.

Your obedient servant,

E.G. Phythian-Adams

 Secretary, Madras Provincial Sailors', Soldiers' & Airmen's Board (Lieut-Col. E.G. Phythian-Adams)

For the origin of the free boys' hostel at Vellore, please see the note at pp. 47-50 N.F., the Cabinet decision on p.51 N.F. and the order on p.103 C.F., of "K". The opening of the hostel had to be deferred as a sufficient number of eligible students were not forthcoming. The Madras Provl. Sailors', Soldiers' and Airmen's Board now recommends that as the difficulty in securing students for the hostel was because admission was restricted to children only of soldiers, the hostel may be thrown open to all dependants of soldiers. // In first proposing the opening of free hostels for soldiers' children, Major (now Lt.Col.) Phythian Adams recommended that they should be on the lines of the Bombay hostels, admissions to which were restricted to children only of soldiers. The D.P.I. in making his proposals for the opening of a free boys' hostel at Vellore recommended that the number of inmates in the hostel might be restricted to 200, preference being given to the children of soldiers. Obviously his intention then was that dependents of soldiers might also be admitted within the limit prescribed - please see "A" at pp.28-29 n.f. of "K". Put Mr. Ganne (then A.4) pointed out that the idea was to give free hostel accommodation to sons of serving soldiers. The note for the Advisers' meeting was accordingly prepared on this basis and the Cabinet decision also restricted the concession to children only of 'soldiers'. That order will have to be modified now if the recommendation of the Provl. Sailors', Soldiers' and Airmen's Board were to be accepted.

The Govt. have accepted the liability of running a free boys' hostel for 200 inmates at Vellore. The proposal to admit dependants of soldiers to the hostel does not involve any additional expenditure as in any case the number of inmates is not to exceed 200. In view of this and in view of the fact that all the other educational concessions sanctioned in connection with the war which has just ended are available

dependants as well as children of 'soldiers', the recommendation of the Madras Provl. Sailors', Soldiers' and Airmen's Board seems acceptable. If accepted, it can also be laid down that preference should be given to children of soldiers, as originally suggested by the D.P.I.

The question of extension of the 'Free Hostel' concession contemplated in G.O. 662 Education d. 29.4.45 to 'dependants' of Ex-servicemen is one of policy for the Govt. to decide. It may, however, be mentioned that the number of dependants on each Ex-serviceman may be many with varying degree of relationship to and claim for protection of the Ex-servicemen. It is not to be assumed that only deserving cases of dependants. If the concession is to be extended, it seems necessary to define the term "dependant" to ensure that only the most deserving dependants are admitted into the hostels. It may be requested to consider the suggestion in consultation with the D.P.I.

Dear Dr. Savoor,

FREE Boys Hostel, Vellore - Transfer of to
Madukarai.

I am desired to say that it is proposed to station the Madras Regiment at Madukkarai or at a place near to it and to establish a Madras War Memorial Hostel as part of and under the supervision of the registered centre. A copy of the scheme for the hostel is enclosed. It has been suggested that the Free Boys' Hostel at Vellore for children of soldiers sanctioned in G.O.No.662 Edn., dated 27-4-45, may be transferred to ~~Vellore~~ ^{Madukkarai} so that the military atmosphere may always be present. The Army would provide daily transport to Coimbatore to enable boys to attend the schools there.

I am to request you to offer your remarks on the very urgently suggestion and also to say whether arrangements have already been made for the opening of the hostel at

On hearing from you I shall instruct the District Educational Officer, North Arcot not to proceed with the scheme. It is desirable that the District Educational Officer should be appraised of this as early as possible.

The District Educational Officer, Vellore, who
was charged with the work of making preliminary en-
quiries reports that he gave full publicity to the
proposal to start the Hostel at Vellore both by pub-
lishing the news in the Gazette and by circulating it
among the officers and heads of institutions likely to
be of help and that only 6 applications were received.
More applications are likely to be received but it is
very doubtful if it will be possible to open the Hostel
with its full complement from June 1946, if 200 is
still regarded as the full complement.

I may be permitted to say that the proposal to
start the Hostel at Madukkarai needs very careful
~~exam~~ investigation before it is accepted in the Educa-
tional Department. Apparently the scheme is based on
the Mahratta War Memorial Hostel which has been pro-
nounced to be a tremendous success. As I have no
details before me it is not possible to institute a
comparison between the Mahratta Hostel and the Hostel
now proposed to be opened at Madukkarai. I feel that
it is educationally unsound to open a Hostel for 12
students whose ages vary considerably. Apart from
the inconveniences of running a Hostel for such a small
number of students coming from different castes and
communities with varying tastes in food and comfort,
one would also question the principle of selecting
these students to make them fit for the army, such
selection being based on the paternity of the students
and not on other consideration at all. A small hostel

of this type will not provide suitable conditions for the growth of healthy, moral, social and educational training as the boys will not be in satisfactory contact with other school fellows. The cost of running this Hostel will also be out of proportion to the number for whom it is intended.

Last year for want of sufficient number of candidates the few available boys were admitted into one of the existing school hostels. I consider that such of the students as may be available in 1946 may be given facilities to join the boarding house of any of the existing schools.

I am desired to say that the Govt have for the present dropped the idea of shifting the Free Boys' Hostel at Vellore to Madukkurai. The sanction for this hostel ~~will~~ therefore remain. The actual arrangements for the small number that come up for admission to the hostel this year may be as suggested in the last para of your DO. Govt. has accepted the responsibility of providing a Hostel for sons of Servicemen. No advantage is taken of the S. Vellu, possibly because it was not sufficiently advertised in the limits.

The difference between the Vellu Hostel & Col College's scheme

1) It has a military character & is a command of the Regiment. It is a Nalacani - taking an interest in the boys.

2) This Hostel is for the preliminary training to select boys to be fit for Commission.

3) The last number selected.

4) The hotel is in the village of Camp, so the village atmosphere may be always present.

Z/2 Please examine whether the scheme could not be combined with the hotel proposed for well as shifted to Madukarai. This depends on whether Madukarai is to be the Regimental Dep. A. up to 1700 Regiment.

A/ The action steps can be taken till this is settled.

Meanwhile in any case if the hotel could be a Madukarai in the Army and provide daily transport to CBE in order the boys to go to the school there.

In G.O. No. 662, Edn., d/27-4-45, the
Govt. sanctioned the opening of a Free Boys' hostel at Vellore,
North Arcot District, for 200 children (boys) of soldiers who
had served or were serving in the war. The hostel is to be

under the control of the D.P.I.,. The opening of the hostel had to be deferred as a sufficient number of eligible boys were not forthcoming. In G.O.No.60, Edn., d/8-1-46 the Govt. have directed that dependant brothers of soldiers including step-brothers and half-brothers may also be admitted into the hostel. It is expected that with the extension of this concession to brothers of soldiers there will be sufficient number of students to live in the hostel from the next school year.

The proposal now is that the hostel may be shifted to Madukkarai (Coimbatore Dt). One reason for establishing the hostel at Vellore was that North Arcot had sent in the largest number of recruits for the war. If the hostel is shifted to Madukkarai it is not likely that students from North Arcot can take much advantage of the hostel facilities. There is also no information as to whether the D.P.I. has already made arrangements for the opening of the hostel at Vellore from next school year. (i.e. July 1946). The hostel in Madukkarai will have a military atmosphere. For orders whether the D.P.I. may be consulted.

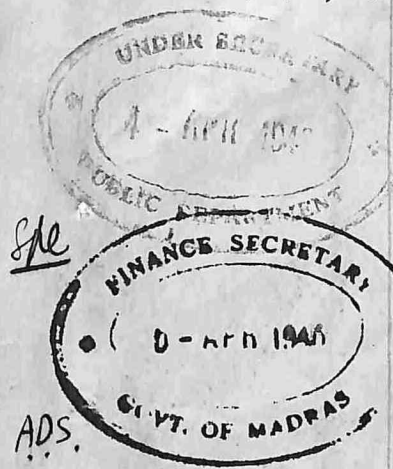

A draft D.O. is subd.

d. 30.3.46

Please see the D.P.I.'s reply on pp.23-24 c.f. He has no objection to the proposal subject to the conditions at "A" on p. 23 c.f. Condition (2) that the concessions already granted to the six students admitted into a hostel attached to one of schools in Vellore may be continued - may be accepted in this Dept. As regards condition (1), it is not clear why the support of the Provincial Sailors' Soldiers and Airmen's Board should be obtained. The Bd. has nothing to do with the financing of the proposed hostel at Vellore or the Memorial Hostel. It seems that it is the support of the authorities of the War Memorial Hostel that will have to be obtained, if at all. It does not, therefore seem necessary to consult the Bd. as proposed by the D.P.I. The proposal that the Hostel may be shifted to Madukkarai may be supported in this

Department. The file may be returned to Public. Finance should also see. Public may be requested to circulate the case to A.4 also.

Finance Department.

The case has been sent to this department with reference to portion A in the D.O. from the Director of Public Instruction on pages 23-24 C.F. and also portion A on page 10 above.

The Director of Public Instruction has not clearly stated how long the concession already granted to the six students admitted into the hostel attached to one of the schools in Vellore should be continued, nor has he explained whether it is not feasible to transfer the students to the hostel to be opened at Madukkarai. These points may perhaps be clarified.

Subject to the above remarks, the proposal may accepted.

It appears from X on p.1 c.f. that the Madras War Memorial Fund will bear all exp. on the War Memorial Hostel at Madukkarai. It is presumed that it is not proposed that this Govt shall bear any exp. on it. If so, it is not clear what is meant by the proposal to "transfer" the Vellore hostel, which has not yet been opened, to Madukkarai. It would appear that the proposal that this Govt should open a hostel at Vellore may be dropped, since the Madras War Memorial Fund proposes to run a hostel at Madukkarai. If it is contemplated that this Govt should incur any exp. on the Madukkarai hostel, details may please be given & the case may be sent again to Fin. for further exam. Pub (S.C.)

Public (S.C.).

Please see Finance's note on p. 11 ante.

2. The following points arise from Finance's note:-

(a) Whether and if so, how long the concessions already granted to the 6 students admitted into the hostel attached to one of the schools in Vellore, should continue; and

(b) Whether it will be feasible to transfer these 6 students to the hostel to be opened at Mudukkarai.

3. From 'K' on p. 1.c.f., it is seen that the Madras War Memorial Fund will bear all expenditure in connection with the hostel at Mudukkarai. If the proposal is to ~~transfer~~ ^{transfer the} hostel at Vellore to Mudukkarai, it would mean dropping this Govt's scheme to open an independent hostel at Vellore, as the Mudukkarai hostel will meet the requirements. It would however, appear that, while this Govt's scheme provides for the boarding and lodging of students to the extent of 200, the Madukkarai hostel contemplates provision for a far less number. The point will also arise whether if this Govt. ~~is~~ ^{are} to push on with ~~this~~ ^{the} scheme to the extent contemplated, they will agree to bear any expenditure on the Madukkarai hostel scheme.

4. E. & P.H. may be requested to address the D.P.I. w.r.t. ~~point~~ ^{in para 2} 2(a) and (b) ^{above} and also to offer their remarks, if any, on para 3.

Education & P.H.(C.1) Dept.

Para (3) above: This department understood the proposal to be that the Free Boys' Hostel should be established at Madukkarai instead of at Vellore so that it ~~may~~ ^{might} have a military atmosphere and also ~~the~~ other benefits, such as transport of boys, etc. The Free Boys' Hostel is intended to provide for 200 boys who are sons and dependants of ~~all~~ ^{generally} soldiers. The entire cost of running the hostel is to be met by the Government. The War Memorial Hostel is intended only for the sons of ~~the~~ members of ^{particular} ~~regiments~~ of specified age limits and the admission is limited to 12 boys in the first instance. If the Free Boys' Hostel

is to be given up in view of the starting of the War Memorial Hostel, admissions will be very much restricted and the concessions which we had been prepared to give under the Free Boys Hostel scheme would stand considerably whittled down; that was not what we understood the proposal to be. The Public Department may first take orders in circulation as to whether the Free Boys' Hostel at the expense of this Government is to run independently of the War Memorial Hostel, but at Madukkarai, instead of Vellore, with such co-operation from the military authorities in matters like transport, etc., as may be available at the regimental centre.

This is the proposal which this department would press.

Information on the points raised in paragraph 2 may be obtained from the D.P.I. after this point is settled. The file may be returned to Public.

Edn No 16852c/463

Notes from page 11 ante may be read.

Orders in circulation may now be taken as to whether the intention is that the Vellore hostel should run at Madukkarai independently of the War Memorial ~~Hostel~~ ^{Hostel} there or whether there should be a combined hostel at that place. It may in this connection be noted that while the Madras Govt.'s scheme for Vellore contemplates provision for a maximum of 200 boys, the War Memorial Hostel limits admission to 12 boys in the first instance. If the idea is to have a combined hostel at Madukkarai the question arises ~~whether~~ ^{whether} any portion of the expenditure will be borne by this Govt.

It would seem better to combine the two schemes and provide a really useful

hostel for 200 boys with (say) 12 places reserved for the particular requirements covered by the War Memorial scheme

8/4/46

A Combined hostel would probably be the best, in that Govt. Govt. will have to bear not the entire cost but a proportion of the cost depending upon the no. of places reserved for particular requirements (A above)

10.4.46

11/4/46

There has been some misunderstanding. There is no everything. The Govt. has no such thing as the Madras War Memorial Fund. Col Collingwood's idea was to get the Govt. to contribute from the Government's War Fund or to repaid contributions. I replied that the order of S. & I was that there were to be no

Sub. Sec. of no 3034-8/46 16.4.46 16.4.46

have Memorials except the Govt. of Madras's big school.

My suggestion was that as the Govt. had accepted the responsibility for financing the scheme at Vellore, they might run the hostel at Madukkarai instead, getting the advantage of the Military help at Madukkarai.

It is a question of the Govt. bearing the expenditure at Madukkarai instead of at Vellore.

Of a substantial number of Madras have applied for admission to the Vellore hostel & if the scheme is running well, I will be quite prepared to recommend the Govt. prefer to continue the Vellore scheme as it will provide for a larger no. of boys. The A.P.I. may be consulted again.

might be shifted to Madukkarai as under this arrangement the
hostel would get the advantage of military help at Madukkarai
but that if a substantial number of students applied for ad-
mission to the Vellore hostel, he would prefer to retain the
hostel at Vellore. The D.P.I. reports that only six applica-
tions have been received so far for admission to the hostel,
that more applications are likely to be received, but that it
is very doubtful if it will be possible to open the hostel
with its full complement in June 1946, if 200 is still regarded
as the full complement. The questions for considerations are:-

- (i) whether the hostel should be shifted to Madukkarai
and:
(ii) If so, what is to be done with the students who
have been admitted in the existing hostels in Vellore. The
file may be sent to Public (S.C.) before circulation.

In his
criticism in para 2 of the D.P.9, I
have mixed up the Army proposal for a
hostel for 12 boys with the proposal to have,
along with that hostel, another hostel for 200 boys,
shifting it from Vellore to Madukkarai.

The four responses
shown stand in the way of a big hostel at
either place. The way, I think, and the idea
of shifting the hostel to Madukkarai was the
sanction for the hostel at Vellore may remain;
the actual arrangements for the hostel number the
more up to the way as suggested by D.P.9 a. P. a.
p. 30 cf; as if it were a bigger
response is shown, the question of
having the hostel with the intended complement
at Vellore or Madukkarai may be taken
up again.

My dear Viswanatha Iyer;

Please see correspondence ending with your D.O. No.

20870 C-1/46-5, Education, dated 14th June 1946, re: the

opening of a Free Boys Hostel at Vellore.

The Divisional Inspector of Schools, Coimbatore, has since reported that more than 150 applications have been received so far and he, therefore, recommends the opening of the hostel at Vellore this year itself. In view of the large number of candidates seeking admission and in view of the fact that the starting of such a hostel was widely advertised and ex-army men are looking forward to these educational facilities for their children I support the recommendation of the Divisional Inspector. Further North Arcot contributed a very large number of fighting men in the Province and it is but proper that a hostel promised for them and already sanctioned by the Government may, in the circumstances stated above, be opened at Vellore. I request you to obtain urgently the sanction of Government for the opening of this hostel at Vellore
