PRESS COMMUNIAUE.
INDIAN STUDENTS FOR U.S.A.

DIFFICULTY IN SECURING PASSAGES.

GOVERNMENT OF INDIA'S EFFORTS.

The Government of India have been experiencing great difficulty in securing passages for students desirious of proceeding to the United States of America for courses of study during the present year owing to the fact th t the position in regard to passages has seriously deteriorated as a result of the unexpectedly sudden termination of the war with Japan. Apart from other difficulties, e.g. the need to supply food to liberated areas, the shiping authorities have been called upon to face the very urgent problem of dealing with a large number of military personnel, prisoners of war and oth r persons etitled to immediate repatriation. Every effort has been and is being made to secure additional shipping space for students, but the latest information indicates that the number of civilian passages to the United States of America during the next three or four months is likely to be so restricted that there is no prospect of students other than the Government sponsored students securing passages this year. It is by no means certain that all Government sponsored students will be able to get off during that period but arrangements have now been made for sending them in batches from this month onwards.

The Agent General for India in Washington is urging the Education authorities in the United States of America who have agreed to admit Indian students in September and October to keep their places open as long as possible but in view of the great pressure on educational accommodation abroad no guarantee can be given that they will be able to do so.

P.T.O.

PASSAGES FOR UNITED KINGDOM.

With regard to the United Kingdom, it has been possible, in spite of urgent military requirements, to secure a number of passages for students who have secured admission to Universities and other institutions. The High Commissioner for India is, however experiencing great difficulty insecuring admission to suitable institutions for all the students, including Government sponsored students, who desire to go this year. This is largely due to post-war pressure on accommodation accentuated by the fact that a number of Educational Institutions in the United Kingdom have been destroyed or damaged by enemy action.

The Government of India have considered it desirable to give this warning to students in order that all concerned may know the present position and be saved unnecessary disappointment later. At the same time the Government of India are not relaxing their efforts to secure passages as well as places in institutions overseas. If these efforts bear fruit, the students concerned will be informed immediately

GOVERNMENT SPONSORED STUDENTS.

'A' The Government of India have also under urgent consideration the arrangements to be made for those Government sponsored students who for lack of passage or admission to an institution overseas are unable to proceed this year. Every endeavour will be made to arrange a suitable course of preliminary training in India for such of them as are not already engaged in some useful activity and also to prevent any unnecessary hardship to those who may have resigned their appointments in order to go abroad as Government sponsored students. In any case scholarships awarded this year will hold good.

I obtained relief from Mess. Tata Chemicals Ltd, Mithapur on 15th Aug '45, where I had completed nearly 15 months of service, on receipt of Memo. Dear Sir,

Another file — Sent to Home

I have been, as per your instructions keeping in touch with the American Express Co, New Delhi and from the last letter I have received from them I understand that the Government of India are making every effort to remove the restrictions imposed on Civilian travel. However it is not definite as to when the passage will be made available for me. Such being the case it would appear that

P.T.O

may to wait for some more time before I get my passage.

This prolonged waiting expecting almost every day any communication for the last six months has caused besides mental worry a heavy financial loss. I request you to consider my case and compensate me equitably for the loss sustained.

Expecting a favourable reply,

I beg to remain,

Ref: Memorandum No. 45895-C/45-35 dated 29th. Jany.'46.

It is with surprise that I have received your communication informing me that no admission has been secured for me in the United Kingdom. I beg to place the following facts before you for your kind consideration.

As you already know I was holding a comfortable appointment at Ahmedabad in the Karamchand Premchand Ltd., as an Asst. chemist on Rs. 240/- per month. In view of the fact that I was urgently instructed to keep myself in immediate readiness to proceed overseas, I relinquished that appointment and have been waiting eversince to sail. This I did though I was offered a scholarship to go to U.S.A. by the Sa[illegible] for the Electrolytic Alkalis at [illegible] the idea of being of service to the Madras Govt, as expressed by me in my former communications to you. Furthermore, this long wait of six months has entailed me a loss of over Rupees one thousand four hundreds, which I possibly cannot afford. A further period of stay and inactivity will obviously mean a terrible loss to me and it is in order to save myself of this loss, which I can scarcely afford, that I am writing this to you hoping that you will kindly accede to my request.

May I therefore pray that the admission in U.K. may telegraphically be procured for me and express arrangements be made for my sailing?

If this is not possible, I request you to take into consideration the clause in the Government Communique providing for some suitable provision to those of the candidates who have been selected but unduly delayed in India owing to some unforseen circumstances. I therefore pray that you will be kind enough to make use of my services to the Govt. for the time being with adequate remuneration.

I beg to remain,
Sir,
Your obedient servant,
M. Prabhanjana Murti

P. S:

As I understand that the post of the District Industries' Officer at Kurnool has fallen vacant, on account of that officer having gone overseas as a Govt. sponsored student, I humbly suggest that this post may be given to me as suitable provision mentioned above.

I invite your kind attention to my letter dated 13.2.46 sent by Registered Post requesting you to pass early orders on the question of assistance promised in the Govt. Sir,

Subject :- Technical Education Overseas 1945 - M. Prabhanjanamurti - U.K.

[illegible]

I have been informed in your ~~memorandum~~ Endorsement No. 49973. C/45-6 dt. 21.2.'46 that the question of granting compensatory allowances to candidates detained in India is under the consideration of your Govt. It is now nearly seven months since I gave up my former employment and this period of inactivity has entailed me a loss of over Rs 1600. At the time of relinquishing my former employment, which I did to keep myself in readiness to leave India within a week or ten day's notice according to the specially urgent communication dated 8th Aug '45 from your office, my employers, Karamchand Premchand Ltd., Ahmedabad gave me an offer to go to U.S.A. on a deputation for their Electrolytic Alkali Plant. I rejected their offer and accepted the Madras Govt. Scholarship, as I considered that I would enjoy special concessions as a Govt. sponsored student.

I was asked some four months ago in [illegible] '45 to express urgently my readiness to sail in your memoranda no. 45895 C/45-21 Edn. but actually I got no further instructions at all to sail till this day.

I therefore request you to grant me such of the compensatory allowances as you may be pleased in accordance

44

with your endorsement No 49973 C/45-6. dt. 21-2-46 to one of my letters, and to appraise the Govt. of India of my unfortunate position so as to make early arrangements for my admission and shipping facilities.

I pray I might be informed of your decision.

Thanking you,

I beg to submit that my letter of date 28.1.46 has not been replied so far.

I understand from the press reports that the ban on Civilian travel to U.S.A is to continue for some more time. It may not be therefore possible for me to join the Mid session which commences this month. I can therefore only hope to proceed to U.S.A in time to join the Autumn Session. Kindly let me know whether this report is correct. If it is so please instruct me as to how I should keep myself engaged these months and whether there is any move on the part of the Government to provide me with a job for this period or pay me a compensation for the financial loss thus incurred.

I hope, Sir, I shall be intimated early.

Ref: Students selected in August 1945 for proceeding to U.S.A. for higher studies.

Sir,

I wish to inform you that I am one of the above selected candidates and on getting intimation to hold myself in readiness to start at short notice, I resigned my post as a lecturer in Mechanical Engineering of the Aligarh Muslim University where I was drawing Rs.225/- a month. But the passage to U.S.A. has been delayed and it is not sure when exactly I will be in a position to sail.

The Secretary, Madras Public Service Commission has called for applications before 20th of March'46, for the appoinment by direct recruitment of an Assistant Inspector of Factories, the order of preference of the community of the candidates being Scheduled castes, Muslims and Brahmins etc. So I stand a very good chance of being selected in it only if I apply for it.

I would therefore request you to advise me kindly by rturn of post whether I can apply for the same. I would also like to know whether you will correspond with the Madras Public Service Commission and forward my application to them so that I may keep myself engaged till I get orders for embarcation.

Requesting an early reply and thanking you.

ORDER.Mis.No. 602 Edn. d/16-3-46

Some of the candidates selected in 1945-6 and sponsored by this Government for undergoing advanced courses of studies are detained in India because of the difficulty in securing passages to the United States and of getting admissions in suitable institutions in the United Kingdom. As the candidates selected for the scholarships were asked to be in readiness to sail on short notice, a few of these candidates whose names are mentioned in the annexure resigned their appointments they were holding, while the others could not try for suitable employment for themselves. In order to mitigate the hardship caused to the candidates the Government sanctioned allowances to them at the rates specified against each in the annexure.

p5 below

2. The allowances are granted on the assumption that the candidates are not holding any appointments since 1st January 1946 and receiving remuneration therefor. If any of them have secured employment ~~and~~ after that date, the allowances will be paid [illegible] only up to the date of taking up employment. The candidates should obtain the previous consent of the Government in the Education and Public Health Department before they take up ~~any~~ employment either in ~~private or~~ Government or other service. Sir,

Sub: Maintenance allowance for stipendiary students.

I am one of the Madras Provincial, stipendiary students for higher studies in U.S.A., selected last year and detained in India due to want of shipping accomodation. A month after my selection, I relinguished the Industries Department Scholarship tenable at the Indian Institute of Science Bangalore. Early in January, I applied through you to the Director of Industries & Commerce to continue my scholarship at the Institute. Since I wanted to have industrial training in order that it may be useful to me for my studies later in U.S.A., I did not continue the scholarship offered to me, as it was tenable only at the Institute

The Managing Agents of Mettur Chemicals have permitted me to work as an apprentice without stipend in their factories at Mettur and later if possible, at Alwaye.

Under the circumstances, I request that maintenance allowance of Rs.100/- per mensum may be allowed to me with retrospective effect from January till passage is secured for me by the Government.

Yours faithfully,

I would like to bring to your kind notice that with effect from 1-1-1946 an allowance has been sanctioned to me for having been detained in India. But I would like to represent that after hearing the selection results in August last, I gave up my former post and I am keeping idle right from the beginning of September 1945.

I would therefore request you to kindly consider my case and sanction allowances for those few months of 1945 also.

Here I would also like to mention that my request is also in conformity with the notification published by the Bombay Govt. with instructions from India Govt. in similar cases of Bombay students. The notification of the Bombay Govt. is as cited below.

H.E. the Governor of Bombay has sanctioned allowances at the rates given below to the students who have been detained in India with effect from October 1945. -

(a) Those who resigned and are keeping unemployed will get the pay which they wer formerly drawing.

(b) Those who resigned and who afterwards have not secured equivalent jobs will get the differences between their original and present pay as their allowance. In either case the maximum limit for such allowance will be Rs.500/- p.m.

(c) Lastly those who were keeping idle then and also at present will get Rs.100/-.

Ref.: G.O. No. 602 Education dated 16th March 1946; received on 22-3-'46. (0) in top file

Sir,

A I wish to inform you that I am one of the above selected candidates and on getting the intimation to hold myself in readiness to start at short notice, I have resigned my post as a lecturer in Mechanical Engineering of the Aligarh Muslim University where I was drawing Rs.225/- p.m. At about the same time and for the reason underlined above, I withdrew from the Madras Public Service Commission, my application sent to them for the District Industries Officer's post on Rs.200/- p.m. with the usual allowances. I also applied for an Engineer's post on Rs.250/- p.m. in a private firm and disclosed to them of my selection and of my intention to leave the post at short notice when required to embark. They regretted that they could take me as I would be leaving their services at any time causing dislocation to their work.

I was so keeping idle expecting every moment the orders of embarkation, till late Nov.1945 when it was announced that the U.S.A. war department has imposed a ban on civilian passengers and the departure was thus deferred. So, in order to partly mitigate the hardships caused by keeping unemployed and also with a mind to keep engaged temporarily in some place I sent applications to various places with the condition that I should be releived at short notice to enable me to embark when required to do so. At last the Engineer, Corporation of Madras, agreeing to releive me at any time, offered me only an Overseer's post on Rs102/-in all, p.m.

I joined the post on 5-1-46 and am continuing in it. I therefore request that considering the hardships felt by me by resigning the former post, I may now be given an allowance equal to the difference between my last pay drawn viz. Rs225/-in Aligarh University and the present pay of Rs102/- i.e. at Rs123/-p.m.

My request is also in conformity with the orders passed by the Bombay Govt. in similar cases. The orders of the Bombay Govt. are cited below.

(a) Those who resigned and are keeping unemployed will get the pay which they were formerly drawing. (b) Those who resigned and who afterwards have not secured equivalent jobs will get the differences between their original and present pay as their allowance. In either case the miximum ~~mxxthxx~~ limit for the allowance will be Rs500/-p.m.

(c) Those who are keeping idle then andalso at present will get Rs100/- a month.

Lastly I request that early arrangements may be made and the allowance be granted at the above rate with effect from 1-1-46. I herewith enclose a copy of my appointment order from Corporation and the Memorandum from the Public Service Commission.

Thanking you,

Yours faithfully,

Sir,

pp 1-8 above

I am in receipt of your memorandum No. 19569 C2/46-1 dated 11th April '46. I relinquished my appointment as Motor Vehicles Supervisor on 13th May 1945 and not 13th May 1946 as entered in the Certificate which is obviously a mistake.

I received no Communication from the Government advising me to resign my appointment as Motor Vehicles Supervisor. I beg to inform you that I had to resign my job to enable me to apply for the Scholarship as only applications from those not in Government Service were called for. I have written for the enhanced rate with the view that when those similarly placed as myself got the allowance on the consideration of the pay they drew before they were selected, why the same benefit should not be given to me, as otherwise there was no other ground for me to appeal.

I have received a letter from the American Consul, Madras, a copy of which is enclosed, informing me of the availability of a large troop transport which will be leaving for U.S.A bet the 1st & 10th of May for the purpose of transporting from India to U.S.A a large number of passengers. In view of the difficulty experienced by our travel agents in finding us accommodation ~~of~~ on the commercial vessels I hope, Sir, the Government will take advantage of this opportunity by providing me with accommodation on this transport.

AMERICAN CONSULATE.
Madras, India, April 15, 1946.

Troop ship for civilian passengers from India to U.S.A.

(This circular is being sent to mission secretaries and to each individual or head of family reported to consulate in response to its circular of April 3, 1946).

The U.S. War Shipping Administration at Bombay has sent a circular to all tourist agencies, the pertinent part of which reads as follows:

> "We have just received confirmation this morning to the effect that the large Troop Transport which we mentioned to you as possibly being available, has now been confirmed and this vessel is now leaving America en route to India, for the purpose of transporting from India to the U. S. a large number of passengers.
>
> "This vessel is a C-4 Transport and will be capable of carrying 300 to 350 women and children in Officer accomodation and 600 to 700 men and boys in uncrowded troop spaces.
>
> "This vessel is due to arrive in Bombay around the Ist of May and will sail from that port 1st - 10th May approximately. The definite dates will be given you as soon as they are received as to it's arrival and time of departure.
>
> "This vessel will only call at Bombay.
>
> "We advise you to advise all of your passenger registrants to immediately confirm to you their bookings on this vessel as the passenger outlook for Commercial cargo vessels is not very encouraging. We regret this vessel will not call at Calcutta but we cannot alter its present schedule of making Bombay the only port of call."

South India pospective passengers will note that the vessel will call at Bombay only. Parents of children at school will notee that the tentative date of sailing is between May 1 and 10. The consulate at Madras will notify all concerned the moment more specific information is available. DO NOT, however, fail to let your travel agency know that you desire to travel by this vessel, as the consulate will not be involved until block allocations are made to each consular district in India, based on the grand total of the demand from all parts. It is possible that even at that time the various consulates will not be asked to define the priority status of prospective passengers should the demand be greater than the number who can be accomodated.

Therefore, when writing to your travel agency be sure to give name, sex, age (of children), nationality, occupation, reason for travel, and approximate date of your first application for passage on any vessel to the United States.

I therefore request you to sanction my allowance from 2nd November 1945, that is, the date of my handing over charge, and that at the rate of Rs 200/- per mensem.

3. Again on my assuming charge at Kalvapalli as Special Asst Engineer, the Examiner of L.F. Accounts fixed my pay at Rs 150/- per mensem as against Rs 170/- that I was drawing prior to my resignation, thus making this less than the allowance sanctioned by Government this Rs 170/- per mensem, for the period that I did no work at all. I was however given a dearness allowance of Rs 26/-. I have therefore lost Rs 12/6/- here. I request you to kindly grant me this amount also.

Govt of Madras.

Sir,

I am one of the Students selected by the Govt of Madras, for foreign Studies, during August, 1945.

On 5th June, 1946, I got a telegram from M/s Govan Bros, New Delhi, informing me that I have been offered passage in the Ship "Marine Angel" leaving Calcutta on the 27th June 1946.

I got another wire from them again on the 11th asking me to reach Calcutta by 22nd June

S. Balaraman B.E. (Hons.)

Madras

Dated the 18th June 1946.

2 So I resigned my job in the Madras Electric Tramways and I was relieved on the 15th June, '46. and my accounts settled on the 17th June, '46.

But yesterday evening (17th) I got another ~~letter~~ urgent and important letter, from the American Express Co Calcutta, stating that the "Marine Angel" scheduled to leave Calcutta on the 27th June, is cancelled and instead, S.S. "Marine ~~An~~ Lynx" will sail from calcutta to U.S. on the 17th July, 1946.

As I have to wait for a month and two days, before sailing, and as other students, who have resigned their job & are detained due to passage difficulties are paid by the Govt, I request you to consider my case sympathetically and arrange for granting me an allowance equivalent to the pay, I was getting before.

I was getting Rs 120/- (one hundred twenty only) ~~from~~ in the Madras Electric Tramways Ltd and from 15th June 1946; the date of my release from the Tramways, to 17th July 1946, the date of my sailing to U.S. the amount will come to Rs 128/-/-

I request you to ~~kindly~~ ~~to~~ be kind enough as to pay this amount to me ~~as soon~~ at your earliest convenience. ~~Than~~

Sir,

I wish to bring to your kind notice that according to the previous intimation from travel agents, I must have left Madras on the 19th instant for Calcutta and must have sailed from there on the 27th instant.

p. 25 infra

But by surprise I was informed on the 17th of this month by the Travel agents at Calcutta (a copy of which is herewith attached.) that all passages booked on "Marine angel" scheduled to leave Calcutta on the 27th of this month have been transferred to "Marine Lynx" which will be leaving Calcutta on the 17th of July 1946. I have also been informed to reach Calcutta by the 8th of July.

So I had to cancel the railway reservation etc. ~~which of~~ which I made with the intention of leaving Madras by 19th and now I again intend leaving for Calcutta by 6th or 7th of this month.

I would request, therefore that the Director of Public Instruction (whom I have addressed in the matter) may kindly informed to make necessary arrangements for disbursing the allowances due ~~[illegible]~~ from the 27th of June 1946 upto the 17th of July 1946 at Rs 225/= p. m.

The Director may also be requested to make provisions for another sum of Rs 8/= which is to meet the losses incurred in refunding the II class ticket purchased for Howrah, and for the cancellation of the railway reservation etc. on the ~~last~~ last ~~occasion~~.

Sir,

Sub: Allowances granted to Private students sponsored by the Madras Govt. for technical education overseas as per G.O. No. 602 - Education - dated 16-3-46.

I understand that I have been granted an allowance of Rs. 100/- (Rupees one hundred) per month from Jan 1, 1946. Yes.

I am now employed in the services of the South Madras Electric Supply Corporation Ltd. as a Resident Engineer at Tiruvarur from April 15, 1946. I have been drawing a

122

V

salary of Rs.200/= (Rupees two hundred only) per month plus a dearness allowance of Rs.16/= (Rupees sixteen only) per month.

Since I had no definite news regarding passage to U.S.A., I had to seek a job elsewhere. Had I tried for a job earlier, I might have got a better start even. In this connection I may point out that I was getting a salary of Rupees five hundred per month in the Hindusthan Aircrafts Ltd., Bangalore before I resigned. Under these circumstances I request you to increase the allowance sanctioned (as per G.O. 602 - Education dated 16-3-46) to me to at least Rs.200/= (Rupees two hundred) per month payable upto 15-4-46.

B Please let me know when passages to U.S.A. are likely to be available.

Thanks

1/ I have to submit to your kind notice the following. On 7/6/46. I received a telegram from the American Express Co., New Delhi, stating that I was to sail to U.S.A. from Calcutta on 27/6/46. I was therefore urgently relieved of my post of Special Assistant Engineer (Highways) Kalwapalli, Anantapur District, on the afternoon of 14/6/46. under orders of the Chief Engineer (Highways). On my meeting the Assistant Secretary to Government, Education and Public Health Department, Madras, on 20/6/46, I was informed that sailing was postponed. I was however asked to get this confirmed by the American Express Co. since the under secretary stated that the Company was in charge of all travel arrangements. The company informed me on 22/6/46 that I should report at Calcutta on 12/7/46 to sail on 17/7/46 in reply to my prepaid telegram dated 20/6/46.

2/ I have now to request the Government to pay me the allowance sanctioned in memorandum No. 25975 C2/46-2 d. 1/6/46. of the Education & Public Health Department, from 15/6/46 to the date of my re-employment if so ordered, or in the alternative to the date of my embarkation.

Ref: My previous letter claiming the allowance for the period 28th June to 17th July 1946 @ Rs 225/- p.m.

Sir,

In my previous letter refered to above, I have requested you to kindly disburse my allowance for the above period, before I actually left Madras. I left for Calcutta on the 7th inst. and till then I heard nothing regarding the same. Perhaps a bill might have been sent to my address in my absence i.e. after I left Madras. If such is the case, I will instruct my father down at Madras to return you to the same.

I will also further request that my allowance may kindly be drawn by you in cash and the same be sent to my father down at Madras, either by M.O. or by Bank Draft, as I have taken an appropriate amount from him.

Lastly our sailing date has been shifted further. It is not the 17th of July as we were previously

informed. I will be intimating the exact date after ascert the same. So the allowance for this period as well may be included along with the previous bill and this may also be sent to my father either by M.O. or Bank draft (to avoid further inconveniences).

Sir,

I wish to bring to your kind notice that ~~the~~ I was ~~was~~ informed to reach Calcutta between the 8th and 12th of July 1946 in order to sail from here on the 17th. inst. So I left Madras on the 7th and reached Calcutta on 9th instant. On reporting myself to the "American Express Co, I was informed that there is a delay in the arrival of the Steamer and also in the departure of the same. So I had to fix myself in some Hotel till the date of departure.

The question of accommodation is very difficult and also very costly and I am forced to spend at the rate of 15 to 18 rupees per day.

I would therefore request that orders may kindly be passed and I may kindly be granted stay expences at the above rates from the

Sir,

I am one of the candidates selected by your department in August 1945 for advanced studies in U.S.A. ~~in August~~ I was asked by the American Express Co., Pollock House, Pollock Street, Calcutta, to report at their office in Calcutta on 10th July, in connection with the offer of a passage to U.S.A. on S.S. Marine Lynx, scheduled to leave Calcutta on the 16th July.

I accordingly relinquished my post as research assistant in the chemistry Dept., Presidency college, Madras on the 8th July and reported at the Calcutta office of the American Express Co. on the 10th July. I am now informed that the ship has been delayed and the actual date of departure of the ship from Calcutta may not be known for a few more days.

This enforced stay at Calcutta is proving very expensive and I have had to borrow money to carry on. As on a point of information, I may state that the Travancore Govt. is paying an allowance of Rs 15/ daily to its candidates.

I request that I may be paid either a daily allowance at a suitable rate fixed by you or an allowance based on my salary which was Rs 353/ mensem, from 9th July 1946 to the date of departure of the ship from Calcutta. You can ascertain the latter date from the American Express Co., P.O. Box No. 2311, 28, Pollock St., Calcutta.

In case you decide favourably, I request that the allowance may be paid to my wife, Mrs. G. Rajamani, 25, Thanikachalam Chetty Rd., T. Nagar P.O. Madras.

Sir,

I wrote to you on the 17th July in connection with the grant of detention allowance for my enforced stay in Calcutta consequent on the delay in the departure of the Ship Marine Lynx. The letter may not have reached you and I am therefore stating my case again.

I was employed as a research assistant of the Council of Scientific & Industrial Research at the Presidency College, Madras on a salary of Rs 353/ p. month. I left Madras on the evening of 8th July so as to reach Calcutta on the 10th July to conform with the instructions I received from the travel agents, Messrs. American Express Co., Pollock House, Pollock Street, Calcutta. The Ship Marine Lynx has been delayed considerably and is leaving Calcutta only on the midnight of 28th July and not on 16th July as originally proposed.

I have had to borrow money for maintaining myself in Calcutta. I request that a detention allowance may be granted to me for the ~~for~~ period 9th July to 28th July either on the basis of my salary which was ~~Rs 353~~ Rs 353/ p.m. or at any suitable rate to be fixed by you. All the other provincial governments and the Central Govt. are ~~I am informed by the travel agents~~, paying this allowance at rates varying from Rs 10 — Rs 15/ per day according to the travel agents.

I request that the allowance may be paid to my wife Mrs. G. Rajamani, 25, Thanikachalam Chetty Rd. Thyagaraya nagar, Madras.

I have brought to your kind notice by wire that my sailing date is postponed. As previously arranges we ~~had~~ ought to ~~sail~~ have sailed on the 16th July. As the ship arrived here late, we are sailing on the 28th July 46.

We have made an appeal to you to grant us halting allowances from July 16th. We came here with the idea of staying for 4 days and it so happened that we had to wait 18 days spending 12 to 15 rupees daily in a big city like Calcutta. As a result, ~~we~~ I had to borrow heavily. The allowance granted to me in ~~G~~ memo. no. cited above is quite insufficient to meet the situation & to make up the loan. So I request, that halting allowances be granted to us from the 16th July ~~till~~ to the end of 28th July (date of boarding)

Sir,

In continuation of my express telegraphic message dated 16.7.46 and also of letters before and after to it, I wish to bring to your kind notice that due to the late arrival of the ~~steam~~ liner "S.S. Marine Lynx", I was put to a lot of difficulties and hardships at Calcutta. I reached Calcutta on the 9th of July as we were asked to be present there between the 8th and 12th of July and I stayed there till the 28th of July 1946. As a large number of student passengers and also private passengers were waiting for the ship just, like us, the question of accommodation was very difficult and also very costly. I was forced to spend on an average of Rupees ~~to~~ eighteen per ~~off~~ day for both boarding and lodging.

I would therefore request you to kindly grant me the daily stay expenses since the date of my arrival upto the date of my embarkation. I would also request you to kindly

Please see the letter from the Government of India in the c.f. in which they have recommended the grant of certain concessions to students sponsored by this Govt., for higher studies abroad, but for whom it may not be possible to obtain places or provide passages this year.

2. This Government have sponsored 47 candidates, 24 of whom are to go to U.S.A., and 23 to the United Kingdom. A telegram has been just received from the Govt. of India to the effect that passages have been arranged for 16 students for U.S.A. and that they may have to embark about the 24th November 1945. As regards the students for U.K., the Government of India have stated that the High Commissioner has arranged for admissions for 14 candidates and that arrangements are being made for early passage facilities for them. It may be taken that these two candidates also will be able to sail early.

3. The question as regards these 30 candidates is whether they should be given any allowance with effect from 1st October 1945. until they actually sail. Of these 30 candidates, 12 are unemployed, 7 in Government service and 11 in private employment. It is not known whether those in Government service and in private employ~~ployment~~ment have resigned their appointments.

4. Of the remaining 17 candidates, two are in Govt. service and ten in private employment, while ~~three~~ five are unemployed. It is for orders whether these candidates should be granted allowances at the rates recommended by the Government of India. If so, those in Government service and in private employment will have to be asked whether they have resigned their appointment and what pay they were in receipt of. In the case of those who were in Government service, it will have also to be ascertained whether

I do not think any concessions are necessary in respect of the batch at A above: they are sailing about two months after the normal time they would have expected to sail. Even 3 months cannot be considered too much. With regard to the batch at B also sailing before the end of Dec. I do not think concessions are called for in respect of this batch.

C

they cannot be taken back in service. The Government of India have stated they will not share any portion of the cost involved in the granting the concessions.

...

Please see the notes on pages 1-3 ante, and the representations on pp.31-35 c.f. The present position is as below:- Out of 47 sponsored candidates, 2 have since relinquished their stipends; 34 have already sailed for U.K/U.S.A.; and 11 are yet to sail.

Particulars regarding the 11 candidates left over are given in the statement at 'N'.

2. The following five candidates are employed in some firm or other and it is not necessary to give them any allowance:-

(1) T.Abdulla Hussain.
(2) S.Balaraman.
(3) C.Ranganatha Reddi.
(4) V.S.Srinivasagopalan.
(5) T.R.Govindachari.

3. Three of the candidates viz. Syed Rafique Ahmed Gesudraz, T.N.Venkataraman and P.Sivalingam ~~were~~ are unemployed. One of them (Gesudraz) has asked for financial assistance. Admission has not been secured for him. — pp31-32 CF

4. Of the three remaining candidates, Mr.Gonsalves was L.F.Asst. Engr., which he resigned. The other candidates, Mr. Prabhanjanamurthi and Mr.P.Chalapathi Rao were in private employment. Admission has not been secured for these two. The former has requested that he may be appointed as Dt. Industries Officer, Kurnool. — pp23-24 CF — pp 33-35 C.F

5. It seems that the Chief Engineer and the Director of Industries may first be requested to interview the three candidates mentioned in para 3 above and Messrs. Prabhanjanamurti and Chalapathi Rao with a view to providing them with suitable temporary employment in the Industries Department or the P.W.D. and if this is not possible they may consider what training should be given to them until they sail. ~~The C.E.~~ L.A. may also be asked whether Mr.Gonsalves can be re-appointed as Asst. L.F. Engineer.

M

6. It is for orders whether pending the finding of a suitable employment, the six candidates should be granted any allowance.. The G. of I's proposals in the matter are on pp.1-2 c.f. According to these, the three candidates mentioned in para 3 above will have to be paid Rs.100/- a month, Mr. Gonsalves Rs.170 a month, Mr. Prabhanjanamurthi Rs.240/- a month and Mr. Chelapathi Rao Rs.175 a month. Perhaps each of the six candidates may be granted Rs.100 a month from Jan. 1946.

p 23CF — p 33CF

If it is admissible that payments should be made in Mr. Chelapathi Rao's case sanction may be given as from 1.1.46.

To U.S.

Notes from p 4 above may be read.

As regards M on p 4 above, the suggestion does not appear to be feasible as it is not certain for how long ~~they~~ the candidates could hold temporary appointments or undergo any preliminary ~~[illegible]~~ training before they are asked to proceed overseas on securing passage. The best course would appear to be to allow a subsistence grant of Rs 100/- per month to those who are unemployed throughout & graded payments as at N above in the case of the other candidates. This would seem to fit in with the recommendation of the Govt. of India at pp.1-2 c.f. and would also be equitable to the candidates concerned. For orders.

The passages are arranged so suddenly that this proposal may not be feasible.

[Previous Finance notes are at the foot of p.2 above]

Notes from p.4 above alone need be read.

The proposal now is for the grant of allowances to such of those candidates who have been selected for foreign study but have been detained in India for want of shipping facilities. Please see paras 3 and 4 on p.4 above in this connection. Of the 6 candidates mentioned therein, three of them (para 3 on p.4 above) are not employed anywhere and the remaining three(para 4 on p.4 above) were in Govt. or private employ. The E & P.H. Department propose that they may be paid allowances at the rates referred to at 'N' on p.5 above from 1-1-46 till suitable employment is found for them. Development do not think that the suggestion of E & P.H. on p.4 above is feasible and suggest the payment of Rs 100 p.m. to those who are unemployed and the graded payment as at 'N' on p.5 above in the case of other candidates. L.A. agree with E & P.H. and suggest that Mr. Gonsalves, one of the candidates may be paid an allowance equivalent to leave - salary while on leave on average pay from 1-1-46 to the date of his reemployment.

x p.5 above

x 'K' on p.7 above

A

The concessions proposed by the E & P.H. Department are based on the recommendations of the Govt.,of India on pp.1-2 C.F. The recommendations it is submitted are not obligatory on this Govt. to follow. The Govt. of India do not propose to share any portion of the cost involved. It would therefore seem sufficient in the circumstances to grant these candidates ~~the~~ a uniform rate of Rs 100 p.m. each exept in the case of Mr. Gonsalves, who may be paid according to the suggestion at 'A' above.

These ~~[illegible]~~ men are losing money for no fault of their own. The loss should be made up to them as far as possible. In view of this and for the sake of uniformity, ~~the~~ E.P.H.' Dept's proposal at 'N' on P.5 ante, which follows G of I's recommendations, may be accepted.

I think 'M' on P.4 ante should also be pursued, as it is not desirable that these men should remain idle till they leave India. It may also be made a condition for the payment of the Govt allowance that they do not accept private employment with remuneration during the period of their stay in India, without the previous consent of Govt.

2. Please see the letter on page 47 C.F. from Mr. T. Abdulla Hussain. He is one of the candidates mentioned in para 2 on page 4 ante, for whom it has been suggested that no allowance is necessary. Since Mr. T. Abdulla Hussein states that he has resigned his appt. on Rs. 225/- P.m, he may also be granted an allowance of Rs. 225/- a month. Subject to appl, his name also has been included in the draft order.

It is likely that ~~others~~ besides Abdulla Hussain, there are others among those candidates mentioned in para 2, Page 4 ante, who have resigned their posts. But so far, no representations have been recd. from them. If and when any such representations are recd. in future, the question of extending the concessions may be considered then, if necessary.

It is also possible that

one or more of the candidates for whom allowances are granted now, have since secured some appt. and are in receipt of remuneration. A sentence has been added to the draft, subject to appl, that the sanction is made on the condition that the candidates are not at present employed in any remunerative jobs.

"B" on page 8 ante:- With regard to Mr. Gonsalves, the Govt in L.A. Dept. have already issued instructions to the C.E. (C) to reappt. him as temp. L.F. Asst. Engr. As regards Mr. P. Chalapathy Rao, and Mr Balasubramanyam, attention is invited to Devt. Dept notes on page 4-5 of L.F. III. Letter on page 5 CF:- In the G.O. at "O", Mr. T. Abdulla Hussein was granted, with effect from 1.1.46 an allowance of Rs. 225 p.m. based on the pay he was originally drawing as Lecturer in the Aligarh University. Mr. Hussein now states that he has secured an appt. as Grocer in the Madras Corporation on Rs ~~80~~/- 102 p.m. and requests that the difference ⊗ between his orgl. pay and ~~the~~ his present pay allces may be granted to him. In the G.O. cited above it has been stated that if any candidate secures employment after 1.1.46, the allowance will be paid only upto the date of taking up employment; and on this basis Mr. Hussein ~~should~~ ~~will~~ ~~cease~~ ~~to be~~ will cease to draw the allowance from 5.1.46. The letter of the Govt. of India on pages 1-2 CF. of G.O. no. 602 Edn dt 16.3.46 did not provide for cases like the present one. If Mr. Abdulla Hussein had not taken up the appt. in the Madras Corporation he ~~can~~ could continue to draw Rs. 225/- p.m. ~~In~~ this view, it is for consideration whether he may be granted an allowance of Rs. 123 p.m.

Overseas Scholarships - 1945-46- Allowances to candidates detained in India.

(O)/pp51-52 CF

In G.O.No.602 -dn., dated 16-3-46, an allowance of Rs.100 p.m. was sanctioned to Mr. S.R.A. Gesudraz who is one of the candidates selected in 1945-46 for the award of overseas scholarships ~~and~~ [illegible] ~~is are~~ but still detained in India. Mr.Gesudraz requests that he may be granted an allowance of Rs.150/- p.m. which was the pay he was last drawing when he resigned his appointment as Motor Vehicles' Supervisor on 13-5-45. His reasons for the enhanced allowance are stated in paragraph 2 of his letter on pages 9-10 c.f. Mr.Gesudraz's statement at "A" in that para is not correct. As Mr.Gesudraz resigned his appointment long before he was actually selected for the award of scholarship and as he did not resign it with reference to any instructions from Govt., his request cannot be complied with. For orders.

Page 10 CF

Subject to appl., a draft is put up ~~at~~ on page 12 CF.

As regards para 3 of the letter on pages 9-10 c.f., the Govt. of India may be expected to take all possible steps to secure early passages for the candidates who are to proceed overseas. It may however be noted here that admission has not yet been secured in any foreign institution for Mr.Gesudraz

After the award of the scholarship Mr. Gesudraz did not hold any appointment. He has, therefore, been granted an allowance of Rs 100 w.r.t sub para (b), p2 CF of G.O.No. 602 Edn.d. 16-3-46.

Overseas Scholarships - 1945-46 -

Allowances to candidates detained in India.

Mr. G.F.D. Gonsalves is one of the private candidates selected in 1945-46 for the award of overseas scholarships. He was L.F. Asst. Engineer on Rs. 170 + 30 D.A. when he resigned his appointment with reference to Govt. memo. asking him to keep himself in readiness to sail overseas at short notice. Since then he had been waiting to go abroad in vain till recently when he was re-appointed as Special Asst. Engineer, Highways Dept.

In G.O. No. 602 Edn., dated 16.3.46 Govt sanctioned certain allowances to candidates who were selected for scholarships last year but who are still detained in India for want of either passages or admissions. In this G.O., Mr. Gonsalves was granted an allowance of Rs. 170/- p.m. from 1.1.46 till date of embarkation (or till date of reappt, whichever is earlier.)

pp 51-52 CF (0)

Vide (4) of annexure, P 52 CF (0)

I

In his letter in the C.F. Mr. Gonsalves requests:- ① that he may be granted an allowance of Rs 200/- ie Rs. 170 (Pay) plus Rs 30 (D.A.).

Para 1, P.1CF

Para 2, pp1-2CF ② that the allowance may be sanctioned from October 1945, instead of 1.1.46 as in the G.O.

Para 3, P2 CF ③ that his pay when he took charge as Special Asst Engineer, Kalwapalli may be fixed at Rs. 170/- plus DA. instead of Rs. 150/- plus D.A. as already fixed by the Examr. of L.F. Accounts.

III ① above:- As Mr. Gonsalves's total emoluments when he resigned his appt. as L.F. Asst. Engr. in Octr 1945 were Rs 200 ie (170 Pay + 30 DA), it seems fair that he should be allowed Rs. 200/-. For orders

2/ A on pp 1-2 above: At the time of issuing orders in G.O 602 Edn dt 16.3.46 Mr. Gonsalves represented that he was drawing Rs 170 ~~plus~~ on account of salary and Rs 30 on account of dearness allowance as L.F Assistant Engineer, when he resigned his appointment. But, somehow, the dearness allowance was overlooked and an allowance of Rs 170 alone was sanctioned to him in the above orders. It may ~~also~~ be noted ~~in this case~~ that the pay of Rs 170 represents a sum equivalent to the leave-salary of Mr Gonsalves from 1.1.46 to the date of his re-employment, had ~~Mr G~~ he been taken to be on leave from that date. As ~~the~~ Govt. servants on leave are eligible to dearness allowance it seems reasonable that Mr Gonsalves may be allowed Rs. 200 p.m. from 1.1.46 till the date of his re-appointment. ~~[illegible]~~ Further it will also be seen that Mr Abdulla Hussain, another candidate was allowed an allowance of Rs 225 which comprised ~~of~~ his pay of Rs 200 plus the ~~[illegible]~~ an allowance of Rs 25 he was previously drawing as Lecturer in Aligarh University. The reasons urged by Sri T.N.Venkataraman in his letter in the ~~xxx~~ file. for increasing the rate of allce. w/p file (Rs.100) granted to him at "Q"/51-2, to Rs.200, are not convincing. Advanced studies overseas - Mr. T. Abdulla Hussain a stipendiary student selected in 1945-46 - Grant of allowance.

--

From Mr. T. Abdulla Hussain, Calcutta, dated 16-7-46.

--

P3 cf

Mr. T. Abdulla Hussain is one of the candidates selected in 1945-46 for the award of overseas scholarships. About September 1945, Mr. Hussain resigned the appointment he was holding, in response to a Govt memo. asking him to keep himself in readiness to sail overseas at short notice. Since then he has been waiting for a passage. As many candidates resigned their appointments like Mr. Hussain, Govt. granted them compensatory allowances. Mr. Hussain was allowed Rs.225/- p.m. based on the pay he was drawing. Some time back, he got an appointment in the Corporation of Madras, and Govt. granted him an allowance ~~xxxxxxxx~~ equal to the difference between his pay in the Corporation and the original pay of Rs.225/. p.m.

~~File in P.W.D / Fin~~

P75 cf/Q

On 28-6-46 Mr. Abdulla Hussain again resigned his appointment to be ready to sail overseas on that date. But the sailing on that date was postponed to 17-7-46. Therefore Govt. granted him allowance at Rs.225/- p.m from 28-6-46 till 17-7-46. Mr. Hussain was scheduled to go in a boat leaving Calcutta on 17-7-46.

In his telegram on page 3 c.f. Mr. Hussain reports that sailing is again delayed and asks for daily allowance. In the absence of definite information as to why the sailing was delayed, on what date the next sailing is arranged, how long ~~xxxxxxxxxxxx~~ Mr. Hussain (~~xxxxxxxxxxxxxxxxxxxxxx~~) would be required to stay in Calcutta and what amount of allowance would be necessary, it ~~xxxxx~~ does not seem any action can be taken on the telegram. ~~xxx xxxxxx xxxxxxx~~ Besides, Mr. Hussain, there were other students who were scheduled to ~~xxxxx~~ sail from Calcutta on 17-7-46. Reports from the other students also may be awaited.

~~note on p 1 cf~~, on page 1 ante, para 2. The position stated in that paragraph has now changed. Mr. Gonsalves was offered a passage even in November 1945. He was paid travelling allowance, equipment allowance etc. But he could not sail, as he lost his suitcase. The Govt. then ordered recovery of the travelling, equipment etc. allowances paid to him, with the idea that when he got a passage later on he might be paid travelling etc allowance afresh then. But subsequently when a passage was secured for him ~~by~~ on Marine Lynx which left Calcutta on 28.7.46, Mr. Gonsalves offered to ~~[illegible]~~ purchase railway ticket, equipment etc. on his own; and the amounts ~~[illegible]~~ recovered with regard to "A" above, have been directed to be refunded to him.
