Rop.No.311 J1/45-46 dated 15-2-1946.

Sir,

Grant - Boarding - The Robinson Orphanage, Pallavaram
and St. Joseph's Boys' Orphanage, Ramnagar, Devakottai -
admission to aid.

I have the honour to submit the cases of the above
mentioned two newly opened orphanages for payment of boarding grant
during 1946-47.

2. (i) Robinson Orphanage, Pallavaram was opened on 3-7-43.
It is managed by the Madras Pentecostal Assembly church. As many
as fortysix inmates (all certified destitutes of the scheduled
classes) boarded in the orphanage during 1944-45 and a sum of Rs.2362/-
was spent for feeding and clothing them. Of these only two inmates
received boarding grant from the Commissioner of Labour. All
these inmates are receiving instruction in recognised elementary
schools. The sanitary condition of the orphanage is satisfactory.
Accounts are well maintained. Her Excellency the Hon'ble Lady Hope
visited the orphanage on the 25th July 1945. A copy of her letter
dated 26-7-45 addressed to the Correspondent is enclosed.

The first application from this institution for aid
was received on 1-11-44 - a month after the submission of Part II
schemes for 1945-46. The District Educational Officer was
therefore asked to advise the Correspondent to renew the application
for aid in time during 1945-46, but the application was again
belated and it was received in this office on 3-10-1945, after the
Part II Schemes for 1946-47 were submitted to Government.
I am of opinion that the management being not well acquainted
with the preparation of the application for boarding grant should
not be penalised in this respect, as the orphanage is mainly
intended for scheduled class pupils. The Correspondent represents
that if the orphanage is not paid grant during the current year
he will be forced to close the institution.

(ii) St. Joseph's Orphanage, Ramnagar, was started in
June 1944. It began with 52 inmates - 16 orphans and 36 non-orphan
destitutes all receiving instruction in the De Britto Secondary
School, Devakottai. This orphanage is also run satisfactorily.
The charges of this institution for 1944-45 amounted to Rs.4655/-.
It satisfies all the conditions of aid and deserves help. The
Correspondent applied for aid on behalf of this orphanage to the
District Educational Officer, Ramnad on 25-4-45. The application
had to be returned for revision and was received back in the
Deputy Inspector's office on 23-6-45. The application however
reached me only on 19-9-1945 i.e. after a delay of nearly 3 months.
It was not included in the list of Part II Schemes for 1946-47 as it
was received after 15-9-45, the last date prescribed for consideration
of Part II Schemes. The delay in the submission of the application
was not with the management, and I consider that the management
should not be penalised for no fault of their own. I am asking the
District Educational Officer, Ramnad, to submit his explanation
for the delay caused in the submission of this application separately.

In the circumstances explained above I request that
Government may be pleased to permit me to admit the two orphanages
to aid with effect from 1946-47 as a special case though no provision
therefor has been made in Part II of the Budget Estimate for that year.

p.t.o.

A sum of Rs.2,000 will be required for payment of grant to these orphanages next year under the provisions of the grant-in-aid Code.

4. The expenditure can be met from the provision under 37 Education in the year 1946-47.

Dear Mr. Vasu,

I so enjoyed my visit to the Robinson Home yesterday and should like to thank you and all the staff, visitors and children for your nice welcome for the lovely presents you gave me. I thought the playlet quite charming and most beautifully acted.

With all good wishes;

Yours sincerely,
Grizel Hope

They are received from the Association. Therefore, it seems unnecessary for the Government to give a promise that the grant will be continued annually and also that it will be increased.

Grant-Boarding - The Robinson Orphanage, Pallavaram and St Joseph's Boys' Orphanage, Ramnagar - Admission to aid in 1946-7

C.No 10463 /46 From the D.P.I. R.op No 311 J 1/45-46 dated 15-2-46

Under article 62 of the Grant-in Aid Code, a special grant may be made in aid of boarding charges to Indian Orphanages and boarding homes for destitute children, the grant being limited to two-thirds of the net boarding charges of the institution subject to a maximum limit of Rs 3 a month (temporarily raised to Rs 6 for the duration of the war) per pupil. All orphanages which are proposed to be newly admitted to aid are included in the list of Part II schemes and the grant is disbursed by the Director after provision is made in the Estimates of Expenditure. The Director has already proposed to admit 13 new orphanages to aid during the next year.

2. The D.P.I. now reports that it was not possible to include the Robinson Orphanage, Pallavaram and the St Joseph's Boy's Orphanage, Ramanagar, in the Part II proposals for 1946-7 as the applications were not received by him in time and requests that, as a special case, these two institutions may also be admitted to aid during 1946-7 as they are in need of financial assistance. In the circumstances stated by the D.P.I. his recommendation may be accepted. The expenditure on the payment of grant to these two institutions will be met from the provision made for boarding grants in the Estimates of Expenditure for 1946-7
