No. 1-D/D.SI.

Dated. 22nd January 1946.

Sir,

Sub: Bicycles - supply during 1946 - additional cycles - required.

Ref: Memorandum No.194/46-24 Public (Political) Department dated 10-1-1946.

I have the honour to state that four bicycles have been allotted to this office, in the distribution list of the above Memorandum. This office has eleven cycles, four of which are out of use, being beyond economical repairs. The rest of the seven are 10 to 15 years old and require constant repairs, for which spare parts are not easily procurable in the local market. Besides, the work of cycle messengers of this office has increased considerably. I therefore request to Government to increase the allotment from four to eight cycles to be able to cope up with the pressure of work in this office.

A.G. Anderson
Superintendent.

Govt Press - Bicycles - Addl Supply

Please see the S.G.P.'s letter in the C.F.

At the instance of Pale (Poll), reports were called for from the Heads of the Depts under the administrative Control of the Dept. Regarding the number of bicycles required during 1945 in their offices and the officers subordinate to them.

From the reports so received, the total requirements of bicycles were estimated to be 71 as shown in the Tabular Statement in para of Govt 268PH d 26.1.46 including 4 bicycles required by the S.G.P. In Pale (Poll) Memo no 194/46-24 d 10.1.46 the S.G.P. has been allotted all the four bicycles as requested by him previously.

2. The S.G.P. more pointed out that the four bicycles allotted to him are quite insufficient and requests, in view of the reasons set out in his letter, the Govt to increase the allotment from four to eight bicycles to him in order to cope with the pressure of work in the Press. Pale (Poll) may be requested to state whether by some bicycles can be spared for the use of Govt Press from the recent supply received by them.
