The draft memo overleaf may be accepted, ~~subject to the following remarks:-~~

2846 ^{new} 2846 In March last, the Dept. of Staty requested that sanction might be accorded for placing an indent on the Controller of Budget & Staty for 125 Subsep. 40 portable 10 brief case and 10 p. big sup. typewriters. He also said that the indent was based on the ~~corruption~~ ⁱⁿ 1945-6. He has now submitted a supplemental indent for 200 machines and has stated ~~that~~ ^{that} the machines as originally indented for have all been issued (within $3\frac{1}{2}$ months of the year). The rate of corruption in the first $3\frac{1}{2}$ months of the current year seems to have been excessive compared with that in the corresponding period of 1945-6. The Dept. of Staty. ~~has~~ ^{has} not given any reasons for the large increase in the rate of corruption in the current year. The SRPH. Dept. may perhaps be ^{call} requested to ~~ask~~ for a report on the point from the Dept. of Staty before issuing orders sanctioning the supplemental indent. He may also be asked to report whether he has reasons to think that the rate of corruption in the remaining part of the

* The delegation of power to certain officers to sanction ^{the} first supply of typewriters in offices subordinate to them has been withdrawn in 1944 due to the unsatisfactory supply position of typewriters and the need for obtaining the supply of typewriters from the C.P.S. Ltd. on account of the Typewriter Control Order, 1943. Since 1944, orders for ^{the} supply of typewriters to the various Govt. Offices are issued only by Govt. Renewals of old typewriters are arranged for by Hds of Depts with the Sgs and these are the only cases in which new typewriters are supplied by the Sgs without the sanction of Govt.

2. The Sgs has given reasons for the increase in the rate of consumption. The further marked 'A' on p1 of. Orders are issued by Govt in all the ~~the~~ three cases referred to at A on p1 of, except in the case of renewals as stated on p3 ante.

3. Fin may see the note above. ~~and they~~ ^{may} be requested to state whether it is necessary to call for any further information from the Sgs before ~~proceeding~~ ^{proceeding} the on p1 ante.

Some of our old machines have been typed almost to a standstill. ^{7/8/46} ^{8.8.46} instead of replacements being spread over the four or ^{three} ^{to savings yrs} years, all demands have been pushed ~~forward~~ and their cumulative effect is now becoming apparent.

Govt. organisation & establishment have

increased. Fin have ⁽¹⁵⁾ figures to show the percentage increase. Corresponding increase has to be made in the demand for typewriters. There would also be unsatisfied demands of past yrs. cases where typewriters have been sanctioned but not supplied.

The S. of S.
I feel ~~it is~~ ⁱⁿ ~~increase~~ ^{increase} is not likely to say anything new, but if Fin feel strongly I shall ask him for detailed figures under each of the three headings at A on p 2 of

Finance (Expr.C)

Please see the previous Finance note on pp.2-3 and the further note of E.& P.H. on pp.3-5 above.

With reference to E.& P.H. Deputy Secretary's note at 'K' on p.5 above, it is submitted that it will be useful to have

detailed figures under the three heads at 'A' on page 1 C.F., ~~as the figures~~

~~will show~~ how the increase ^{in consumption} has been caused. E.& P.H. may therefore

be requested to obtain ~~the~~ report ^{from the list of 85 firms} ~~concerned with the~~

~~these details.~~

2. To save delay, Finance may ~~perhaps~~ agree to another indent for 185 machines being placed in G.O.No.660, Education,

dated 26-3-46, the Superintendent of Stationery ^{may} being asked to apply again, ~~if necessary~~ in December 1946, ^{if more machines are required}

the report referred to at 'N' above may be obtained and

examined.
