Grants - Teaching - Aided Colleges, Secondary and Special Schools and grants to Indian Orphanages and Boarding homes - Part II scheme for 1946-47.

The policy of the Government is to rely mainly on aided agencies for the expansion of education. The practice has been to consider as a Part II scheme every year the question of budget provision for grants ^{for teaching} on account of recognition newly granted by the Universities in the case of Colleges and by the D.P.I., in the case of Secondary and Special Schools.

2. The D.P.I. recommends that provision may be made for the following grants in Part II estimates for 1946-47.-

	Ultimate cost.	Cost in 1946-47.
37(c) Education University - grants to non-Govt. Arts Colleges A. Teaching.	16,500/-	23,800
37(g) Education - Secondary Direct grants to non-Govt. Secondary Schools B-Non-European - Teaching.	44,400/-	1,06,500
37(n) Education - Special - Direct grants to non-Govt. Special schools - Teaching.	23,700/-	9,700

1. Ordinary areas - Boarding.	16,200/-	4,000
II - Partially included Areas -	1,00,200/-	4,000

2. Arts Colleges: Teaching grant 16,500/-. This is intended for the four institutions mentioned on p.1 c.f. The Veerasaiva Vidya Vardhaka College, Bellary, is an institution newly opened in the current year and the Government have already agreed to consider the case of the college for grant in aid. ^{of Rs 5000} The amount proposed may be provided in the budget.

A provision of Rs. 5,000 for the Mrs. A.V.M. College, Vizagapatam in connection with the opening of B.A., courses was proposed for inclusion in the estimates for the current year but it was omitted on the ground that the need for a Government grant ^{was not} has not been made out. The D.P.I., has again suggested the inclusion of a provision of Rs. 5,000 for this college, ^{Rs 5000} for the Zamorin's College, Calicut, ^{Rs 1,500 for the} and V.R. College, Vellore. Presumably the D.P.I., has

NOTE BY THE ADMINISTRATIVE DEPARTMENT.

The policy of the Govt. is to rely mainly on aided agencies for the expansion of education. The practice has been to consider every year the question of budget provision for grants ^{to institutions newly recognised} for teaching on account of recognition newly ~~granted~~ by Universities in the case of colleges and by the Director of Public Instruction in the case of secondary and special schools. The provision for 1946-47 ^{for the purpose is} proposed indicate in the ^{Summary} ~~summary~~ for the purpose is at the top.

TEACHING GRANTS:-- These grants represent ordinarily

ordinarily one-half of the net cost of the institution. In the case of colleges and secondary schools, the teaching grants include also compensation payable to the private managements for the loss of fee income on account of the grant of fee concessions to backward classes under rule 92 of the Madras Educational Rules. In addition, grants are also paid to secondary schools towards one-half of the cost of scholarships awarded in accordance with schemes approved by the Director under rule 32 of the Grant-in-aid Code. Teaching grants to ^{non-govt} special schools including training schools are assessed by the Director under rule 45 of the Grant in Aid Code after a consideration of all the circumstances of the case. NOTE BY THE ADMINISTRATIVE DEPARTMENT.

The policy of the Government is to rely mainly on aided agencies for the expansion of education. The practice has been to consider every year the question of budget provision for grants to institutions newly recognized by Universities in the case of colleges and by the Director of Public Instruction in the case of secondary and special schools. The provision for 1946-47 proposed for the purpose is indicated in the summary at the top.

Teaching grants.—These grants represent ordinarily one-half of the net cost of the institution. In the case of colleges and secondary schools, the teaching grants include also compensation payable to the private managements for the loss of fee income on account of the grant of fee concessions to backward classes under rule 92 of the Madras Educational Rules. In addition, grants are paid to secondary schools towards one-half of the cost of scholarships awarded in accordance with schemes approved by the Director under rule 32 of the Grant-in-aid Code. Teaching grants to non-Government special schools including training schools are assessed by the Director under rule 45 of the Grant-in-Aid Code after a consideration of all the circumstances of the case. The amounts proposed are in respect of four colleges, 29 secondary schools and 21 special schools including ten training schools. A provision of Rs. 2,660 is included towards scholarships in 15 secondary schools.

Boarding grants.—Under article 62 of the Grant-in-Aid Code, a special grant may be made in aid of boarding charges to Indian orphanages and boarding homes for destitute children, the grant being limited to two-thirds of the net boarding charges of the institution subject to a maximum limit of Rs. 3 a month (temporarily raised to Rs. 6 for the duration of the war) per pupil. The Director proposes to admit 13 new orphanages to aid next year.

This Department recommends that a provision of Rs. 1,01,200 may be provided in the next year's budget.
