Sir,

SUBJECT:- Inspection - Men's Branch - Retention of posts of Personal Assistants to the District Educational Officers.

In connection with Part II of the Budget Estimate for 1946-47, I have the honour to submit for the favourable consideration of Government the following proposals for the retention of the posts of Personal Assistants to the District Educational Officers. The posts of 26 Personal Assistants to District Educational Officers were sanctioned in G.O.No.307, P.W.D. dated 16-2-1945. The personal Assistants were appointed to do war propaganda and also to relieve the District Educational Officers of a large portion of their daily routine work. Though the war is over there is still a strong necessity for the retention of the Personal Assistants for the reasons explained below. All the Divisional Inspectors have addressed me on the question emphasising the need for the retention of the Personal Assistant.

2) The work of the District Educational Officers has been steadily on the increase due to the opening of more schools year after year and the corresponding increase in office work and they are not able to give proper and adequate attention to matters really educational. Though the war is over, it has not taken away the additional work it has added to the Offices of the District Educational Officers in regard to concessions to children of soldiers, their admission into schools etc. This work as well as the problems that arise after the demobilisation of the military personnel will have to be attended to by the District Educational Officers in future. The compulsory Elementary Education Scheme which has now been launched is a progressive scheme and all matters concerning the working and extension of the scheme and effective control of and guidance to the supervisors who are to be appointed in connection with the scheme will add very much to the normal work of the District Educational Officers. The Divisional Inspectors state that the District Educational Officers cannot play their important part in educational matters unless they are relieved of a large portion of their office work. In the circumstances stated above, I feel that the retention of the Personal Assistants to the District Educational Officers is indispensable. I request that the Government may be pleased to retain the 26 posts of Personal Assistants to the District Educational Officers. I recommend that the posts may be placed in the cadre of Senior Deputy Inspectors of schools in the scale of Rs.70-10/3-130; 140-15/2-200. Unless the District Educational Officers are relieved of their routine work they cannot be expected to do much constructive work in the post war period.

3) The financial effect of the proposal is worked out below:-

1946-47:-

Pay of 26 posts of Personal Assistants to District Educational Officers 70 x 26 x 11 (11 months from 1-4-1946) = Rs.20,020 or Rs.30,000/-

Ultimate cost:-

Average pay of 26 Personal Assistants in the scale of Rs.70-200. 119.2 x 26 x 12 = Rs.35,183 or Rs.25,200/-

fice

4) I am including the necessary provision in Part II of the Budget Estimate for 1946-47.

I have the honour to be,
Sir,
Your most obedient servant,

M. S. Srinivasan

To The Secretary to the Government of Madras,

Sir,

Ref: Government Memo.No.43411-C/45-3 Edn., dated 5-11-1945

In reply to Government Memo cited above I have the honour to state that I have carefully examined the question, in consultation with the Divisional Inspectors of Schools and I am of opinion that a Personal Assistant is necessary for each of the District Educational Officers in the Province.

2. New schemes, such as compulsory Elementary Education, mid-day meals to poor children, General Grant of Military concessions, and Post-War reconstruction have all contributed to the increase of the work in the offices of the District Educational Officers. The question of ^{empowering} District Educational Officers to penalise defaulting ^{parents} is also under the consideration of Government. The vast amount of routine work besides the above schemes, gives no time to a District Educational Officer for any constructive work nor could he do justice to the Inspection work as he has to do the same very hastily in order to keep his office work up-to-date.

3. Besides the control and supervision of the District Educational Officer's office and attending to the routine intermediate correspondence the Personal Assistant may be assigned the following items of work:-

1. Work connected with the Teachers' Provident Fund.
2. Issue of Teachers' Service Registers.
3. Review of reports relating to the Elementary schools.
4. Checking of assessment lists and teaching grant bills.
5. Scrutiny of application for grants to boarding homes
6. Grant of Military concessions.
7. Work connected with Public Libraries
8. ~~Sticks~~ Stationery - checking and issue
9. Sanction of casual leave to the staff and to subordinate offices.
10. Signing of fair copies and
11. Opening of tappals when District Educational officer is in camp.

4. A statement showing the statistics of work in each District Educational Officer's office is submitted herewith as required by Government.

In 1943 the Government of India sanctioned the employment of a Personal Assistant to each of the Dist. Educational Officers on Rs.150/- for propaganda for the recruitment of candidates for training as technicians for the Defence Services, especially for the Indian Air Force. The Personal Assistants were also expected to relieve the District Educational Officers of a large portion of their routine work so that they could also pay attention to the war propaganda. These posts are to be abolished with effect from 1st December 1945.

The Director of Public Instruction reports that though the war is over there is still a strong necessity for the retention of the Personal Assistants and he requests that the posts may be continued. In support of the proposal he has stated as follows:

for any constructive work nor could he do justice to the inspection work as he has to do the same very hastily in order to keep his office work up-to-date.

Besides the control and supervision of the District Educational Officer's office and attending to the routine intermediate correspondence the Personal Assistant may be assigned the following items of work:-

1. Work connected with the Teachers' Provident Fund.
2. Issue of Teachers' Service Registers.
3. Review of reports relating to the Elementary Schools.
4. Checking of assessment lists and teaching grant bills.
5. Scrutiny of application for grants to boarding homes.
6. Grant of Military concessions.

8. Stationery - checking and issue.
9. Sanction of casual leave to the staff and to subordinate offices.
10. Signing of fair copies and
11. Opening of tappals when District Educational Officer is in cam."

In the circumstances explained the Director considers that post of Personal Assistants are indispensable and he recommends that the 26 posts may be retained in the scale of Senior Deputy Inspectors of schools on Rs.70-10/2-130-140-15/2-200.

From an examination of the statistics of work in the Offices of the District Educational Officers it is found that there has been a considerable increase of work in recent years. As the Director has not furnished figures relating to non-war work it is not certain how much of the increase in work will continue during peace-time also; the need for a Personal Assistant can be finally assessed only on the basis of peace-time work; but as it is obvious that some of the increased work will continue, this department considers that a post of a Personal Assistant to each of the District Educational Officers may be sanctioned with effect from 1st April 1946 for a period of one year, the necessity for the continuance of the post being reviewed in detail before the end of this period. The proposal involves an additional expenditure of Rs.25/- 25,200 in 1946-47 and an ultimate recurring expenditure of Rs.43,700 per annum. This department recommends that provision may be made in the Budget Estimate for 1946-47 as shown in the summary at the top.

The proposal of the D.P.I. is for the retention of the posts of 26 Personal Assistants to the D.E.Os. ^{these posts} The posts of P.As. to the D.E.Os. were sanctioned on a fixed pay of Rs. 150/- each in G.O.No. 307 P.W.D., dated 16-2-43 to relieve D.E.Os. of some of their administrative work ^{as} ~~as~~ to enable ^{them} the D.E.Os. to devote more time to intensive war propaganda in schools and colleges. As the war is over it is not known when the posts of P.As. to the D.E.Os. will be abolished. In the meantime the D.P.I. strongly recommends ~~for~~ the retention of the posts of 26 P.As. to the D.E.Os. for the reasons stated in para 2 of his letter on p.1 c.f. ^{unicler} The D.P.I. has also suggested that the posts of P.As. may be placed in the cadre of Senior Deputy Inspectors in the scale of Rs. 70--130; 140--200. Part II Scheme for 1946-47.

In the circumstances stated in the Director's letter in the C.F. and the increased work on account of introduction of compulsory Elementary education in the districts, the proposal to retain the existing posts of P.A. to the ~~the~~ D.E.O.'s ^(involving an extra cost of Rs 43742 p.a. recurring) may be agreed to in this department subject however, to the following remarks.

1. Nilgiris is a very small district and work of the D.E.O. will not be so very heavy to justify the appointment of a P.A. Omitting this district, it seems enough to sanction ^{a P.A.} ~~one~~ to the D.E.O.'s. The scale of pay proposed for the posts viz. ^{70-102-130; 140-157-200} ~~200/-~~ is the sanctioned scale of pay for Deputy Inspectors of schools and school Assistants and calls for no remarks. The E.&P.H. may be requested to prepare the necessary note on the Part II scheme.

The staff was specifically sanctioned for the purpose of doing propaganda, and it is no large requires for that purpose. If it is now said that should be retained for the purpose, the D.P.I. may be asked to furnish a statement that work has increased. *29.10.45*

The P.W.D. has issued orders abolishing the posts of P.A.s to D.E.O.s with effect from 1-12-45.

The D.P.G. has furnished statistics relating to work in the offices of D.E.O.s. It will be seen that there has been considerable increase of work in almost all the offices of D.E.O.s. In para 2 of the letter ^{as p. 2 of} he has given a list of the items that have contributed to the increase of work. In para 3 he has given the items of work then assigned to P.A.s.

File may be sent to Finance for further remarks.

(Please see the previous Finance note on p.2 above and the notes following.)

The D.P.I. has furnished statistics on p.9 c.f. to show the present state of work in each of the District Educational offices as compared with that in 1940-41. It is submitted that the Personal Assistants to the D.E.Os. were originally sanctioned to relieve the D.E.Os. of some of their administrative work so as to enable them to devote more time to intensify propaganda in schools. Now that the war is over and the necessity for propaganda has ceased, the D.E.Os. should be able to attend to their normal work.

The statistics furnished by the D.P.I. cannot be taken as a safe guide for judging the increase in work as they all relate to the war period when the D.E.Os. were in correspondence with the school authorities and other higher officers in connection with propaganda work. Any reduction in work will be felt only hereafter. Even if it is assumed that for the reasons stated by the D.P.I. in para 2 on p.7 c.f. there will be increase in work, it will be only in the office and consequently there will be justification for ~~the~~ strengthening the ministerial staff in the office only. In the circumstances there seems to be no case for sanctioning a P.A. to each of the D.E.Os. If the E.P.H.dept., however, wish to press the proposal, they may be requested to take orders in circulation whether the proposal should go forward as a Part II scheme for 1946-47.

DR 13.12.45. The D.P.I. has not furnished figures relating to non-war work. However Fin. may agree to the staff being sanctioned for one year & the question of the PAs should continue, being reviewed in detail next year in the light of figures. The figures for 45-46 will relate mostly to propaganda work, and the need for a P.A. can be assessed on the basis of these figures. Subject to the above, Fin. agrees to the proposal going forward as a Part II Scheme.
