A Supplemental indent has to be placed with the Supdt. of Stationery for the above articles as they have not been included in the Annual indent for 1946-47. The scale drawn laid down in the Stationery Manual does not provide for supply of articles of stationery for use at the residence of officers. Chief (OP) may be requested to obtain the sanction of Supdt. for the supply of articles referred to in CCB (3) above so that a Consolidated indent may be placed with the Supdt. of Stationery.

Please see pp 44 & 45 of the Stationery Manual Vol. II, Part II for the scale of supply of stationery articles to the Ministers and for the list of special articles ^{be supplied to} the Ministers.

There is no provision at present in the Manual for the supply of stationery articles to the residence of Ministers. Ch. Sectt require sanction for ^{such} supply of stationery articles to the residence of Ministers. This may be accorded. It is for Ch. Sectt to consider whether the same scale of supply as for office is necessary for the residence also.

2. At present no sanction exists for the supply of stationery articles to the Parliamentary Secretaries. Previously, the supply in 1937 should have been made from the stock in the C.C.B. Sanction may now be accorded to the supply of stationery articles for the office use of the Parliamentary Secretaries.

3. It seems sufficient to issue a general ~~order~~ sanction and C.C.B. may indent for the stationery articles required in the prescribed form. A draft order is submitted. It may issue after perusal by Ch. Sectt & C.C.B.
