PUBLIC (SERVICES) DEPARTMENT

G.O. No. 1443, 10th July 1941

Public Services—Probation—Counting of joining time—Instructions issued.

Order—No. 1443, Public (Services), dated 10th July 1941.

Under the statutory service rules only periods spent *on duty* counts towards the prescribed period of probation. The question has been raised whether joining time availed of by probationers on return from leave should be allowed to count towards the period of probation. Under clause (b) of definition (10) of the definitions prefixed to the general rules for the ^{Provincial} Subordinate Services, joining time forms part of duty. It has been decided that the period of joining time on return from leave should be counted towards probation if but for the leave the probationer would have continued to officiate in his post.

(By order of His Excellency the Governor)

S. V. RAMAMURTY,
Chief Secretary.

To all Heads of Departments (including Collectors and District Judges),
