From N. Venkatarama Ayyar,

To The Secretary to Government,
Education and Public Health Department.

Thro' The Superintendent,
Government Press.

Sir,

I beg to submit the following appeal against the orders of the Superintendent, Government Press, dated 12-4-1945 (copy enclosed).

I entered service as a Secondary grade teacher in the Teachers' College, Saidapet, on 3-10-1921. In 1925, I passed the Deputy Inspector's Test, Part I (Clerical with accounts). Between the years 1924 to 1942, I served as a secondary grade teacher in the scale of Rs.35-60 in the Government Training Schools at Koilpatti, Tinnevely ~~Misixixix~~ and Madras. In Training Schools, especially Higher Elementary Schools, there are no posts of clerks. One of the teachers is entrusted with clerical duties and some relief is given to him in teaching work. In the Higher elementary Training schools at Koilpatti and Madras I was practically a Clerk though designated Secondary grade assistant. Though there is a clerk in the Secondary Training School at Tinnevely, I was asked to assist him while I remained there for seven years, in view of my experience in the clerical line. During all these years, the inspecting officers have testified to my work both as a clerk and as a teacher.

2. In February 1942, the then Superintendent, Government Press (Mr. Lepper), was pleased to appoint me as a Clerk in the Press in the scale of Rs.40-65 while I was then working in the adjoining Government Training School. In making this appointment he was apparently satisfied with my work as a Clerk with many years' experience in the Education Department. I was then given to understand by him that the number of experienced clerks in the Press was few and that I would be of much assistance in the Press. In view of rule 30 of the Madras Provincial and Subordinate Services, I was not required to undergo any probation and was confirmed as a lower division clerk in a permanent vacancy with effect from the date of my appointment in the Press, viz., 11-2-1942. 1-4-43.

3. Rule 29(c) of the General Rules for the Provincial and Subordinate Services says that the seniority of a person in a service, class, ~~or~~ category or grade shall be determined by the date of his first appointment to such service, class, category or grade. The post of Secondary grade assistant held by me till February 1942 is borne in the Madras Educational Subordinate Service. The post of clerk in the Press is included in the Madras Ministerial Service. My seniority as a clerk dates only from 11-2-1942. But in view of the circumstances stated in paragraphs 1 and 2 above, I beg to request that the provisions of the rule may be relaxed in my favour and my seniority may be ordered to be fixed from the year 1925, the year of my passing the Deputy Inspector's Test, Part I. From that year, I have been continuously doing the duties of a clerk. This request is made in view of the fact that promotion ~~is~~ to higher posts in the Government Press in the scales of Rs.55-70 and Rs.70-100 is based on seniority and merit. In this connection, I may be permitted to state that the scale of pay of a Secondary grade teacher and a lower division clerk is identical, viz., Rs.35-60 in the old scale and Rs.30-55 in the revised scale. Transfers used to be made between these posts now and then. The following are instances in support of this statement:-

(a) Sri G. Subrahmanya Ayyar, lower division clerk in the office of the Superintendent of Sanskrit Schools, was sent out as a Secondary Grade teacher in 1928; he is still in service in the Government Training School, Mint Buildings.

(b) Sri M.R. Rajagopala Ayyangar was a Secondary grade teacher for a long time; he was transferred as a clerk by the District Educational Officer, Tanjore, many years ago; afterwards he was promoted as a Head-clerk in the scale of Rs.60-80; he is now the Accountant in the College of Engineering, Guindy.

(c) In 1923, Sri Venkateswara Ayyar, a Secondary Grade Assistant in the Higher Elementary School, Koilpatti, was transferred as a clerk in the office of the District Educational Officer, Tinnevely; he is ~~at~~ at present Head-clerk in that office.

4. Till February 1942, I was drawing a pay of Rs.57 in the scale of Rs.35-60, while I was in the Training School, and was also granted a Presidency allowance of Rs.6½. On my appointment in the Press my pay was fixed at Rs.55 plus 2, personal pay, plus Presidency allowance - Vide G.O.No. 1327 Edwd 19.9.42. In 1943 I was given a personal pay of Rupee 1 in the same G.O. My present pay is Rs.58 in addition to the Presidency Allowance. I request that I may be permitted to draw pay at Rs.60, the maximum pay which I would have drawn had I continued in the Educational department.

5. I also request that I may be granted a personal hearing.

I beg to remain,
Sir,

Your most obedient servant,

Sir,

15 JUN 1945

Subject:- Petition of Sri N. Venkatarama Ayyar - regarding
his seniority in the service in the cadre of
lower division clerk.

In forwarding herewith the petition of Sri N. Venkatarama Ayyar I have the honour to state that the petitioner was first appointed as an officiating clerk from 11-2-1942 on application received from him offering his services by transfer to this Press as at that time no Service Commission candidates were available and eventually confirmed as a clerk in the lower division with effect from 1-12-1942. For purposes of adjudging his seniority in the grade, the Director of Public Instruction was referred to for remarks and he declared that it should be determined with reference to the date of joining the Ministerial Service by transfer from the Educational Subordinate Service.

2. His seniority was accordingly fixed in this office. On a further representation from the petitioner, the matter was referred to Government in my letter No.SBC/Mis dated 24-3-1945. wherein full details of the case were furnished to Government. The decision of Government in this respect in G.O.No.545 Edn., dated 9-4-1945 was communicated to him and he has now petitioned against this order.

3. I have no remarks to offer regarding his statement on the admissibility of mutual transfers as between the Madras Educational Subordinate

Subordinate Service and the Madras Ministerial Service
as I have no records to verify the facts.

Sir,

In reply to Government Memorandum No. 24745 F-1 Education dated 9.6.1945, I have the honour to state as follows:

1. Sri G. Subrahmaniam Ayyar, a permanent clerk, was transferred as a Secondary Grade teacher in 1928. The post of clerk are on an identical time scale of pay. As his transfer was made before the issue of special rules for the subordinate services, his service as clerk has been taken for purpose of seniority in the category of secondary grade teachers. He has no scope for further promotion.

2. Sri K. Rajagopal Ayyangar, a permanent secondary

grade teacher, was transferred as clerk before the issue of special rules for subordinate services. His total service as clerk and secondary grade was taken into account for the purpose of promotion. He was first promoted as Head clerk, Office of the District Educational Officers and thence as Accountant, College of Engineering, Guindy.

3. The District Educational Officer, Tinnevely states that Sri S. Venkateswara Ayyar was officiating continuously from 6.11.1914 to January 1923 in the post of Secondary Grade teacher and old supervisor of elementary schools and he was first confirmed as clerk with effect from 13.1.1923. His seniority as clerk is fixed with reference to the date of his confirmation in the post i.e. from 13.1.1923. He never held his permanent lien on the post of a secondary grade teacher.

I may add that after the issue of special rules for subordinate services the seniority of a person is determined with reference to his first appointment to the particular service.

C.No.24746. From the S.G.P., SBC., dated the 31st May 1945.

Sub: GOVERNMENT PRESS - Petition from Sri N.Venkatarama Ayyar regarding seniority.

Sri N.Venkatarama Ayyar has submitted a petition to Govt. against the orders issued in G.O.No.545 Edn., dated 9-4-45. In that G.O., the S.G.P. was informed that, under rule 29(a) of the General Rules for the Provincial and Subordinate Services, the seniority of Sri N.Venkatarama Ayyar among the lower division clerks of the Government Press should be fixed only with effect from 11-2-1942, the date of his first appointment to the post of L.D. clerk in the Government Press.

2. The petitioner requests that the seniority may be fixed among the L.D. clerks in the Government Press with reference to his entry in the Madras Educational Subordinate Service, on the ground that the post which he held before he joined the Govt. Press, namely Secondary grade training teacher is on an identical scale of pay with that of the L.D. Clerk of the Govt. Press. In para 1 of the present petition, he has pointed out that though he held the post of a secondary grade teacher, he had to do clerical duties also. The S.G.P. has no objection to fix the seniority with reference to his entry in an identical scale of pay viz. Secondary grade teacher.

3. The petitioner cites ^{Re} 3 following instances in the Edn. Department, in which the services as secondary grade teacher have been taken for the purpose of seniority in the category of clerks:

- 1) Sri G. Subramania Ayyar; (2) Sri K. Rajagopala Ayyangar;
- 3) Sri S. Venkateswara Ayyar.

The D.P.I. who was consulted has offered his remarks.

In the case of Sri G. Subramania Ayyar, the D.P.I. states that ^{when he was} a permanent clerk, he was transferred as a secondary grade

Considering his length of Service, H.E. the Governor of Madras directs under Rule Section (5) of Section 241 of the Govt. of India Act 1935 that rule 24(a)(ii) of the Madras Ministerial Service Rules be relaxed in favour of Sri N. Venkatarama Ayyar so as to ~~enable~~ regularize his Confirmation as a L.D. clerk in the Govt. Press with effect from 1-12-42.

2. The Govt. are not prepared to relax rule 29(a) of the General Rules of the Madras Provincial and Subordinate Services in the petitioner's favour with a view to fix his seniority according to his length of Service.

teacher in 1928 and as the post of secondary grade teacher and the post of ~~xx~~ clerk ^{was} on an identical time scale of pay and as the transfer was made before the issue of special rules for the subordinate services, his service as clerk has been taken for the purpose of seniority in the category of secondary grade teachers.

4 Sri Rajagopala Ayyangar, a permanent secondary grade teacher was transferred as clerk before the issue of special rules for subordinate services and a total service of clerk and secondary grade teacher was taken into account for the purpose of promotion. He also stated that he was first promoted as Head-clerk in the Office of the District Educational Office and then Accountant, College of Engineering, Guindy.

5 As for Sri S.Venkateswara Ayyar, it is stated that he was officiating continuously from 6-11-1914 to January 1923 in the post of secondary grade teacher and old Supervisor of Elementary Schools and he was first confirmed as clerk with effect from 13-1-1923; but the seniority as clerk was fixed with reference to the date of his confirmation in the post namely 13-1-1923 and that he never held his permanent lien on the post of a secondary grade teacher.

6 The D.P.I., further observes that after the issue of special rules for the subordinate services the seniority of a person is determined with reference to his first appointment to the particular service.

7 The petitioner entered as secondary grade teacher in the Edn. department on 3-10-1921 and passed the Deputy Inspector's test Part-I Clerical with Accounts in 1925. He entered the Government Press on 11-2-1942 as L.D.Clerk with scale identical with that of the secondary grade teacher and was confirmed in that post from

1-12-1942. The petitioner has put till now in Government service nearly 24 years of service, and it seems really a hard case to fix his seniority as L.D. clerk from the date entered in the Govt. Press namely 11-2-1942. It is for consideration whether his

case may be treated similarly as the cases of Messrs. G. Subramania Ayyar & K. Rajagopala Ayyangar in the Education Department

allowing him to count his service as secondary grade teacher

for the purpose of seniority in the category of clerk. If this

is to be done, the relaxation of service rules is required.

Public (Services) may be before circulation, advice if there is

any justification for relaxation of rules (or any present)

the petitioner requests for a personal

interview to explain his case to the D.S.

Please to S.G.P. end on 1-2-45.

These cases were before the rules were passed. If this case is b/c allows, relaxation rules will be necessary. Orders will be taken in and action.

The petitioner Sri N. Venkatarama Ayyar entered service as a secondary grade teacher on 6-10-1921. He states that he was actually doing clerical work from 1925 in which year he passed the Deputy Inspector's test, Part I (Clerical with Accounts). He was appointed as a lower division clerk in the Government Press on 11-2-1942 by transfer under rule 3(e) of the M.M.S. Rules. He was confirmed in that post on 1-12-1942.

2. Under rule 29(a) of the General Rules, his seniority in the category of lower division clerks should be fixed only with effect from 11-2-1942. Orders to this effect were already passed in G.O.No.545, Edn., dated 9-4-1945. The petitioner's request is that, in view of his long service in the Education Department, rule 29(a) of the General Rules may be relaxed in his favour and his seniority may be fixed with reference to the year 1925. This will help him to be promoted to the higher grades of clerks on Rs.55-70 and Rs.70-100. If

3. If it is considered that the rule should be relaxed and the petitioner should be given a higher rank, the file should be circulated to A-1 and H.E. His Excellency's special responsibility ^{of the Govt. of India Act, 1935} under section 52(1)(c) will be involved in this case.

4. Another point which arises in this connection is how Sri Venkatarama Ayyar was confirmed with effect from 1-12-1942. Under rule 34(a)(ii) of the Madras Ministerial Service ^{Rules} ^{should} he ~~must~~ have undergone probation for a period of two years before confirmation. There appears to be an irregularity here, which has to be rectified. E. & P.H. may be requested to take up this question with the S.G.P.

5. The file may be returned to the E. & P.H. Department.

The facts of the case are as follows:

One Sri N. Venkataraya Ayyar, a Secondary grade teacher in the Educational Subordinate service on Rs. 35-60 was appointed by transfer as a lower Division Clerk in the Govt. Press on 11-12-1942. He was confirmed in the post on 1-12-1943.

The Clerk has put in a petition to fix his seniority among the Lower Division Clerks in the Govt. Press with reference to his entry in the Madras Educational Service, on the ground that both the posts are on identical scales of pay.

Under Section 29(a) of the General Rules, the seniority
the category of Lower Division Clerk should be fixed
only with effect from 11-2-1943, the date of his first

as a clerk

appointment. If the petitioner's request is to be conceded, rule 30(a) of the General Rules will have to be relaxed. Public (Ser) hold that there is no justification for relaxation. This Dept. also agree with this view.

It is proposed to negative the request of the petitioner. / irregularly

It is observed that the clerk was confirmed on 1-12-1942. Under rule 34(a)(ii) of the Madras Ministerial Rule, he should have undergone probation for a period of two years before confirmation. As this irregularity has been discovered only during the examination of the case now, it is proposed to regularise the confirmation of the clerk by relaxing the rule 34(a)(ii) of M.M.S. Rules.

Public (Services) have no objection to this relaxation in view of the circumstances set out by the S.G.P. that the clerk was holding the secondary grade teachers post on an identical time scale of Lower Division Clerk interchangeable and though designated as a teacher, ~~he is~~ ^{was} actually discharging the duties of a clerk. Orders are requested in circulation on this point. The file may be circulated to A-4 and A-1.
