No. 549-1/46 dated 14 March 1946.

Sub: Journal of Indian Museums- Honorary
Editorship - Permission sought.

The Museums Association of India elected me at its last Annual Meeting as the Editor of its half-yearly publication, the Journal of Indian Museums, which serves as a professional forum for museum workers. Dr. Mortimer Wheeler, the Director General of Archaeology in India and the heads of other All India Surveys are expected to be on the advisory board of the Journal. Since it is only a half-yearly publication, and all the business management, printing and distribution are undertaken from the office of the Secretary of the Association at Bombay, the editorship of the Journal will not make any undue claim on my time. That a servant of theirs is asked to undertake

I have the honour to be,
Sir
Your most obedient servant,

A. Aiyappan
