Post of Principal, Arthur Hope College of Technology,
Coimbatore - ~~Retention~~ - Sanction of scale of pay.

In G.O. 1031-Edn. dated 11-7-45, the Govt. sanctioned the employment of staff required for the Arthur Hope College of Technology, ^{Coimbatore} in the first instance, for the period up to 30-6-1947. The post of Principal was also one of the posts included in the sanction. Pending further arrangements in regard to filling the office of Principal, the Govt. created a temp. post of Principal for 1 month from 5-7-1945 and appointed Dr. J.J. Rudra, Principal, College of Engg., Guindy, to it. The sanction accorded to the temp. post ^{of Principal} was further continued till 30-6-1946 and Dr. Rudra continues in the post. The D.P.I. has now proposed that arrangements may ~~now~~ be made to fill the office of Principal and also fix the scale of pay of the post as Rs. 1,250-50/2-1,500, the scale sanctioned for the post of Principal of the Guindy College in G.O. No. 1471-Edn., dated 19-9-45.

2. The post of Principal, College of Engg., Guindy, was being held by an I.E.S. officer till 1941 when Dr. Rudra was appointed to it. On appointment, Dr. Rudra was allowed his substantive pay ^(Rs. 900) as Professor of Elec. Engg. plus a duty allowance of Rs. 50. This pay he continued to draw till 31-7-44, when, on his representation, the scale of pay of the post was fixed at Rs. 800-100/2-1,000. In Septr. 1945, in view of the importance of the college and in consideration of the scales in vogue in Engg. Colleges in other Provinces, the pay of the post was raised to Rs. 1,250-50/2-1,500.

3. As already stated, the present sanction for the post of Principal of the Arthur Hope College lasts till 1st July 1947. The sanction for the other staff employed in the college also subsists till that date. The question for consideration is what pay should be granted to the post of Principal. When the question of raising the pay of the Guindy College Principal was examined in Septr. last, the view was

recorded that a scale fixed for the Guindy College might have to be applied to the post of the Principal of the Coimbatore College also. It was decided then that this question might be examined on its merits, at the proper stage.

The first year course in the college at Coimbatore is almost drawing to a close. The present strength of the college is about 75 and it is expected to increase to about 150 next year. The number will rise to 300 at the beginning of the fourth year. The no. of inmates of the Hostel attached to the College is 74. The strength of the College of Engg., Guindy, is ~~about 700~~ 726 and the no. of inmates in the hostel attached to that college about 600. It may be mentioned that the D.P.I. has proposed, separately, the immediate appointment in the college, among others, of five Professors (one each for Mech., Civil, Elec., Automobile Engg. and Textile Technology) on a scale of Rs.600-900, to take up the work of organization of the courses in the ensuing summer vacation and to meet the University's requirements. The scale proposed for the Professors is the existing M.E.S. scale of pay for Professors of the Engg. College, Guindy. The College will be passing through its stages of development during the next few years and it may require the services of an experienced and senior officer as its Principal. Presumably, a senior Professor of the Guindy College will have to be transferred to the post of Principal of the college. The Professor will be drawing pay in the scale of Rs.600-900. It seems necessary that a scale which should

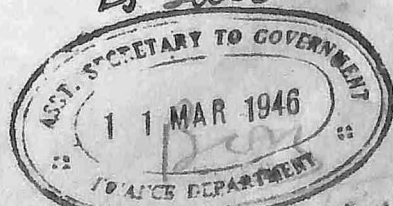

attract the best men should be given to the post. *In view of the fact that the college is a smaller than the Guindy College it is for consideration whether the scale of pay suggested by Finance at the time of raising the Guindy College Principal, viz. Rs.1,000-50/2-1,200, in August last may be sanctioned for the post, for the present. Finance may see for remarks.*

27.2.46

the question of raising ad hoc rules will be taken up after the scale of pay is settled.

2. Dr. Rudra of the College of Engineering, Guindy, is now holding the post of the Principal in the Arthur Hope College, Coimbatore.

3. It will be seen from the notes of E & P.H. on page 2 above that the strength of the College at Coimbatore even at the beginning of the fourth year will not exceed 300 as against the strength of 726 in the Guindy College. The strength of the inmates of the Hostel at Coimbatore will not also possibly go beyond 300 - it is bound to be less for the reason that some of the students will live privately in their own homes - as against 600 in the College of Guindy. It would therefore follow that the work of the Principal of the Arthur Hope College, Coimbatore is not comparable to that of his compeer at Guindy. In fact, the work for the Principal of the former College is bound to be less arduous and heavy. It is no doubt true that this Department suggested a scale of Rs.1,000-50/2-1200 for the Principal-ship of the Guindy College in August last in substitution of the scale of Rs.800-100/2-1000 then existing. But the suggestion was made in view of the importance of the College and the exacting nature of duties involved.

4. It would therefore in the circumstances seem more appropriate to sanction a scale of Rs.800-100/2-1000, the scale allowed for the Principal, Presidency College, Madras, and the Teachers' College, Saidapet. Even if a senior Professor of the Guindy College in the scale of Rs.600-75/2-900 is appointed to the post after the retirement of Dr. Rudra, the scale of Rs.800-100/2-1000 should be sufficiently attractive to take up the post. In the circumstances, it is for orders that this Department may suggest the above scale.

If the above suggestion is accepted, there will be a saving of Rs.2,713 p.a. between the scales suggested by E & P.H. and this deficit. A I may see the case. work in the Engineering College is having some Principal of the college at Coimbatore who have a lot of problems to

The proposal in the file is to fix a scale
of pay for the post of Principal, Arthur Hope College of
Technology, Coimbatore. The D.P.I. has suggested Rs.1,250-
50/2-1,500, the scale sanctd. for the post of Principal, Engg.
College, Guindy. The scale recommended by this Dept., and
accepted by Finance, is Rs.1000-50/2-1200 - pp.2-4 above.

The case may be circulated for orders.
