To The Secretary to Government,

Sir, Sub: Teachers College, Saidapet - Appointment of a Sewing

In connection with Part II of the Budget Estimate for 1946-47 I have the honour to submit for the favourable consideration of the Government the following proposal for the appointment of a Sewing Mistress in the Teachers College, Saidapet, and to state as follows:

2. The Principal reports that "Needle Work" is considered an indispensable subject for girls and that many high schools for boys that admit girls have made provision for instruction in Needle Work for the sake of the girl pupils. The number of the girl pupils in Forms I to VI of the Model High School in the Teachers College, Saidapet with in the current ~~xxxx~~ school year is reported to be 74. It is also reported that girl pupils of classes (4) and (5) numbering 38 of the Kindergarten section attached to the College may be also given instruction in Needle work. The Principal therefore reports that there is a definite need for the employment, in the College, of a Sewing mistress and that she will be given full time work (i.e.) a minimum of 16 periods teaching work per week and that the Sewing mistress, when appointed, shall be under the supervision and guidance of the Lady Superintendent of the Kindergarten section. Accommodation for the proposed classes is reported to be available.

3. In the circumstances stated by the Principal I consider the proposal as desirable and request that the Government may be pleased to sanction the post of a sewing mistress in the college from June 46 in the scale of Rs. 30 to 55.

4. The financial effect of the proposal is shown below:
