The Government have sanctioned a subsidy of Rs.3100/- in G.O. The Board has actually incurred an expenditure of Rs.3228-4-0 and the whole amount is due to the board since the amount claimed does not exceed the maximum amount admissible under the orders of Government i.e., Rs.100/- per teacher.

2. Under the circumstances explained above I request that necessary recommendation may be made to Government for the grant of balance of subsidy due to the board i.e., Rs.128-4-0.

9. During office hours the members of the establishment must behave in quite and dignified manner. They must address other members of the establishment courteously. They must attend to their work diligently and not waste their time. Perfect silence should be maintained during the working hours and wherever necessary, the members must talk in a low voice. They must not divulge the deliberations (whether expressly marked confidential or not) that may have come to their knowledge in their official capacity. If any member of the public comes to them for any such information, they will refer him to the Superintendent of the Section. Presents or remunerations in whatever form should not be accepted from any visitor or any other person resorting to the office on business. If any member of the office establishment thinks that he has any grievance, he may represent it to the D.D.P. in person. It will however, be more convenient if such matters are submitted in writing so that the officer can examine the conditions at leisure, referring, if necessary, to the concerned records.

10. Tidiness and cleanliness of the office: A wastepaper basket must be kept within a convenient distance of every clerk so that the waste paper may be thrown into those and not on the floor. Stationery and records must be put away tidily in the concerned almirahs, racks etc. The section superintendent and the Senior Superintendent should see that all rubbish waste forms or publications are cleared away and not left to litter the office. The rooms in the office must be properly swept and dusted daily.
