From
Sri W.P.A. Soundrapandian,
President, District Board, Madura.

To
The Director of Public Instruction,
Madras.

Sir,

Sub: Education - Elementary - Revised Budget Estimate for 1945-46 - and Budget Estimate for 1946-47 - Madura District Board - Submission of.
Ref: Your Ref. No. (Illegible) dated 10-10-1945.

I forward herewith in duplicate a draft Budget Estimate of the Elementary Education Funds of the District Board for the year 1946-47 together with all the necessary particulars for favour of your approval.

As the expenditure could not be restricted to the receipts for ~~the~~ various reasons, including payment of dearness allowance and employment of additional staff and the introduction of compulsory elementary education, the budget estimate has closed with a minus balance of Rs. 2,95,750/-. Unless Government are pleased to sanction this amount as a special grant for this year to meet the extra expenditure shown in the statement enclosed, I submit it would be impossible for the district board to maintain the schools.

I therefore request that you will be pleased to recommend to Government the request of the District Board for a grant of Rs. 2,95,750/- and approve the draft budget estimate.

P.T.O

(2) In the Revised and Budget Estimates on the Expenditure side, provision has been made for the compulsory education centres opened, and for the introduction of the scheme in some more centres during 1946-47 and an equivalent amount has been taken credit for under the receipts side. I request that you will be pleased to recommend to Government the sanction of the amount required for this purpose as Government subsidy.

A copy of the District Board Resolution No. 104 dated 14-12-45 approving the budget estimate is sent herewith.

Sir,

Sub: Education-Elementary-Dearness allowance for July 1944 to December 1944-payment to Board Elementary school teachers-utilisation of the closing balance of Rs. 71341-12-10 under the Elementary Education Fund on 31-3-46-Madura District Board - orders of Government solicited.

Government in their order No. 1172 dated 28-5-45 sanctioned the payment of the revised rates of dearness allowance of Rs. 16 and 18 to servants of the district boards with effect from 1-1-45. The enhanced rates of dearness allowance have since been given effect to from 1-7-44 in the case of Government servants. It is just and reasonable that the servants of the district boards should also be shown the s[illegible] consideration as Government servants. There is a clo[illegible] balance of Rs. 71341-12-0 under the Elementary Educa[illegible] Fund for the year 1945-46 and this is only a saving from the contribution adjusted from the General Funds of the Board to the Elementary Education Funds during the year. The extra expenditure that will have to be incurred if Government are pleased to sanction the payment of the arrears of dearness allowance to the teachers of Elementary Schools of the District Board with effect from 1-7-44 can be met from these savings.

I request Government will be pleased to permit the District Board to utilize the actual closing balance referred to above for the payment of the arrears of dearness allowance to board elementary school teachers for the period from July to December 1944.

The Board was put to an additional expenditure of Rs 1.43 lakhs on this account in the current year. ~~The~~ Provision has been made for the extra expenditure in the R.E. A subsidy of Rs 1.22 lakhs has been paid towards the cost of the allowance. Credit has also been taken for the subsidy in the R.E. The question whether any further payment sh. be made has been reserved for consideration. The revised estimate results in a deficit of Rs 55780. It appears that a subsidy sh. be paid immediately towards this deficit. If not, the salaries of teachers ~~will~~ may be kept in arrears. [The total subsidy paid this year will be Rs 1.78 lakhs against an expenditure of Rs 3.45 lakhs on dearness allowance]

4. The budget as framed by the Board closes with a deficit of Rs 2.96 lakhs. If a subsidy is paid this year towards the deficit of Rs 55,780 as suggested at A on p 2 ante, the deficit for 1946-47 will be only Rs 2.40 lakhs. The contribution provided from the general funds has not been raised sufficiently× high. It is not known whether it can be increased further. L.A. may be consulted on the point. The rate of edn. tax has been raised to 14 pies & this has been considered the maximum for Madras. If no further contribution is forthcoming from the general funds a subsidy to cover two-thirds of the deficit viz Rs 1.60 lakhs may be paid early in April. The payment of the balance may be considered in June or July after ascertaining the actuals

5. Compulsory edn. (1) Revised Estimate

1945-46 The scheme of compulsory edn. introduced this year aims at bringing under instruction ultimately 10278 children. Of these two-~~third~~ (6850) may have been enrolled in school this year. The Dt. Board has appointed 173 ~~additional~~ teachers in schools in the compulsory areas. The provision seems adequate. Against a subsidy of Rs 39740 taken credit for, a sum of Rs 11750 has alone been sanctioned. The question of sanctioning a further subsidy will be considered on receipt of the report called for from the P.D.B.

(2) Budget Estimate - 1946-47

Besides the 6850 children enrolled this year ~~x~~ about 2000 children will be brought to school ~~to~~ in 1946-47. Provision has been made in the budget for the employment of 27 additional teachers in 1946-47 in the compulsory areas. Presumably the teachers are intended for educating the new children (2000). The number of teachers ~~seems~~ insufficient. Perhaps it may be increased if the need arises.

p 12 cf

The Govt. propose to extend the scheme of compulsory edn. to other villages in each dt. in 1946-47. Provision has been ×made in the budget for the "extension" scheme also.

× 200 addl. teachers will be employed in the new areas.

Under capital the following expenditure has been provided :—

(a)	Land & buildings	Rs 1,00,000
(b)	Equipment	33770.

p 22 cf

(a) above The allotment is intended to meet the cost of erection of sheds for schools in compulsory areas. The sheds are to be put up only in places where rented ~~[illegible]~~ accommodation is not available. The provision seems excessive. Perhaps the amount reqd. may be fixed after details of the "extension" scheme are settled.

p 18 cf

(b) above Of ~~the~~ provision, Rs 22700 is intended in respect of 227 teachers to be employed under the "extension" scheme in 1946-47 at Rs 100 per teacher. The balance of ~~Rs 33770~~ Rs 11070 is for the supply of addl. equipment to schools opened this year in the compulsory areas. The maximum expenditure on equipment has been fixed at Rs 100 per teacher. Of this, the expenditure provided in the R.E. is only at the rate of Rs 36 per teacher. The balance of the cost is to be incurred in 1946-47. A sum of ~~Rs 12770~~ Rs 11070 will be necessary ~~at~~ for the purpose at the rate of Rs 64 a month for 173 ~~200~~ teachers.

for 6000 children (for 12 months) 144,000
for 3000 children (for eight months) 48000

In G.O.No. 1590 Edn., dated 9-10-45, an advance subsidy of Rs 1.22 lakhs was sanctioned to the Madura District Board, towards the cost of dearness allowance debitable to the Elementary Education Fund. It is now found that it is necessary to sanction a further subsidy of Rs 55,780. The total amount of subsidy this year will be Rs 1.78 lakhs. The draft order below may be accepted.

2. E.& P.H. propose that an advance subsidy may be sanctioned in April 1946 to cover 2/3rd of the anticipated deficit in the E.E. Fund at the end of 1946-7. Submitted that it is quite unnecessary to sanction in the beginning of the year an advance subsidy, as proposed by E.& P.H., without any reliable data. In similar cases, Finance have pointed out that the subsidies towards deficit expected in 1946-7 may be sanctioned after the actual opening balance on 1-4-46 is known (and after the amount of contribution from the General acct. is determined with reference to the opening balance in that Acct. on 1-4-46. ~~E & P.H. may~~ E & P.H. may be requested to follow the same procedure in the present case also.
