R.O.C. 5604/45-B1.

From P.T. Raman Nayar Esq., I.C.S.,
Registrar, High Court, Madras.

To The Deputy Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George.

Madras, 15th March 1946.

Sir,

High Court Records - printing of -

I am to enclose a copy of the D. O. dated 14th March 1946 received from the Superintendent, Government Press, and to request that in the circumstances stated therein the Government may be pleased to continue the concession granted in G.O. No. 134 Ed. (Mis) dated 18-1-1946 for a further period of six months from the date of its expiry. In this connection I am to invite your attention to my letter R.O.C. 5604/45-B1 dated 16-1-1946 by which sanction was sought for resorting to private printing up to the commencement of the summer vacation of this Court in order to tide over the immediate emergency.

2

It was hoped that the vacation would give the Government Press sufficient respite to build up an adequate reserve against the needs of the year following the reopening of the Court. In actual fact even after resort to private printing the Government Press has been unable to furnish us with our current requirements. The emergency has not been tided over and today the High Court is faced with a complete shortage of ready work to be taken up for hearing. I am to emphasise that if the vacation is not taken advantage of to clear off the arrears pending with the Press so that a large number of cases will be ready when the Court reopens, the Court might as well not reopen at all.

Copy of D.O.No.A.S/H.C. dated 14-3-46 from the Superintendent, Government Press.

I had made arrangements to step up the daily output but unfortunately for the last three weeks urgent printing works connected with the elections, Secretariat indexes and of other departments have completely upset the arrangements. To augment the daily output, I have distributed cases to 11 private presses in the City who are improving their equipment to increase their weekly quota. The present labour unrest and shortage of skilled labour are other factors which are retarding the output of the private presses.

I expect that from April the Provincial Legislature will be in session and the work connected with them will fully

engage the Linotype Department for sometime. I will not be able to maintain even the present output and hence I will require the help of the private presses for at least six months. I request you to obtain orders of Government for the continuance of the concession granted in G.O.No. 134 Edn. Mis. dated 18-1-46 for a further period of six months from the date of expiry.
