Sub: Revival of full time post of Curator,
Numismatic Section.

making provision for revival.

I have the honour to address Government for the revival of the full time post of Curator, Numismatic Section, the need for which has already been stressed in my previous ~~letter~~ proposals. With the return of the collection of coins from Cuddapah and Salem, and the urgent need for the continuance of the work of the section, such as the maintenance of the accessions, stock and disposals registers, the cataloguing of the collection, the distribution of duplicates of treasure trove coins, and sale of spare coins to the public it is essential to have the services of a full time Curator. I have accordingly the honour to recommend that the full time post be revived as early as possible.

The qualifications prescribed for the post are

a degree of a University in the Province in Sanskrit or History with a knowledge of Indian Numismatics. There is no cause for apprehension that candidates with the requisite qualifications, are not likely to be available. On receipt of Government sanction, applications will be invited, and the most suitable candidate possessing the qualifications prescribed, will be selected for the post. The proposal to revive the post may accordingly be considered as a Part II Scheme for 1946-47.

A Part II Budget Estimate is submitted.

I have the honour to be,
Sir,
Your most obedient servant,

C.No. 40725A.

From the S.G.M. No. 1429-1/45 dated 13-9-1945.

Sub: Revival of full time post of Curator - Numismatic Section.

The S.G.M. has submitted proposals for the revival of full time post of Curator, Numismatic Section, previously designated as Numismatic Assistant. The proposal is to be treated as Part II Scheme of 1946-47 ^{and 48} estimated to cost Rs. 1,380/- as detailed below:-

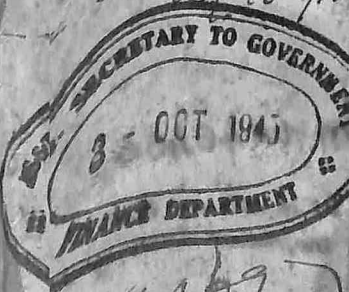

(i) Pay of the Curator Rs. 1,200 per annum.

(ii) Madras House allowance. Rs. 180/- per annum.

3. A full time post of Numismatic Assistant was created in 1925. When the incumbent of the post died in 1932, the post was kept in abeyance and part time post was created as a measure of economy. The ^{part time} post was continued from year to year and it was abolished on 24-3-42 and ~~it~~ was not revived thereafter.

3. In connection with the general evacuation of 1942, all the coins in the Government Museum and other valuables were sent to the District Treasuries at Cuddapah and Salem. They have since been ordered to be brought back to Madras. The post of the Curator was ordered not to be revived till the return of ^{those} coins. With the return of the collection of coins there is urgent need for work in the Numismatic Section as pointed by the S.G.M.

4. The proposal may therefore be treated as part II of 1946-47. The case may be sent to Finance D.O. for remarks.

E.P.H. propose to revive the full time post of Curator, Numismatic ^{Section} on a pay of Rs 100-10/2-200 (standard scale for posts of Asst. Professors and Lecturers) and treat it as a Part II scheme for 1946-47. The extra cost on account of the proposal works out to Rs 2,099 per annum recurring in the circumstances stated ^(in the) ~~E.P.H. note~~ ^{above}, the proposal.

The Government Museum, Numismatic section, contains a collection of valuable coins. A full-time Numismatic Assistant (now designated as Curator) was in charge of the section since 1925. When the permanent incumbent died in 1932, the post was kept in abeyance and a part-time post was created instead, as a measure of economy. During the period of general evacuation in 1942, all the coins in the Government Museum and other valuables were removed to the District Treasuries at Cuddapah and Salem. The post of part-time Curator was also abolished in March 1944 and it was decided not to revive it till the coins were brought back to Madras. As the war is now over the coins have been ordered to be brought back to the Government Museum. The Superintendent, Government Museum, reports that it is now necessary to revive the post of the full-time Curator.

The proposal of the Superintendent Government Museum is supported in this department; necessary provision may be made in the Budget Estimate for 1946-7 as indicated in the summary at the top.
