ENCLOSURES

Sub:- EDUCATION - Elementary - Compulsory - Supervising staff and clerical staff Employment of - sanction sought for. Ref:- My Ref.710-45-E10, dated 28-9-45 and 11-1-46. Government Memorandum No.4891-A1-Edn., dated 31-1-46.

I invite ythe attention of Government to my letters Ref.710-E10-45, dated 28-9-45 and 11-1-46 and request once again that the Government may be pleased to reconsider the matter, modify their orderquoted above and sanction the posts of three supervisors referred to there in, with the posts of the three peons as requested already in view of the additional grounds given here under:-

The Dt.Board Educational Officer, South Kanara, has enough work in the office itself. He has already been overworked since the last four months due to the spade work connected with the Compulsory Education with the result that the routine work in the office is unduly delayed. Several new schools have been opened in Compulsory Areas and some are yet to be opened after securing proper sites and buildings. Midday Meals Committees have been formed in all the Centres except in the localities where new schools have been opened recently. Feeding of children has been commenced in all the centres where committees have been formed already. I have also placed necessary advances at the disposal of the Committees concerned for the purchase of rice etc, required for supplying Midday Meals to poor children attending the schools in Compulsory areas. In order to ensure that the money advanced to these Committees is properly utilised and to see that proper accounts are maintained by them regularly, effective supervision is quite essential. Some more Committees have also to be formed in the Centres where new schools have been opened recently. The Dt.Board Educational Officer, South Kanara has practically no time to attend to all these kinds of work in addition to the usual work in office. I have already discussed these points with the Director of Public Instruction, Madras personally during his recent visit to Mangalore on 11-2-46 and he is fully convinced of the necessity of the employment of supervisors under the Dt.Board for the effective supervision over the Midday Meals Committees. As the President, District Board, is solely responsible for the money that is being advanced to these Committees, the supervisors will be appointed by the President, Dt.Board and they will be directly under the control of the President, Dt.Board.

3. The work relating to Compulsory Elementary Education will not be over after the cessation of the school

work; on the other hand it is expected to increase even after that date with the commencement of feeding of the poor children attending the schools in Compulsory areas. One additional clerk will be exclusively necessary for attending to the additional work of checking the accounts relating to the supply of Midday Meals to poor children, payment of advances to the several Committees and disbursement of salaries to the teachers appointed to schools in Compulsory areas, as well as for the proper maintenance of accounts relating to the receipts and charges under Compulsory Elementary Education Scheme and for the preparation of the periodical financial statements relating to the Compulsory Elementary Education Scheme for submission to Government.

4. In the light of these facts, I request further that the Government may be pleased to sanction the post of an additional lower division clerk at an early date as well as the continuance of the existing staff with effect from 1-4-46 in addition to the executive staff referred to in para one above for the efficient working of the Compulsory Elementary Education Scheme.

2. Proposals for the appointment of attendance officers for working out the compulsory scheme and for the supervision of the midday meals will be submitted to the Government shortly. Hence the question of appointing supervisors by the District Board need not be considered.

Proposals for the appointment of attendance officers for working out the compulsory scheme will be submitted to Government shortly. As per the Government Orders cited above, one upper division clerk, one typist and one attender have been appointed in this Office from 16-1-1946. Sanction for the appointment of the above staff was accorded only up to 31-3-46. As the work relating to Compulsory education is gradually increasing, the question of permanent retention of the above staff is may kindly be considered.

I therefore request that the Government would be pleased to accord necessary sanction for the retention of the above staff on a permanent basis. If, however, sanction for its permanent retention cannot now be accorded, I request the Government to be pleased to sanction the continuance of the staff for not less than 2 years from 1-4-1946.

I may kindly be permitted to order the continuance of the above staff from 1-4-46, in anticipation of the Orders of the Government, as I have, as suggested by the Inspector of Local Boards, & Municipal Councils, Madras ordered distribution of work among the members of the Elementary Education, taking also into account the establishment sanctioned up to 31-3-1946.

Additional staff for compulsory scheme - further
continuance on permanent basis - orders - requested

Ref:-1)G.O.No. Dis.1347 Edu dated 4-9-1945.
2)This office Ref.No.7181-D1-45 dated 11-12-45.
3)Government Memorandum No.38722-41-45-9 Edu dated
9-1-46.

I have to state that Government was addressed in this
office Re.No.7181-D1-45 dated 11-12-45 to sanction the continuance
of the undermentioned staff sanctioned in G.O.No. Dis.,1347 Edu
dated 4-9-45 permanently as it would be impossible to cope up
with the increased work on account of compulsion in Elementary
education section without the additional staff.

- 1.One Upper Division clerk.
- 2.One typist clerk.
- 3.and one attender.

But the Government in their memorandum No.38722.A/45-9
Education dated 9-1-46 have sanctioned the continuance of the
above staff upto 31-3-46 temporarily.

The period of continuance of the above staff allowed
in the Government order is to expire shortly. The work in the
Elementary Education section has been increasing by leaps and
bounds due to introduction of compulsory and expansion schemes:
Correspondence with regard to management of midday meal, construction
of sheds supply of books and slates to poor pupils reading in
compulsory area, writing of defaulters' registers, issuing of notices
to defaulters, levying penalties and issuing of penalty orders is
increasing enormously from day to day. Accounts of midday meal
committees also have to be scrutinized and made ready for audit by
audit department.

As it will be difficult to get on with the above work
with the staff permissible as per the G.O. fixing the basis on
which the strength of the elementary education section has to be
entertained I request the benign government to kindly view the
matter favourably and order the retention of the temporary staff
sanctioned in G.O.No.1347 Edu dated 4-9-45 permanently in addition
to the sanctioned strength of the section to cope up with the
increased volume of work at an early date.

only.

But still, the preliminary work connected with the
introduction of compulsory education is not complete, owing to
the dearth of qualified teachers, non availability of buildings
and articles of equipment, and other difficulties. So, some of
these have to be completed during the course of the next six
months.

Further, owing to the introduction of the scheme of Mid-day
meals, the recurring work in this connection to procure grains

P.T.O.

For the committees, purchase of vessels and other articles, passing bills, maintenance and scrutiny of accounts have increased and this will continue. The scheme has not yet been started in 2 centres owing to the difficulty of securing grains and out break of plague. Further as the work in the Elementary Education section has considerably increased, I have also addressed the Government through the Director of Public Instruction, Madras in this office R.C.No.C.7-1043/46 dated 20-2-46 for a further revision of the scale of staff.

Therefore, until final orders are passed on the subject or until the still pending preliminary work is completed within the next 6 months, which ever is earlier, I request that the present temporary staff may be continued in order to complete the work unless this is done, I am afraid, the work will suffer.

Education - Compulsory Elementary - Additional
staff for introduction of compulsion and mid-

G.O.No.MS.77 Edn., dated 9--1--1946.

The Attendance Committees in the Compulsory Education areas have already begun to function and steps to penalise default, involving some thousands of guardians of pupils are being taken. Work relating to the providing mid-day meals to the poor pupils in the Compulsory area, has also started and it will take full effect by 1--4--46. These two schemes, which will require very minute scrutiny and very frequent correspondence with the Committees concerned, will eventually require more clerks than the number already sanctioned in the above G.O. I therefore request that Government may be pleased to retain the staff already sanctioned permanently, as the work involved in the working of the two schemes will only increase in future. In anticipation of Government approval I am retaining the staff already sanctioned.

The draft order overleaf may be perused and the case returned to E.H.H. [The question whether the Govt. should meet the cost of clerical staff (including attendants or persons employed for the special schemes cited in para. 1 of the draft in the shape of subsidy for those schemes has not yet been decided. It is seen from the D.P.I.'s report that certain proposals are under the Govt.'s consideration & this might render the employment of clerical staff for these schemes as unnecessary]
