No. 30-1/46. AN dated 26th March 1946.

Sir,

Sub: Trivandrum Museum - Ethnological models -
Exchange. p.3 infra

In enclosing herewith copy of a letter from the Officer in charge of Museums, Trivandrum, I have the honour to request that Government will be pleased to permit me to visit the Trivandrum Museum to see the specimens offered to us in exchange for a few of our duplicate bronzes. I have seen photographs of these ethnological models, but cannot judge from them their artistic qualities or their scientific accuracy. We have been planning to have ethnological models for this Museum for some years, but owing earlier to financial, and recently to War-time difficulties, these plans could not be pushed through. If, on personal inspection, the models are found to be satisfactory, I shall address Government later, on the question of the exchange.

The exact date etc., of my tour will be submitted to

Dear Dr. Aiyappan,

I am in receipt of your letter No. 21-2/46 AN dated the 4th March 1946. As I was away at Delhi I could not reply you earlier. I shall feel highly obliged if you will be good enough to let me know whether a few specimens of ancient South Indian bronzes can be supplied to the Trivandrum museum in exchange for a few ethnological models which are not in the collection of the Madras museum. I shall be obliged if you will kindly address the Madras Government and get the necessary permission for the exchange. Meanwhile, I am addressing the Government of Travancore on the subject for the necessary sanction to give the Madras the specimens in exchange.

Yours sincerely,

(Sd.) A. Vasudeva Poduval.

Dear Sir,
27 APR 1946

Reference G.O. Ms.749 Edn., dated 8th April 1945
permitting my tour to Trivandrum.

22847

I propose leaving for Trivandrum on the 15th May to see the ethnographic casts and wood carvings in which I am interested. Instead of returning straight to Madras, I like to go to Trichur to see the State Museum (where the Assistant has promised us gifts of zoological specimens) and Calicut to see the Municipal Museum which was started there seven or eight years ago, which I have not yet seen. As the additional cost involved is very light, I request that Government will be pleased to sanction these visits in continuation of the trip already sanctioned.

During my absence, my Personal Assistant will be in charge of my routine duties.

Yours sincerely,

A. Aiyappan

Superintendent.
