A Woman Sub-Assistant Surgeon is employed in the Queen Mary's College, from 1924, for the medical supervision of the inmates of the hostels attached to the College and the Lady Willingdon Training College, Madras. The intention was that she should attend to common ailments and that serious cases which required special treatment should be sent to the hospitals. The Director of Public Instruction has reported that the Sub-Assistant Surgeon~~s~~ is of very little practical use, that other doctors have to be called in at times and that as she is a Sub-Assistant Surgeon she cannot conduct medical inspection of the students of the College. Further, the strength of the Lady Willingdon Training College has increased considerably and a number of hostels are attached to it. The Director has accordingly recommended the employment of a Woman Assistant Surgeon for the Queen Mary's College and a separate Woman Sub-Assistant Surgeon for the Lady Willingdon Training College, to which a dispensary will be attached. If and when a Woman Assistant Surgeon with post-graduate qualification in public health becomes available for the Queen Mary's College, it is proposed to entrust her with the teaching of Hygiene to the Home Science students of the B.Sc. course recently started in the college which is now done by a Professor of the Stanley Medical College. A fee of Rs. 3 per annum will be levied from each of the students in the hostels attached to the Lady Willingdon Training College, as is being done in the case of students living in the hostels attached to the Queen Mary's College and in addition a fee of Re. 1 per annum will be levied from each of the day scholars in the Lady Willingdon Training College, for the medical treatment they would get. The total income from this levy is estimated at Rs. 1,000 per annum, approximately.

A

This Department supports the Director's proposals and recommends the inclusion of the necessary provision in the next year's budget as shown in the summary.

College. Queen Mary's. Employment of an Asst. Surgeon. Lady Willingdon Training College. Opening of a separate dispensary.
From the D.P.I. Rc. No. 993-A/44 d/ 29.9.45.

In connection with Part II Estimates for 1946-47 the D.P.I. has submitted proposals for the employment of an Asst. Surgeon for the Queen Mary's College Dispensary and for the opening of a dispensary with a S.A.S. in the Lady Willingdon Training College.

Ⓢ

2. The arrangements made from time to time for the medical supervision of the students living in the hostels attached to the 2 colleges are given on pp. 1-2 of notes to G.O. No. 1469 Edn. d/ 1-11-43. Under the existing arrangements, a full time woman S.A.S. is employed in the dispensary attached to the Queen Mary's College, for attending on the inmates of the hostels attached to the 2 colleges and she is paid a conveyance allowance of Rs. 25 p.m. for her visits to the hostels attached to the Lady Willingdon Training College. In 1943, the D.P.I. reported that the combined doctor for the 2 colleges is not adequate for the present needs and recommended (1) the opening of a separate dispensary under a woman S.A.S. for the Lady Willingdon Training College and hostels and (2) the conversion of the post of S.A.S. attached to the Queen Mary's College into that of a C.A.S. In view of the scarcity of doctors then prevailing, the proposals were deferred till the end of the war. The D.P.I. has revived the proposals now.

3. Queen Mary's College. The resident doctor is expected to attend to common ailments, serious cases being sent to the hospital. As the present doctor is of little use for serious cases and cannot conduct medical inspection of the students, the D.P.I. has recommended the conversion of the post of S.A.S. into that of C.A.S. and the ~~posting~~ appointment in that post of an Asst. Surgeon with post-graduate qualification in Hygiene for teaching Hygiene to B.Sc. Home Science Students. As ~~pointed out already~~ pointed out, even an Asst. Surgeon cannot avoid sending serious cases to the hospital as the equipment in the Col dispensary is meagre. Further the D.P.I. had ~~already~~ repo that an A.S. qualified in Hygiene may not be availa

While a S.A.S. is considered sufficient for the Lady Willingdon Training College, it is not clear why a C.A.S. is ~~recommend~~ considered necessary for the Queen Mary's College; the hostels attached to these colleges are not very different in size. For orders whether the conversion of the S.A.S.'s post into a C.A.S.'s post will be accepted.

4. Lady Willingdon Training College. A separate doctor is recommended as the college has grown into a big institution with a number of hostels, and as the services of the doctor attached to the Queen Mary's College, are not easily and readily available. The opening of a separate dispensary under a S.A.S. may be agreed to.

5. The first batch of medical officers will be selected about the middle of next year, from among war service candidates and ~~Ale~~ on appointment to the civil department, they will replace a number of women doctors appointed in men's posts. There may therefore be no difficulty in filling the post of S.A.S. referred to in para 4 above.

2. As regards the dispensary proposed to be opened at the Lady Willingdon Training College, it was originally suggested that the employment of a woman Sub-Asst. Surgeon may be sanctioned. The S.G. now recommends that, as no Licentiates are trained in this Province and in view of the great difficulty in getting them, the Doctor to be employed in the new dispensary also may be an Asst. Surgeon instead of a Sub Asst. Surgeon. It is submitted that as the woman Sub-Asst. Surgeon now employed in the Queen Mary's College Hostel dispensary will be available for appointment consequent on the conversion of that post from Sub Asst. Surgeon's grade to Asst. Surgeon's grade, the difficulty pointed out by the S.G. will not arise. The Resident Doctor is ordinarily expected to attend to common ailments. Serious cases, if any, may be sent to the Victoria Caste and Gosha Hospital for women, which is ~~very~~ near the L.W.T. College. In the circumstances this dept. may suggest that a Sub-Asst. CNO 66250A

I have the honour to state that in G.O.No.MS. 711, Education, dated 9th April 1946, Government sanctioned a remuneration of Rs.30/- per mensem for a part time Doctor attending on the children of the Nursery School attached to the Lady Willingdon Training College, Madras. The Principal reports that Dr.(Mrs.) Nilakantan, Lady Doctor attached to the college has been attending on the Nursery School children regularly once in a week in the mornings from 10 A.M. to 11.30 A.M. with effect from 1st November 1946 and recommends that the Doctor may be permitted to receive the special remuneration of Rs.30/- sanctioned for the Part Time Doctor in the G.O. under reference. It is also reported that the part time work of the Doctor in the Nursery School does not affect her regular work in the college. The Surgeon General with the Government of Madras has no objection to the payment of the remuneration to the Woman Sub-Assistant Surgeon attached to the College provided that the additional work does not affect her regular duties in the college and that the sanction of Government is obtained for the payment.

2.

2. In the circumstances I request that Government may be pleased to permit the payment of the remuneration of Rs.30/- to Dr.(Mrs.) Nilakantan, Medical Officer attached to the Lady Willingdon Training College, Madras. Permission is also requested for paying ~~of~~ the remuneration to others who may take the place if Dr.(Mrs.) Nilakantan vacates it.

Sir,

Subject.— College - Lady Willingdon Training College - Madras - Employment of ayah - Pay and allowances - regarding -

Reference.— G.O. 750, Education dated 8-4-46.

-----

p.9.ff / (M)

I have to invite a reference to the Govt. order cited above and to state that pay, Dearness Allowances and Madras Allowance at Rs. 15 + 18 + 2½ p.m. have been claimed every month for an 'ayah' by the Principal, Lady Willingdon Training College, Madras. The allowance claimed as Madras Allowance was restricted to Rs. 2/- p.m. as all the menials employed in Madras City and who are paid from contingencies have been granted a Madras Allowance of Rs. 2/- p.m. only in G.O.Ms.No. 966, Finance (Pension) dated 6-8-52. Therefore the Principal, of the College represented that the allowance of Rs. 2-8-0 sanctioned in G.O. 750, Education dated 8-4-46 was P.A. The Director of Public Instruction, Madras has also requested this office to continue the payment of P.A. of Rs. 2½/- as it was specifically sanctioned in G.O. cited.

p.6 / (5)

(Presidency Allowance)

I am to enquire whether it is the intention of the Govt. to allow the ayah the P.A. sanctioned in G.O. 750, Education dated 8-4-46 without any time limit. It is also presumed that the 'Ayah' is not entitled to the Madras Allowance of Rs. 2/- in addition to the P.A. of Rs. 2/8/-. The presumption may please be confirmed.

Yours faithfully,
