Office of the
Director of Public Instruction,
Madras, Dated 14-9-1945.

From

Dr.B.B.Dor, D.Sc.(Lond.), F.R.I.C.
Offg. Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Lady Willingdon Training College, Madras - Nadu-
kuppam Elementary School - conversion of the two
posts of Elementary Grade Teachers into Secondary
Grade Teachers' Posts - Sanction requested.

41339

In connection with Part II of the Budget Estimate
for 1946-47 I have the honour to submit the following proposal
for the conversion of the two posts of Elementary Grade
Teachers into Secondary Grade Teachers' Posts in the Nadu-
kuppam Elementary School attached to the Lady Willingdon
Training College, Madras and to state as follows:-

2. In G.O.No.1295 Edn., dated 9-7-40, the Government
sanctioned temporarily the two posts of Higher Elementary
Grade in the above institution and the continuance of the
posts was sanctioned year after year. The posts were con-
tinued for one year from 15-7-45 in G.O.No.Ms.1121 Edn.
dated 23-7-45.

3. The Principal, Lady Willingdon Training College,
Madras reports that the need for the conversion of the
above two posts into Secondary Grade Teachers' Posts has been
felt for some time past owing to the fact that the Elementary
School forms a practising section for all the three grades of
training students (i.e) B.T., Secondary and Higher Elementary
and there is much demonstration of lessons and supervi-
sion of students lessons to be carried out by the teachers of
these classes. These teachers must therefore be more highly
qualified than the teachers of the Elementary grade. The
Principal also reports that there is only one Secondary
Grade teachers' post in the school with six sections in
classes 1 to 5 and that the presence of at least two more
secondary grade teachers is quite essential.

4. I agree with the recommendation of the Principal
and request that the Government may be pleased to convert the
two posts of Elementary grade teachers into those of Secondary
grade teachers on the scale of Rs.30-55 plus the presidency
allowance with effect from 14-7-46, the date of expiry of
the present sanction of these posts of Higher Elementary Grade
teachers.

5. The financial effect of the proposal is indicated
below:-

P.T.O.

Extra Ultimate cost.

Average pay of 2 Secondary Grade Assistants for 12 months -
42 2/9 x 12 x 2 ... Rs. 1,014 ✓

Plus Presidency Allowance for 2 teachers. 6 1/2 x 12 x 2 ... 156 ✓

SA @ 16 1/2 Total 858

Extra cost ... Rs. 312 or Rs. 300 in round figures.

6. I am including the necessary provision under Part II of the Budget Estimate for 1946-47.

7. I recommend further that the two posts of Secondary grade teachers may be sanctioned on a permanent basis as the two additional teachers' post (Elementary Grade) have been in continuous existence for five years.

I have the honour to be,

Explanatory Note.

In April 1933 the Nadukuppam Elementary School was taken over from the Labour Department and attached to the Lady Willingdon Training College, Madras, to serve as a practising section for teachers undergoing training in the college. The existing staff of the school consists of one Secondary Grade teacher and five Higher Elementary Grade teachers (three permanent and two temporary). The Director of Public Instruction has proposed that the two posts of the temporary Higher Elementary Grade teachers may be converted into those of Secondary Grade teachers with effect from 15th July 1946. In support of this proposal he has stated as follows:—

"The Principal, Lady Willingdon Training College, Madras, reports that the need for the conversion of the two posts into Secondary Grade teachers' posts has been felt for some time past owing to the fact that the elementary school forms a practising section for all the three grades of training students, i.e., B.T., Secondary and Higher Elementary, and there is much demonstration of lessons and supervision of students' lessons to be carried out by the teachers of these classes. These teachers must, therefore, be more highly qualified than the teachers of the Elementary Grade. The Principal also reports that there is only one Secondary Grade teacher's post in the school with six sections in classes I to V and that the presence of at least two more Secondary Grade teachers is quite essential".

The Director recommends that the two posts may be sanctioned permanently as the two temporary posts of Higher Elementary Grade teachers have been in existence for over five years. The extra ultimate cost on account of this proposal is Rs. 360 or Rs. 400 roundly.

This department supports the proposal and recommends that necessary provision may be made in the Budget Estimate for 1946-7.

In 1933, the Nadukuppam elementary school was taken over from the Labour department and attached to the Lady Willingdon Training College, Madras, to serve as a practising section for teachers undergoing training in the college.
